28 declares that eminent domain is an important tool for government to move  
29 forward on important public projects. However, there needs to be a thor-  
30 ough examination to determine how public projects that are primarily  
31 economic development projects affect homeowners. There needs to be a  
32 balance between the needs of society and the constitutional power of  
33 government to exercise its eminent domain powers, and the constitutional  
34 liberty and property rights of the people.

35 2. A temporary state commission, to be known as the commission on  
36 eminent domain reform, hereinafter referred to as the commission, is  
37 hereby created to examine, evaluate, and make recommendations concerning

40 power of eminent domain. Specifically the commission shall examine at  
41 least the following:

42 (a) the appropriate constitutional standard for condemnation  
43 proceedings used for the economic development where private homeowners  
44 are affected; and

45 (b) the procedural fairness of the eminent domain procedure laws.

46 3. The commission shall consist of thirteen members, to be appointed  
47 as follows: three members to be appointed by the governor; three members  
48 to be appointed by the temporary president of the senate; three members

50 appointed by the minority leader of the senate; one member to be  
51 appointed by the minority leader of the assembly; one member shall be  
52 appointed by the comptroller, and one member shall be appointed by the  
53 attorney general. The appointees shall have demonstrated expertise in  
54 the field of eminent domain law. The governor shall designate the chair-  
55 person and vice-chairperson of the commission. Vacancies in the member-

1 ship of the commission and among its officers shall be filled in the  
2 manner provided for original appointments or designations.

3 4. The members of the commission shall receive no compensation for  
4 their services, but shall be allowed their actual and necessary expenses  
5 incurred in the performance of their duties hereunder. To the maximum  
6 extent feasible, the commission shall be entitled to request and receive  
7 and shall utilize and be provided with such facilities, resources, and  
8 data of any court, department, division, board, bureau, commission, or  
9 agency of the state or any political subdivision thereof as it deems  
10 necessary or desirable to carry out properly its powers and duties here-  
11 under.

12 5. The commission may employ and at pleasure remove such personnel as  
13 it may deem necessary for the performance of its functions and fix their  
14 compensation within the amounts made available therefor.

15 6. The commission may meet within and without the state, shall hold  
16 public hearings, and shall have all the powers of a legislative commit-  
17 tee pursuant to the legislative law.

18 7. The commission shall submit its findings and recommendations in a  
19 report to the governor, the temporary president of the senate, and the  
20 speaker of the assembly not later than one year after it first convenes.

21 S 10. The sum of one hundred thousand dollars (\$100,000), or so much  
22 thereof as may be necessary, is hereby appropriated to pay the expenses  
23 incurred, including personal service, in carrying out the provisions of  
24 section nine of this act. Such moneys shall be payable out of the state  
25 treasury in the general fund to the credit of the state purposes account  
26 after audit by and on the warrant of the comptroller upon vouchers  
27 certified or approved by the chairperson or vice-chairperson of the  
28 commission as prescribed by law.

29 S 11. This act shall take effect on the one hundred twentieth day  
30 after it shall have become a law; provided that sections nine and ten of  
31 this act shall take effect immediately; provided further that the tempo-  
32 rary state commission established pursuant to section nine of this act  
33 shall expire and be terminated on the first day next succeeding the date  
34 of the submission of its report as provided in subdivision seven of
