AN ACT to amend the civil rights law, in relation to privacy of electronic fare and toll records

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Statement of legislative intent. The legislature finds and  
2 declares that public entities increasingly are establishing electronic  
3 toll and electronic fare payment systems, which have the potential for  
4 great convenience to the general public. E-Z Pass, for example, allows  
5 motorists to have toll charges automatically deducted from pre-established  
6 accounts. Programs such as these have proven popular with consumers.  
7 But some consumers, public officials and public entities have  
8 raised legitimate questions about the extent to which records of individual  
9 travel created by such electronic toll and fare programs should  
10 be disclosed, and under what circumstances. This bill establishes  
11 reasonable, uniform provisions for maintaining the confidentiality of  
12 such records, while at the same time authorizing disclosure in cases of  
13 legitimate law enforcement need.

14     S 2. The civil rights law is amended by adding a new section 50-f to  
15 read as follows:
