23 S 3. Subdivision 1 of section 472 of the tax law, as amended by chap-

25 1. The commissioner shall prescribe, prepare and furnish stamps of
26 such denominations and quantities as may be necessary for the payment of
27 the tax on cigarettes imposed by this article, and may from time to time
28 and as often as he deems advisable provide for the issuance and exclu-
29 sive use of stamps of a new design and forbid the use of stamps of any
30 other design, in the manner and with the effect provided in section two
31 hundred seventy-four of this chapter. The commissioner shall make
32 provisions for the sale of such stamps at such places and at such times
33 as he may deem necessary and may license agents for such purpose. The
34 commissioner may license dealers in cigarettes, who maintain separate
35 warehousing facilities for the purpose of receiving and distributing
36 cigarettes and conducting their business, who have received commitments
37 from at least two [cigarette] manufacturers whose aggregate market share
38 is at least forty percent of the New York state [cigarette] market, and
39 importers, exporters and manufacturers of cigarettes, and other persons
40 within or without the state as agents to buy or affix stamps to be used
41 in paying the tax herein imposed, but an agent shall at all times have
42 the right to appoint the person in his employ who is to affix the stamps
43 to any cigarettes under the agent's control. The fee for filing such
44 application for an agent's license shall be one thousand five hundred
45 dollars, unless such fee has been paid during the preceding twelve
46 months, in which case, the fee for a new license shall be one thousand
47 dollars. All of the provisions of section four hundred eighty OF THIS
48 ARTICLE relating to wholesale dealers' licenses, including the procedure
49 for suspension, revocation, refusal to license and for hearings, except
50 for paragraphs (c) and (g) of subdivision one of such section, shall be
51 applicable to agents' licenses applied for or granted pursuant to this
52 section, as if such provisions had been set forth in full in this subdi-
53 vision and had expressly referred to the applicant for, or the holder
54 of, an agent's license. Whenever the commissioner shall sell and deliver
55 to any such agent any such stamps, such agent shall be entitled to
56 receive as compensation for his services and expenses as such agent in

1 selling or affixing such stamps, and to retain out of the moneys to be
2 paid by him for such stamps, a commission on the par value thereof. The
3 commissioner is hereby authorized to prescribe a schedule of commis-
4 sions, not exceeding five per centum, allowable to such agent for buying
5 and affixing such stamps. Such schedule shall be uniform with respect to
6 the different types of stamps used, and may be on a graduated scale with
7 respect to the number of stamps purchased, PROVIDED HOWEVER, SUCH AGENTS

12 FOUR HUNDRED SEVENTY-TWO-A OF THIS ARTICLE. The commissioner may, in his
13 discretion, permit an agent to pay for such stamps within thirty days
14 after the date of purchase and may require any such agent to file with
15 the department [of taxation and finance] a bond issued by a surety
16 company approved by the superintendent of insurance as to solvency and
17 responsibility and authorized to transact business in the state or other
18 security acceptable to the commissioner, in such amount as the commis-
19 sioner may fix, to secure the payment of any sums due from such agent
20 pursuant to this article. If securities are deposited as security under
21 this subdivision, such securities shall be kept in the custody of the
22 commissioner and may be sold by the commissioner if it becomes necessary
23 so to do in order to recover any sums due from such agent pursuant to
24 this article, but no such sale shall be had until after such agent shall
25 have had opportunity to litigate the validity of any tax if it elects so
26 to do. Upon any such sale, the surplus, if any, above the sums due under
27 this article shall be returned to such agent.

28 S 4. The department of taxation and finance shall, following the
29 implementation period and annually thereafter, report to the legislature
30 and to the governor on the effectiveness of the provisions of this act.

31 S 5. This act shall take effect immediately, provided, however, that
32 section two of this act shall take effect on the one hundred eightieth
33 day following the awarding of such contract pursuant to this act;
34 provided further that any product in the possession of a cigarette
35 retail dealer on the effective date of this act and stamped to the
36 commissioner of taxation and finance's satisfaction may continue to be
37 offered for sale and sold to cigarette purchasers.
