THIS SECTION, based on an updated electronic [date] DATA file containing actual and estimated data relating to apportionments due and owing during the current school year and projections of such apportionments for the following school year to school districts and boards of cooper-ative educational services from the general support for public schools, growth and boards of cooperative educational services appropriations produced pursuant to paragraph b of subdivision twenty-one of section three hundred five of this chapter on February fifteenth of the base year. The gap elimination adjustment for a district shall equal the lesser of the district's percentage reduction and its TGFE check, provided, however, that in the case of a district with a tax effort ratio greater than four percent (0.04) and a combined wealth ratio for total foundation aid computed pursuant to subparagraph two of paragraph subdivision three of this section that is less than one and five-tenths (1.5), the gap elimination adjustment for a district shall equal the lesser of the percentage reduction, the TGFE check and the tax effort reduction, and further provided that in the case of a school district, other than a city school district of a city having a popu-lation in excess of one hundred twenty-five thousand, with (A) an admin-istrative efficiency ratio of less than one and eight-tenths percent (0.018) and (B) an administrative expense per pupil of less than three hundred forty-eight dollars (\$348), the gap elimination adjustment shall be reduced by an amount equal to the administrative efficiency restora-and further provided that, where applicable, the gap elimination adjustment shall be reduced by an amount equal to the sum of the needs-based restoration plus the low wealth-high tax effort restoration plus the enrollment adjustment award. 

- (i) The percentage reduction shall be the sum of (A) the product of the total aid for adjustment, multiplied by six and four-tenths percent (0.064), and (B) the product of four thousand four hundred dollars (\$4,400) multiplied by the reduction factor, multiplied by the public school district enrollment for the base year computed pursuant to subparagraph two of paragraph n of subdivision one of this section, provided, however, that such percentage reduction shall not be less than the product of nine and one-half percent (0.095) multiplied by such total aid for adjustment, and not more than the product of twenty-one and four-tenths percent (0.214) multiplied by such total aid for adjustment.
- (ii) The tax effort reduction shall be the product of the total aid for adjustment, multiplied by the quotient of twenty-three percent (0.23) divided by the quotient of the tax effort ratio computed pursuant to subparagraph three of paragraph a of subdivision sixteen of this section divided by four and two hundred forty-seven thousandths percent (0.04247), provided, however, that such tax effort reduction shall not be less than the product of thirteen percent (0.13) multiplied by such total aid for adjustment, and not more than the product of twenty-three percent (0.23) multiplied by such total aid for adjustment.
- (iii) The TGFE check shall be the product of the TGFE percentage and the total general fund expenditures of such district in the base year.
- (iv) The administrative efficiency restoration shall be the product of seventy-five dollars (\$75), multiplied by the state sharing ratio, multiplied by the total aidable foundation pupil units computed pursuant to paragraph g of subdivision two of this section for the purposes of computing total foundation aid.
- (v) The needs-based restoration shall be the sum of (A) the product of the needs-based grant, multiplied by the public school district enroll-

ment for the base year computed pursuant to subparagraph two of paragraph n of subdivision one of such section thirty-six hundred two of this part, plus (B) in the case of any district for which the quotient of the Limited English proficient count for the base year computed pursuant to paragraph o of subdivision one of this section divided by the public school district enrollment for the base year computed pursuant to subparagraph two of paragraph n of subdivision one of this section, exceeds thirteen percent (0.13), the product of the total aid for adjustment multiplied by seventy-five hundredths of a percent (0.0075).

