R. R. 2

2011-2012 Regular Sessions

I N A S S E M B L Y

December 28, 2011

Introduced by M. of A. HEASTIE -- read once and referred to the Committee on Cities -- recommitted to the Committee on Cities in accordance with Assembly Rule 3, sec. 2 -- amended on the special order of third reading, ordered reprinted as amended, retaining its place on the special order of third reading

AN ACT to amend chapter 602 of the laws of 2011 relating to livery permits in the city of New York, in relation to authorizing New York city to issue up to two thousand new taxicab licenses to vehicles that are accessible to individuals with disabilities, authorizing New York City to issue eighteen thousand hail vehicle licenses and authorizing up to four hundred fifty hail base permits to for-hire base stations; and to amend the tax law, the administrative code of the city of New York and the vehicle and traffic law, in relation to taxicabs and HAIL licenses in New York city; and to repeal certain sections of chapter 602 of the laws of 2011 relating to livery permits in the city of New York

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings. The legislature finds and declares
2 that the public health, safety and welfare of the residents of the state
3 of New York traveling to, from and within the city of New York is a
4 matter of substantial state concern, including access to safe and reli-
5 able mass transportation such as taxicabs. The majority of residents and
6 non-residents of the city of New York do not currently have sufficient
7 access to legal, licensed taxicabs available for street hails in the
8 city of New York. Additionally, the legislature finds and declares that
9 it is a matter of public health, safety and welfare to ensure adequate
10 and reliable transportation accessible to individuals with disabilities
11 in the city of New York. Currently, approximately 1.8 percent of the
12 city's approximately thirteen thousand yellow taxicabs is accessible to
13 individuals with disabilities, and an even smaller percentage of the

1 city's approximately twenty-three thousand livery vehicles is accessi-
2 ble. This supply of accessible vehicles is insufficient to provide
3 adequate and reliable transportation for the residents of and the commu-
4 ters and visitors to New York city who have disabilities and therefore
5 inhibits their basic daily activities. This lack of accessible vehicles
6 also prevents individuals with disabilities from being able to rely on
7 the street hail system to get to a destination quickly, particularly in
8 an emergency, or to travel to a location not near a subway or bus stop.
9 Improving access to mass transportation, including taxicabs, for the
10 residents of and the commuters and visitors to New York city furthers
11 these matters of substantial state concern.

12 S 2. Sections 2, 3 and 5 of chapter 602 of the laws of 2011 relating
13 to livery permits in the city of New York are REPEALED.

14 S 3. Sections 4 and 6 of chapter 602 of the laws of 2011 relating to
15 livery permits in the city of New York, are amended to read as follows:

16 S 4. HAIL BASE PERMIT ISSUANCE. The New York city taxi and limousine
17 commission OR SUCCESSOR AGENCY is hereby authorized to issue non-trans-
18 ferable permits to for-hire vehicle base stations established pursuant
19 to section 19-511 of the administrative code of the city of New York,
20 allowing such base stations to be affiliated with holders of [permits]
21 LICENSES issued pursuant to section [three] FIVE of [this act] THE CHAP-
22 TER OF THE LAWS OF 2012 WHICH AMENDED THIS SECTION ("hail [privilege]

29 the amount of three thousand dollars, and shall be valid for three years
30 prior to renewal. [Such] THE right to renewal shall be automatic, upon

32 RENEWAL fee amount may be increased by such taxi and limousine commis-
33 sion or successor agency to account for changes in the [United States]
34 NEW YORK - NORTHERN NEW JERSEY - LONG ISLAND consumer price index,
35 adjusted for inflation. The initial [sale] ISSUANCE of such hail [privi-
36 lege] base permits will be limited to existing for-hire vehicle base
37 stations established pursuant to section 19-511 of the administrative
38 code of the city of New York, that have been in operation for at least
39 three years AND ARE IN GOOD STANDING WITH SUCH TAXI AND LIMOUSINE
40 COMMISSION OR SUCCESSOR AGENCY. Such hail [privilege] base permits shall
41 be issued beginning no later than the public sale of the additional
42 taxicab [medallions] LICENSES issued pursuant to section [two of this
43 act] EIGHT OF THE CHAPTER OF THE LAWS OF 2012 WHICH AMENDED THIS
44 SECTION. The city of New York, acting through such taxi and limousine
45 commission OR SUCCESSOR AGENCY, is hereby authorized and empowered to
46 take such actions as are necessary and desirable to implement the
47 provisions of this section, subject only to the procedures and limita-
48 tions set forth in this section, and shall not be required to engage in
49 any review provided for by any provision of law or make or obtain any
50 determination not expressly required by this section.

