1 S 2. Subdivision a of section 2800 of the New York city charter, as  
2 amended by a vote of the people of the city of New York at the general  
3 election held in November of 1989, is amended to read as follows:

4 a. For each community district created pursuant to chapter sixty-nine  
5 there shall be a community board which shall consist of (1) not more  
6 than fifty persons appointed by the borough president for staggered  
7 terms of two years, at least one-half of whom shall be appointed from  
8 nominees of the council members elected from council districts which  
9 include any part of the community district, and (2) all such council  
10 members as non-voting members. The number of members appointed on the  
11 nomination of each such council member shall be proportional to the  
12 share of the district population represented by such council member. The  
13 city planning commission, after each council redistricting pursuant to  
14 chapter two-A, and after each community redistricting pursuant to  
15 section twenty-seven hundred two, shall determine the proportion of the
