I N A S S E M B L Y

Introduced by M. of A. McENENY, CANESTRARI, REILLY -- read once and referred to the Committee on Ways and Means

AN ACT making an appropriation to the department of law for the purpose of investigating and prosecuting public fraud and corruption

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. The legislature hereby reaffirms its
2 commitment to the noble democratic principles of a system of government
3 by the people and for the people, and it further reaffirms its belief
4 that an effective and participative democratic government requires the
5 highest respect of the public trust by its elected public officials. The
6 legislature, therefore, finds that to ensure a continuing public confi-
7 dence in both government and in elected officials, it is imperative that
8 all elected public officials be held to the highest ethical standards in
9 the discharge of their duties. The legislature finds that because the
10 city and county of Albany is the seat of New York state government, and
11 because the Albany county district attorney has primary jurisdiction for
12 all crimes committed within the city of Albany, it is imperative that
13 the Albany county district attorney has adequate resources to investi-
14 gate and prosecute, where warranted, criminal activity involving the
15 public trust. The legislature further welcomes the collaborative effort
16 between the office of the state attorney general and the office of the
17 Albany county district attorney to ensure that the Albany county
18 district attorney's office has the assistance it may need from the
19 department of law. The legislature further notes that such collabor-
20 ation, to be effective, will require an adequate allocation of
21 resources, and it finds that there is a need for providing adequate
22 funding and cross-designation of resources.

23 S 2. The sum of two million dollars (\$2,000,000), or so much thereof
24 as may be necessary is hereby appropriated out of moneys in the state
25 treasury in the general fund for the purpose of investigating and prose-