51 S 6. This act shall take effect immediately. THIS ACT SHALL BE
52 CONSTRUED AS A WHOLE, AND ALL PARTS OF IT ARE TO BE READ AND CONSTRUED
53 TOGETHER. IF ANY PART OF THIS ACT OR ANY AMENDMENTS MADE THERETO BY THE
54 CHAPTER OF THE LAWS OF 2012 WHICH AMENDED THIS SECTION SHALL BE ADJUDGED
55 BY ANY COURT OF COMPETENT JURISDICTION TO BE INVALID, THE REMAINDER OF
56 THIS ACT SHALL BE INVALIDATED AND SHALL BE DEEMED TO HAVE NOT TAKEN

EFFECT, PROVIDED HOWEVER THAT THE VALIDITY OF ANY TAXICAB LICENSE ISSUED BEFORE THE DATE THAT THIS ACT IS DECLARED INVALID SHALL NOT BE AFFECTED.

S 4. Definitions. Notwithstanding any other law to the contrary, as used in this act, the term:

(a) "Accessible vehicle" means a for-hire vehicle that is designed for the purpose of transporting persons in wheelchairs or contains a physical device or alteration designed to permit access to and enable the transportation of persons in wheelchairs in accordance with the Americans with Disabilities Act.

(b) "Hail Accessible Inter-borough license" or "HAIL license" means a license issued by the New York city taxi and limousine commission that authorizes a designated vehicle to pick up passengers by street hail outside of the HAIL exclusionary zone. Provided, however, that a HAIL vehicle shall be permitted to accept passengers by prearranged call at airports and outside the HAIL exclusionary zone.

(c) "HAIL exclusionary zone" means airports in the city of New York in which a HAIL vehicle is prohibited from pick-up of passengers by street hail and that area of the city of New York in Manhattan south of east ninety-sixth street and south of west one hundred tenth street in which a HAIL vehicle is prohibited from pick-up of passengers by street hail or pre-arranged call and in such other areas as the TLC shall by rule prohibit HAIL vehicles from accepting passengers by street hail consistent with this act. Provided, however, that a HAIL vehicle shall be permitted to accept passengers by prearranged call at airports and outside the HAIL exclusionary zone.

(d) "For-hire vehicle" means a motor vehicle carrying passengers for-hire in the city, with a seating capacity of twenty passengers or less, not including the driver, other than a taxicab, coach, commuter van or an authorized bus operating pursuant to applicable provisions of law. For the purpose of this subdivision, "seating capacity" shall include any plain view location which is capable of accommodating a normal adult as part of an overall seat configuration and design and is likely to be used as a seating position while the vehicle is in motion.

(e) "For-hire driver" means a driver licensed pursuant to paragraph (iii) of subdivision a of section 19-505 of the administrative code of the city of New York.

(f) "HAIL vehicle" means a for-hire vehicle having a taximeter and a TLC-sanctioned trip record system and subject to a HAIL license.

(g) "TLC" means the New York city taxi and limousine commission or a successor agency.

S 5. HAIL license issuance. (a) The TLC is hereby authorized to issue hail accessible inter-borough licenses. No more than eighteen thousand HAIL licenses shall be issued.

(b) Six thousand of such HAIL licenses shall be issued within twelve months from the date on which the first HAIL license is issued ("first issuance"). Any of the six thousand licenses authorized for such issuance not issued within the first twelve months shall be authorized for issuance in the second issuance in addition to those authorized in the second issuance, as defined in this subdivision. Twenty percent of the HAIL licenses issued in the first issuance will be restricted to accessible vehicles, and for every block of one thousand HAIL licenses issued, the twenty percent requirement must be met prior to the issuance of any additional HAIL licenses. The TLC will study and report on the accessibility of vehicles with HAIL licenses in the Disabled Accessibility Plan and may recommend that a different percentage of HAIL licenses be restricted to accessible vehicles for the remaining twelve thousand

1 HAIL licenses. Without such approved modification, twenty percent of the
2 remaining twelve thousand licenses will be restricted to accessible
3 vehicles, and for every block of one thousand HAIL licenses issued, the
4 twenty percent requirement must be met prior to the issuance of any
5 additional HAIL licenses. Twelve months after the first issuance, the
6 TLC may issue up to six thousand additional HAIL licenses (the "second
7 issuance"). One year after the second issuance, the TLC may issue up to
8 six thousand additional HAIL licenses ("third issuance"). Any of the
9 HAIL licenses authorized for issuance during the first and second issu-
10 ances not issued within the first twenty-four months shall be authorized
11 for issuance in addition to those authorized in the third issuance. The
12 TLC may reissue pursuant to this act a HAIL license that is revoked or
13 has otherwise reverted to the TLC. Within the first three years of the
14 first issuance, HAIL licenses may be issued only to owners of for-hire
15 vehicles or for-hire drivers who have been licensed by the TLC for at
16 least one year and are in good standing with the TLC; provided that
17 three months after the first issuance any remaining HAIL licenses in the
18 first issuance restricted to accessible vehicles authorized for issuance
19 may be issued without regard to such restrictions in a manner to be
20 determined by the TLC.

