Introduced by M. of A. WRIGHT, MORELLE -- read once and referred to the Committee on Labor

AN ACT to amend the labor law, in relation to certain personal service contracts protections

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative intent. It is the intention of this legislature to ensure that artists in our state are empowered to create and perform without the encumbrance of unreasonable and unduly restrictive covenants. The public invariably benefits when artists are free to create without restriction and are able to participate in the free market. Thus in the interest of personal and creative freedom for artists and to serve the public good, artists should not be bound by certain personal service contracts for excessive periods of time. It is undisputed that in its history, our state has long demonstrated steadfast support for the constitutional right of citizens to personal association, a right required for the true expression of artistic work. It is the legislature's sense that the creative arts contribute much to the economy of our state and the well being of its citizens. Certain measures are needed to ensure that working artists in New York are respected and valued and that their work continues to ennoble and enrich our culture, economy, and state.

S 2. This act shall be known and may be cited as the "Artistic Freedom Act".
