2. Section 27 of the transportation corporations law, as amended by chapter 840 of the laws of 1977, is amended to read as follows:

3 27. Construction of lines. [Any] SUBJECT TO THE PROVISIONS OF SECTION ONE HUNDRED THIRTY-SIX OF THE HIGHWAY LAW, ANY such corporation may erect, construct and maintain the necessary fixtures for its lines 5 6 upon, over or under any of the public roads, streets and highways; 7 through, across or under any of the waters within the limits of this 8 state, and may erect, construct and maintain its necessary stations, plants, equipment or lines upon, through or over any other land, subject 9 10 to the right of the owners thereof to full compensation for the same. If such corporation can not agree with such owner or owners upon the 11 compensation to be paid therefor, such compensation shall be ascertained 12 13 in the manner provided in the eminent domain procedure law. Any such 14 corporation is authorized, from time to time, to construct and lay lines 15 of electrical conductors under ground in any city, village or town with-16 the limits of this state, subject to all the provisions of law in 17 reference to such companies not inconsistent with this section; provided that such corporation shall, before laying any such line in any city, 18 19 village or town of this state, first obtain from the common council of 20 cities, or other body having like jurisdiction therein, the trustees of 21 or the town superintendents of towns, permission to use the 22 streets within such city, village or town for the purposes herein set forth. Nothing in this section shall limit, alter, or affect the 23 provisions or powers relating or granted to telegraph corporations here-24 25 tofore created by special act of the legislature of this state, except 26 so far as to confer on any such corporation the right to lay elec-27 trical conductors under ground.

S 3. This act shall take effect on the thirtieth day after it shall 29 have become a law.