21 (c) An individual or entity may only own one HAIL license except that
22 an individual or entity may own not more than five HAIL licenses
23 restricted to accessible vehicles. A HAIL license not restricted to
24 accessible vehicles may not be transferred or issued to an individual or
25 entity if such individual or entity has a fiduciary relationship with,
26 an ownership interest in or is otherwise a member of any other entity,
27 including without limitation a corporation, partnership, limited liabil-
28 ity corporation, limited liability partnership, joint venture or associ-
29 ation that owns a HAIL license issued or transferred pursuant to this
30 section and section seven of this act. A HAIL license restricted to
31 accessible vehicles may not be transferred or issued to an individual or
32 entity if such individual or entity has a fiduciary relationship with,
33 an ownership interest in or is otherwise a member of any other entity or
34 combination of entities, including without limitation a corporation,
35 partnership, limited liability corporation, limited liability partner-
36 ship, joint venture or association that in the aggregate owns five HAIL
37 licenses restricted to accessible vehicles issued or transferred pursu-
38 ant to this section and section seven of this act.

39 (d) HAIL licenses shall be issued for a fee in the amount of one thou-
40 sand five hundred dollars in the first issuance, three thousand dollars
41 in the second issuance and four thousand five hundred dollars in the
42 third issuance. A HAIL license shall be valid for three years prior to
43 renewal. The right to renewal shall be automatic, upon payment of a
44 renewal fee in an amount to be specified by the TLC, if the owner is in
45 good standing.

46 (e) The TLC may designate additional areas outside of Manhattan to be
47 included in the HAIL exclusionary zone, based upon the HAIL market anal-
48 ysis pursuant to section six of this act.

49 (f) Nothing in this section shall prohibit an owner of a for-hire
50 vehicle that is not a HAIL vehicle from accepting prearranged calls from
51 a for-hire vehicle base station established pursuant to section 19-511
52 of the administrative code of the city of New York from picking up
53 passengers by pre-arranged call inside the HAIL exclusionary zone,
54 provided that such owner is licensed to do so. Nothing in this section
55 shall prohibit the owner of a HAIL vehicle from accepting a pre-arranged

1 call from a for-hire base outside the HAIL exclusionary zone and at
2 airports.

3 (g) Nothing in this section shall prohibit an owner of a for-hire
4 vehicle who possesses a HAIL license from allowing a driver who meets
5 the TLC's designated standards to operate the vehicle and exercise the
6 privileges of the HAIL license. The TLC may by rule govern the equipment
7 of such vehicles, including but not limited to meters that calculate the
8 fares that may be charged for trips in such vehicles. The TLC may by
9 rule provide for the licensing of businesses which manufacture and
10 provide such equipment to the owners of HAIL vehicles and adopt penal-
11 ties for drivers who charge fares in excess of the approved rate of fare
12 or refuse to take passengers to any destination within the city of New
13 York provided that rules promulgated for the purposes of licensing shall
14 comply with chapter 45 of the charter of the city of New York and
15 provided further that the TLC shall, before revoking or suspending any
16 such license, provide such licensee notice and an opportunity for an
17 adjudication pursuant to section 1046 of the charter of the city of New
18 York.

19 (h) The city of New York, acting through the TLC, is hereby authorized
20 and empowered to take such actions as are necessary and desirable to
21 implement the provisions of this section and section nine of this act,
22 subject only to the procedures and limitations set forth in this act,
23 and shall not be required to engage in any review provided for by any
24 provision of law or make or obtain any determination not expressly
25 required by this act.

26 S 6. HAIL market analysis. Prior to the second issuance and third
27 issuance, the TLC shall prepare and submit (i) to the council of the
28 city of New York for its comments, (ii) for public comment, and (iii) to
29 the New York state department of transportation for its comments, a HAIL
30 market analysis examining HAIL vehicle rider demand, shortages, and the
31 need for adequate and affordable transportation, including an analysis
32 of (a) the need for additional HAIL licenses to meet rider demand, (b)
33 the adequacy of enforcement provisions governing HAIL licenses, (c) the
34 adequacy of the HAIL exclusionary zone, (d) the state of the market for
35 issuance or other transfer of such licenses, (e) the impact of such new
36 licensing on for-hire vehicle license owners, taxicab license owners and
37 other industry participants that have not obtained such license, (f) the
38 impact of additional license issuance on traffic safety and street
39 congestion within the city of New York, (g) the need for related statu-
40 tory or regulatory changes, (h) actions by the TLC on: (i) the promul-
41 gation of rules and regulations governing HAIL vehicles and the enforce-
42 ment of existing laws, rules and regulations governing for-hire
43 vehicles, taxicabs, HAIL vehicles and vehicles that operate without a
44 valid license issued by the TLC, (ii) the allocation of resources for
45 enforcement and (iii) deterring and punishing individuals who repeatedly
46 violate such laws, rules and regulations; and (i) implementation of the
47 HAIL license system and its integration into the New York city transit
48 system.

49 S 7. Transfer of the HAIL licenses. Subject to subdivision (c) of
50 section five of this act, each HAIL license issued by the TLC shall be
51 transferable to owners of for-hire vehicles licensed by the TLC or a
52 for-hire driver in good standing with the TLC.