- (vi) The low wealth-high tax effort restoration shall be, for any school district with a tax effort ratio greater than six percent (0.06) and a combined wealth ratio for total foundation aid that is less than seven-tenths (0.7), the product of one hundred dollars (\$100.00) multiplied by the public school district enrollment for the base year computed pursuant to subparagraph two of paragraph n of subdivision one of this section.
- (vii) The enrollment adjustment award shall be the product of five hundred dollars (\$500.00) multiplied by the enrollment increase for any eligible school district. An eligible school district shall be a school district (A) with a combined wealth ratio for total foundation aid less than three (3.0) and an enrollment increase greater than or equal to forty-five, where, (B) for such school district, either the enrollment increase is greater than one percent (0.01) of the public school district enrollment for the base year or the combined wealth ratio for total foundation aid is less than two (2.0). The enrollment increase shall be as the positive difference of the estimated public school district enrollment for the current year computed pursuant to subparagraph two of paragraph n of subdivision one of this section less the public school district enrollment for the base year computed pursuant to subparagraph two of paragraph n of subdivision one of this section.
- (viii) For the purposes of such computation, (A) "total aid for adjustment" shall mean the sum of the amounts set forth for each school district as "FOUNDATION AID", "FULL DAY K CONVERSION", "BOCES + SPECIAL SERVICES", "HIGH COST EXCESS COST", "PRIVATE EXCESS COST", "HARDWARE & TECHNOLOGY", "SOFTWARE, LIBRARY, TEXTBOOK", "TRANSPORTATION INCL SUMMER", "OPERATING REORG INCENTIVE", "CHARTER SCHOOL TRANSITIONAL", "ACADEMIC ENHANCEMENT", "HIGH TAX AID" AND "SUPPLEMENTAL PUB EXCESS COST" under the heading "2011-12 ESTIMATED AIDS" in the school aid computer listing produced by the commissioner in support of the executive budget proposal for the two thousand eleven--two thousand twelve school year;
- (B) "the state sharing ratio" shall mean the state sharing ratio computed for total foundation aid computed pursuant to paragraph g of subdivision three of this section, but not less than ten percent (0.10); and
- (C) "reduction factor" shall mean the product of the positive remainder of one less the three-year average free and reduced price lunch percent computed pursuant to subparagraph (ii) of paragraph p of subdivision one of this section, multiplied by the combined wealth ratio for total foundation aid computed pursuant to subparagraph two of paragraph c of subdivision three of section thirty-six hundred two of this part; and
- (D) "needs-based grant" shall mean, (1) in the case of a district determined to be a high need school district pursuant to clause (c) of subparagraph two of paragraph c of subdivision six of this section for

 million inhabitants according to the two thousand federal census, four and one-tenth percent (0.041),

- (c) in the case of a city school district in a city with a population of more than two hundred ten thousand inhabitants and less than two hundred fifty thousand inhabitants according to the two thousand federal census, four and thirteen hundredths percent (0.0413),
- (d) in the case of a city school district in a city with a population of more than one hundred seventy thousand inhabitants and less than two hundred ten thousand inhabitants according to the two thousand federal census, five and ninety-seven hundredths percent (0.0597),
- (e) in the case of a city school district in a city with a population of more than one hundred thousand inhabitants and less than one hundred seventy thousand inhabitants according to the two thousand federal census, five and fifty-three hundredths percent (0.0553),
- (f) in the case of any other such school district which has a three-year average free and reduced price lunch percent greater than seventy-five percent (0.75) and which has an administrative efficiency ratio less than one and fifty-five hundredths percent (0.0155), four and nine hundredths percent (0.0409), and
- (g) for all other such school districts, six and eight-tenths percent (0.068), or
  - (2) in the case of all other school districts, eleven percent (0.11).
- c. The gap elimination adjustment for the two thousand twelve--two thousand thirteen school year and thereafter shall be equal to the gap elimination adjustment for the base year, plus, in any year in which the preliminary growth amount exceeds the allowable growth amount, the product of the gap elimination adjustment percentage for such district and the positive difference, if any, between the preliminary growth amount less the allowable growth amount, as computed pursuant to subdivision one of this section, and less the product of the gap elimination adjustment percentage for such district and the gap elimination adjustment restoration amount, if any, allocated pursuant to subdivision eighteen of this section. PROVIDED, HOWEVER, THAT THE GAP ELIMINATION ADJUSTMENT SHALL NOT BE APPLIED TO ANY PORTION OF FUNDS RECEIVED THROUGH INCENTIVE OPERATING AID PURSUANT TO THIS SECTION.
- S 4. This act shall take effect immediately; provided, however, that the amendments to section 3602 of the education law made by section two of this act shall take effect on the same date and in the same manner as section 25 of part A of chapter 58 of the laws of 2011, takes effect; provided, further, that the amendments to section 3602 of the education law made by section three of this act shall take effect on the same date and in the same manner as section 37 of part A of chapter 58 of the laws of 2011, takes effect.