53 S 8. Accessible taxicab license issuance. The city of New York may,
54 acting by the mayor alone, administratively authorize the TLC or its
55 successor agency to issue up to two thousand taxicab licenses in addi-
56 tion to those already issued, provided, however, that such taxicab

1 licenses shall be restricted to vehicles designated for the purpose of
2 transporting persons in wheelchairs or containing a physical device or
3 alteration designed to permit access to and enable the transportation of
4 persons in wheelchairs in accordance with the Americans with Disabili-
5 ties Act, provided further that such additional licenses shall be issued
6 by public sale and shall be fully transferable and provided further that
7 no more than four hundred of the taxicab licenses authorized to be
8 issued pursuant to this act may be issued until the Disabled Accessibil-
9 ity Plan is approved by the New York state department of transportation.
10 The TLC shall prescribe by regulation the procedures for the issuance
11 and public sale of such additional licenses, by public auction, sealed
12 bids or other competitive process. The authorization provided in this
13 section is conditioned upon the TLC making available for issuance the
14 licenses and permits authorized pursuant to section five of this act and
15 section 4 of chapter 602 of the laws of 2011 relating to livery permits
16 in the city of New York.

17 S 9. Promoting accessibility. (a) The TLC shall establish a program to
18 support the introduction of accessible vehicles into the HAIL vehicle
19 fleet by: (i) providing grants to purchasers of HAIL licenses
20 restricted to accessible vehicles as provided in subdivision (b) of this
21 section; or (ii) providing vehicles to purchasers of the HAIL licenses
22 restricted to accessible vehicles on affordable and financially feasible
23 terms.

24 (b) Purchasers of hail licenses restricted to accessible vehicles
25 issued pursuant to this act shall be eligible to apply for grants in an
26 amount up to fifteen thousand dollars, which shall be applied towards
27 the costs of: (i) purchasing an accessible vehicle for use as a HAIL
28 vehicle; or (ii) retrofitting a vehicle to be an accessible vehicle for
29 use as a HAIL vehicle. The total amount of such grants shall not exceed
30 fifty-four million dollars.

31 (c) The TLC may increase the amount of each grant by an amount it
32 deems necessary to encourage the availability of accessible vehicles.

33 (d) The TLC shall administer the program established pursuant to this
34 section and shall establish rules and regulations necessary to implement
35 the provisions of this section.

36 (e) All accessible vehicles shall be inspected at an inspection facil-
37 ity operated by the TLC not less than once every eight months, in
38 accordance with a procedure to be established by the TLC to ensure that
39 such vehicles are accessible vehicles. If any such vehicle fails to pass
40 its inspection for any reason relating to such standards, it shall be
41 reinspected. The TLC or any other agency authorized by law may conduct
42 on-street inspections of vehicles licensed pursuant to the provisions of
43 this act. The date of the inspection of such vehicle and the signature
44 of the persons making the inspection shall be recorded upon a certifi-
45 cate to be posted in each such vehicle. An owner shall be ordered by
46 the TLC to repair or replace his or her vehicle where it appears that it
47 is no longer an accessible vehicle. Upon failure of such owner to have
48 his or her vehicle inspected or to comply with any such order within ten
49 days after service thereof, the license shall be suspended; upon failure
50 of such owner to comply with any such order within one hundred twenty
51 days after service thereof, the license may, at the discretion of the
52 TLC, be deemed to have been abandoned by non-use.

53 S 10. Disabled accessibility plan. Not later than one year after the
54 initial issuance of HAIL vehicle licenses, the TLC shall prepare and
55 submit to the New York state department of transportation a comprehen-
56 sive plan (the "disabled accessibility plan") that:

1 (a) sets forth an accessibility plan that (i) will lead to meaningful
2 accessibility over a period of years for individuals with disabilities
3 to all taxicabs, for-hire vehicles and HAIL vehicles through a gradual
4 phase-in of accessible vehicles to the taxicab, for-hire vehicle and
5 HAIL vehicle transport system, (ii) makes accessible vehicles available
6 based on need within geographic areas of the city of New York by for-
7 hire vehicle base stations established pursuant to section 19-511 of the
8 administrative code of the city of New York and provides the method to
9 be used by the TLC to calculate such need and monitor availability and
10 (iii) may include alternate means of increasing marketability and
11 adequacy of incentives to purchase accessible licenses so that accessi-
12 bility requirements can be achieved;

13 (b) The disabled accessibility plan either shall contain a recommenda-
14 tion for the percentage of HAIL licenses issued in the second and third
15 issuances to be restricted to accessible vehicles, or if no recommenda-
16 tion is made, the required percentage of HAIL licenses restricted to
17 accessible vehicles set for the first issuance shall remain in effect
18 for the second and third issuances, and the TLC shall continue to
19 require that for every block of one thousand HAIL licenses issued, the
20 twenty percent requirement provided in subdivision (b) of section five
21 of this act must be met prior to the issuance of any additional HAIL
22 licenses.

23 (c) The disabled accessibility plan shall be prepared in consultation
24 and cooperation with disability rights advocates and other stakeholders
25 and shall be submitted to the council of the city of New York for its
26 comments, which comments shall be considered by the TLC prior to its
27 submission to the New York state department of transportation. The New
28 York state department of transportation may recommend changes or amend-
29 ments to the TLC as a condition of its approval and must approve or
30 reject the disabled accessibility plan within sixty days of submission
31 by the TLC. The city of New York, acting through the TLC, and the New
32 York state department of transportation are hereby authorized and
33 empowered to take such actions as are necessary and desirable to imple-
34 ment the provisions of this section, subject only to the procedures and
35 limitations set forth in this section, and shall not be required to
36 engage in any review provided for by any provision of law or make or
37 obtain any determination not expressly required by this act.

38 (d) The TLC shall not be permitted to issue more than four hundred of
39 the taxicab licenses authorized to be issued pursuant to this act until
40 this plan is approved by the New York state department of transporta-
41 tion. Upon such approval by such department, the issuance by the TLC of
42 more than four hundred taxicab licenses pursuant to this act shall not
43 be affected by the pendency, the final determination or other outcome of
44 any action or proceeding to which the New York state department of
45 transportation or its commissioner is a party that seeks to challenge or
46 invalidate the approved disabled accessibility plan or any portion ther-
47 eof.

48 S 11. Notwithstanding any of the foregoing it shall remain the exclu-
49 sive right of existing and future taxicabs licensed by the TLC as a
50 taxicab to pick up passengers via street hail in such areas of the city
51 of New York wherein HAIL license holders are prohibited from accepting
52 such passengers. All vehicles licensed by the TLC as taxicabs shall be
53 permitted to pick up passengers via street hail from any location within
54 the city of New York unless the pick-up of passengers is prohibited by
55 law. No driver of any for-hire vehicle shall accept a passenger within
56 the city of New York by means other than pre-arrangement with a base

1 unless said driver is operating either a (i) taxicab licensed by the TLC
2 with a medallion affixed thereto, or (ii) a vehicle with a valid HAIL
3 license and said passenger is hailing the vehicle from a location where
4 street hails of such vehicles are permitted.

23 this chapter or other law, there is hereby imposed on every taxicab
24 owner a tax of fifty cents per taxicab trip AND ON EVERY HAIL BASE A TAX
25 OF FIFTY CENTS PER HAIL VEHICLE TRIP PROVIDED BY EVERY HAIL VEHICLE
26 AFFILIATED WITH THE BASE, on every trip that originates in the city and
27 terminates anywhere within the territorial boundaries of the MCTD.

28 S 15. Section 1282 of the tax law, as amended by section 4 of part V
29 of chapter 57 of the laws of 2010, is amended to read as follows:

30 S 1282. Presumption of taxability. For the purpose of the proper
31 administration of this article and to prevent evasion of the tax imposed
32 by this article, it shall be presumed that every taxicab trip AND EVERY
33 HAIL VEHICLE TRIP that originates in the city is subject to the tax
34 imposed by this article. This presumption shall prevail until the
35 contrary is proven, and the burden of proving the contrary shall be on
36 the person liable for tax.

37 S 16. Section 1283 of the tax law, as amended by section 5 of part V
38 of chapter 57 of the laws of 2010, is amended to read as follows:

39 S 1283. Liability for tax; special provisions. Notwithstanding any
40 provision of law to the contrary: (a) The taxicab owner OR HAIL BASE, AS
41 THE CASE MAY BE, shall be liable for the tax imposed by this article.

42 (B) If the TAXICAB owner has designated an agent, then the agent shall
43 be jointly liable with the TAXICAB owner for the tax on trips occurring
44 during the period that such designation is in effect. Even if the TLC
45 has specified that the TAXICAB owner's agent cannot operate as an agent,
46 that agent shall be jointly liable with the TAXICAB owner if the agent
47 has acted for the TAXICAB owner. During the period that [an] A TAXICAB
48 owner's designation of an agent is in effect, the agent shall file the
49 returns required by this article and pay any tax due with such return,
50 but the TAXICAB owner shall not be relieved of liability for tax, penal-
51 ty or interest due under this article, or for the filing of returns
52 required to be filed, unless the agent has timely filed accurate returns
53 and timely paid the tax required to be paid under this article. If [an]
54 A TAXICAB owner has designated an agent, then the agent must perform any
55 act this article requires [an] THE TAXICAB owner to perform, but the
56 failure of such agent to perform any such act shall not relieve the

1 TAXICAB owner from the obligation to perform such act or from any
2 liability that may arise from failure to perform the act.

3 [(b)] (C) (1) Although the tax is imposed on the taxicab owner OR THE
4 HAIL BASE, the city or the TLC shall adopt or amend ordinances or regu-
5 lations to ensure that the economic incidence of the tax is passed
6 through to passengers, such as by increasing taxicab OR HAIL VEHICLE
7 trip fares. The passing along of such economic incidence may not be
8 construed by any court or administrative body as imposing the tax on any
9 person other than the taxicab owner OR THE HAIL BASE. The city or the
10 TLC must adjust trip fares to include therein the pass-through of the
11 economic incidence of the tax imposed by this article, as the rate of
12 such tax may from time to time change, and must timely require that any
13 taximeter in a taxicab OR HAIL VEHICLE used to provide trips that origi-
14 nate in the city be adjusted to include the pass-through.

15 (2) A taxicab owner OR A HAIL BASE OR HAIL VEHICLE OWNER in such city
16 must timely adjust the taximeter in any of such person's taxicabs OR
17 HAIL VEHICLES so that it reflects such pass-through as such pass-through
18 amount may from time to time change.

19 (3) Neither the failure of such city or the TLC to adjust fares nor
20 the failure of a taxicab owner, HAIL BASE, HAIL VEHICLE OWNER, or other
21 person to adjust a taximeter will relieve any person liable for the tax
22 imposed by this article from the obligation to pay such tax timely, at
23 the correct rate.

24 S 17. Section 1283 of the tax law, as amended by section sixteen of
25 this act, is amended by adding a new subdivision (d) to read as follows:

26 (D) NOTHING IN THIS ARTICLE SHALL BE CONSTRUED AS LIMITING THE IMPOSI-
27 TION OF ANY TAX IMPOSED BY ARTICLE TWENTY-EIGHT OF THIS CHAPTER ON
28 TRANSPORTATION SERVICE PROVIDED BY A HAIL BASE, HAIL VEHICLE, OR OWNER
29 OR OPERATOR OF A HAIL VEHICLE. NOR SHALL ANYTHING IN ARTICLE
30 TWENTY-EIGHT OF THIS CHAPTER BE CONSTRUED AS LIMITING THE IMPOSITION OF
31 ANY TAX IMPOSED BY THIS ARTICLE ON A HAIL VEHICLE TRIP OR AS LIMITING
32 THE OBLIGATION ON A HAIL BASE TO PAY SUCH TAX.

33 S 18. Subdivision (a) of section 1286 of the tax law, as amended by
34 section 8 of part V of chapter 57 of the laws of 2010, is amended to

36 (a) Every person liable for any tax imposed by this article shall
37 keep:

38 (1) records of every taxicab OR HAIL VEHICLE trip originating in the
39 city and of all amounts paid, charged or due thereon and of the tax
40 payable thereon, in such form as the commissioner may require;

41 (2) a true and complete copy of every contract, agreement, or arrange-
42 ment concerning the lease, rental, or license to use a taxicab for which
43 the person is required to remit the tax on trips imposed by this article
44 on such person;

45 (3) a true and complete copy of every contract, agreement, or arrange-
46 ment concerning the appointment of an agent;

47 (4) A TRUE AND COMPLETE COPY OF EVERY CONTRACT, AGREEMENT, OR ARRANGE-
48 MENT CONCERNING THE AFFILIATION OF A HAIL VEHICLE OR OF A HAIL VEHICLE
49 OWNER OR DRIVER WITH A HAIL BASE;

50 (5) true and complete copies of any records required to be kept by the
51 TLC; and

52 [(5)] (6) such other records and information as the commissioner may
53 require to perform his or her duties under this article.

54 S 19. Subdivision (b) of section 1286 of the tax law is relettered
55 subdivision (c) and a new subdivision (b) is added to read as follows:

1 (B) EVERY PERSON THAT HAS CONTRACTED WITH THE CITY OR TLC TO PROVIDE
2 SERVICES TO THE CITY, TO THE TLC, OR TO PERSONS LIABLE FOR TAX UNDER
3 THIS ARTICLE RELATING TO TAXIMETERS, TO ADMINISTERING TAXIMETERS OR TO
4 INFORMATION OBTAINED FROM TAXIMETERS AND EVERY PERSON THAT THE TLC HAS
5 AUTHORIZED TO OBTAIN OR POSSESS INFORMATION GENERATED BY TAXIMETERS
6 SHALL KEEP TRUE AND COMPLETE COPIES OF ALL METER INFORMATION.

7 S 20. Subdivision (b) of section 1287 of the tax law, as amended by
8 section 9 of part V of chapter 57 of the laws of 2010, is amended to
9 read as follows:

10 (b) Notwithstanding the provisions of subdivision (a) of this section,
11 the commissioner may, in his or her discretion, permit the proper offi-
12 cer of the city or the duly authorized representative of such officer,
13 to inspect any return filed under this article, or may furnish to such
14 officer or such officer's authorized representative an abstract of any
15 such return or supply such person with information concerning an item
16 contained in any such return, or disclosed by any investigation of tax
17 liability under this article; but such permission shall be granted or
18 such information furnished only if the city or the TLC shall have
19 furnished the commissioner with all information requested by the commis-
20 sioner pursuant to this article and shall have permitted the commission-
21 er or the commissioner's authorized representative to make any
22 inspection of any records or reports concerning taxicabs, taxicab
23 owners, [and] agents, HAIL VEHICLES, HAIL VEHICLE OWNERS, AND HAIL BASES
24 filed with or possessed by such city or the TLC which the commissioner
25 may have requested from such city or the TLC. Provided, further, that
26 the commissioner may disclose to the city or the TLC whether or not a
27 person liable for the tax imposed by this article has paid all of the
28 tax due under this article as of any given date.

29 S 21. Section 1289 of the tax law, as amended by section 10 of part V
30 of chapter 57 of the laws of 2010, is amended to read as follows:

31 S 1289. Cooperation by city. The city and the TLC shall cooperate with
32 and assist the commissioner to effect the purposes of this article and
33 the commissioner's responsibilities under this article. Such cooperation
34 shall include THE CITY OR TLC OBTAINING, furnishing [the], AND TIMELY
35 UPDATING CURRENT, COMPLETE AND ACCURATE names, addresses and all other
36 information concerning every (1) taxicab owner, operator, and driver of
37 taxicabs in the city, [and concerning every] (2) agent and vehicle
38 owner, AND (3) HAIL BASE, HAIL VEHICLE OWNER, HAIL VEHICLE, AND DRIVER
39 OF A HAIL VEHICLE, and the trip records and other records of any of
40 them, in the city's possession or in the possession of any of its agen-
41 cies [or], instrumentalities, AGENTS, CONTRACTORS, OR ANY OTHER PERSON
42 THE TLC HAS AUTHORIZED OR REQUIRED TO OBTAIN OR POSSESS SUCH RECORDS OR
43 INFORMATION, together with any other information the commissioner
44 requests, all IN A FORMAT PRESCRIBED BY, AND without cost to, the
45 commissioner. THE TLC SHALL ALSO FURNISH, OR CAUSE TO BE FURNISHED, IN A
46 FORMAT PRESCRIBED BY THE COMMISSIONER, ANY RECORDS OR INFORMATION IN THE
47 POSSESSION OF THE TLC, ANY AGENT OR CONTRACTOR OF THE CITY OR THE TLC,
48 OR ANY OTHER PERSON THE TLC HAS AUTHORIZED OR REQUIRED TO OBTAIN OR
49 POSSESS SUCH RECORDS OR INFORMATION, CONCERNING THE PERSONS LIABLE FOR
50 THE TAX IMPOSED BY THIS ARTICLE, INCLUDING, AMONG OTHER THINGS, DETAILED

52 ASSIGNING IDENTIFYING NUMBERS AND OTHER IDENTIFYING INDICIA TO HAIL
53 BASES, HAIL VEHICLE OWNERS, HAIL VEHICLES, AND DRIVERS OF HAIL VEHICLES

56 THE TAX IMPOSED BY THIS ARTICLE.

34 a proceeding commenced in accordance with subdivision e of this section,
35 or the criminal court, as provided in this section, shall determine
36 whether a vehicle seized pursuant to this subdivision was operated or
37 offered to be operated in violation of either such subdivision. The
38 commission shall have the power to promulgate regulations concerning the
39 seizure and release of vehicles and may provide in such regulations for
40 reasonable fees for the removal and storage of such vehicles. Unless the
41 charge of violating subdivision b [or], c OR K of this section is
42 dismissed, no vehicle seized pursuant to this subdivision shall be
43 released until all fees for removal and storage and the applicable fine
44 or civil penalty have been paid or a bond has been posted in a form and
45 amount satisfactory to the commission, except as is otherwise provided
46 for vehicles subject to forfeiture pursuant to paragraph two of this
47 subdivision.

48 (2) In addition to any other penalties provided in this section, if
49 the owner is convicted in the criminal court of, or found liable in

53 section and within a thirty-six month period, the interest of such owner
54 in any vehicle used in the commission of any such third or subsequent
55 violation shall be subject to forfeiture upon notice and judicial deter-

1 be in accordance with the provisions of the civil practice law and
2 rules.

3 (4) Notwithstanding the provisions of paragraph three of this subdivi-

5 to delivery of a vehicle if the city establishes in the forfeiture
6 proceeding or in a separate administrative adjudication of a claim
7 asserted pursuant to subparagraph [C] (C) of paragraph three of this
8 subdivision that the violations of subdivision b [or], c OR K of this
9 section upon which the forfeiture is predicated were expressly or
10 impliedly permitted by such person. The commission OR SUCCESSOR AGENCY
11 shall promulgate rules and regulations setting forth the procedure for
12 such an administrative adjudication, which shall include provision for a

14 S 27. Section 19-512.1 of the administrative code of the city of New
15 York, as added by local law number 20 of the city of New York for the

17 city of New York for the year 2008, is amended to read as follows:

18 S 19-512.1 Revocation of taxicab, FOR-HIRE OR HAIL LICENSE OR

21 or safety and prior to giving notice and an opportunity for a hearing,
22 suspend a taxicab [or], for-hire vehicle license OR A HAIL LICENSE
23 issued pursuant to this chapter and, after notice and an opportunity for
24 a hearing, suspend or revoke such license. The commission OR SUCCESSOR
25 AGENCY may also, without having suspended a taxicab [or], for-hire vehi-
26 cle license OR A HAIL LICENSE, issue a determination to seek suspension
27 or revocation of such license and after notice and an opportunity for a
28 hearing, suspend or revoke such license. Notice of such suspension or

30 sion or revocation of a taxicab [or], for-hire vehicle license OR A HAIL
31 LICENSE shall be served on the licensee by personal delivery or by
32 certified and regular mail within five calendar days of the pre-hearing
33 suspension or of such determination. The licensee shall have an opportu-
34 nity to request a hearing before an administrative tribunal of competent
35 jurisdiction within ten calendar days after receipt of any such notifi-
36 cation. Upon request such hearing shall be scheduled within ten calendar
37 days, unless the commission OR SUCCESSOR AGENCY or other administrative
38 tribunal of competent jurisdiction determines that such hearing would be
39 prejudicial to an ongoing criminal or civil investigation. If the tenth
40 day falls on a Saturday, Sunday or holiday, the hearing may be held on
41 the next business day. A decision shall be made with respect to any such
42 proceeding within sixty calendar days after the close of the hearing. In
43 the event such decision is not made within that time period, the license
44 or medallion which is the subject of the proceeding shall be returned by
45 the commission OR SUCCESSOR AGENCY to the licensee and deemed to be in
46 full force and effect until such determination is made, unless the
47 commission OR SUCCESSOR AGENCY or other administrative tribunal of
48 competent jurisdiction determines that the issuance of such determi-
49 nation would be prejudicial to an ongoing criminal or civil investi-
50 gation.

51 b. It shall be an affirmative defense that the holder of the taxicab
52 [or], for-hire vehicle license OR A HAIL LICENSE or the owner of the
53 taxicab [or], for-hire vehicle OR HAIL VEHICLE has (1) exercised due
54 diligence in the inspection, management and/or operation of the taxicab
55 [or], for-hire vehicle OR HAIL VEHICLE and (2) did not know or have
56 reason to know of the acts of any other person with respect to that

1 taxicab [or] LICENSE, for-hire vehicle license OR A HAIL LICENSE or
2 taxicab [or], for-hire vehicle OR HAIL VEHICLE upon which a suspension,
3 proposed suspension or proposed revocation is based. With respect to
4 any violation arising from taximeter tampering, an owner's due diligence
5 shall include, but not be limited to, those actions set forth in subdivi-
6 sion h of section 19-507.1 of this chapter. Any pre-hearing suspen-
7 sion period shall be counted towards any suspension period made in any
8 final determination.

10 the city of New York, as amended by local law number 88 of the city of
11 New York for the year 1989, is amended to read as follows:

29 S 29. Subdivision a of section 19-516 of the administrative code of
30 the city of New York, as amended by local law number 115 of the city of
31 New York for the year 1993, is amended to read as follows:

32 a. For-hire vehicles THAT DO NOT POSSESS A VALID HAIL LICENSE may
33 accept passengers only on the basis of telephone contract or prearrange-
34 ment. The commission OR SUCCESSOR AGENCY may establish such disciplinary
35 actions as it deems appropriate for failure to abide by the provisions
36 of this chapter.

37 S 30. If any of the provisions of chapter 602 of the laws of 2011
38 relating to livery permits in the city of New York shall conflict with
39 provisions of this act, the provisions set forth in this act shall
40 control.

41 S 31. This act shall take effect immediately; provided, however, that
42 sections two and three of this act shall take effect on the same date
43 and in the same manner as chapter 602 of the laws of 2011 relating to
44 livery permits in the city of New York, took effect, and provided
45 further that sections twelve through twenty-two of this act shall take
46 effect February 15, 2012, but only if the commissioner of taxation and

51 effective February 15, 2012, the TLC has authorized for-hire vehicles to
52 operate as HAIL vehicles to accept hails in the street, or, if the
53 commissioner of taxation and finance has not received such notice,
54 mailed in accordance with this section, from the TLC or successor agency
55 by January 15, 2012, then sections twelve through twenty-two of this act
56 shall take effect on the first day of the first month next commencing at

1 least 20 days after the commissioner of taxation and finance has
2 received written notice, sent by certified or registered mail to the
3 office of the commissioner of taxation and finance in Albany, from the
4 chair/commissioner or counsel of the TLC or successor agency that the
5 TLC or successor agency has authorized for-hire vehicles to operate as
6 HAIL vehicles to accept hails in the street; provided that the commis-
7 sioner of taxation and finance shall notify the legislative bill draft-
8 ing commission upon receipt of written notification from the
9 chair/commissioner or counsel of the TLC or successor agency that the
10 TLC or successor agency has authorized for-hire vehicles permitted as
11 HAIL vehicles to accept hails on the street in order that the legisla-
12 tive bill drafting commission may maintain an accurate and timely data
13 base of the official text of the laws of the state of New York in furth-
14 erance of effecting the provisions of section 44 of the legislative law
15 and section 70-b of the public officers law; and sections twelve through
