AN ACT authorizing the New York state division of housing and community renewal to study state and locally aided housing programs and make recommendations for the preservation, modernization, and increase in the supply of such housing; to amend the private housing finance law, in relation to providing a moratorium on the voluntary dissolution of limited profit, limited dividend and redevelopment housing companies; and providing for the repeal of certain provisions upon the expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. New York state and its localities have invested for more
2 than a half century in the creation of low and middle income housing to
3 benefit those most in need and to the general benefit of state and local
4 economies. In many cases such housing has fallen into disrepair or is
5 being lost as affordable housing due to statutory provisions allowing
6 owners to dissolve housing companies. The unmet need for affordable
7 housing is presently greater than at any time in the state's history. A
8 temporary moratorium on the dissolution of any housing company is neces-
9 sary for the New York state division of housing and community renewal to
10 complete its work and make recommendations.
11 S 2. The division of housing and community renewal shall undertake a
12 comprehensive study of the present status of state and locally aided low
13 and middle income housing programs and make recommendations with respect
14 to the preservation, modernization, and expansion of the number of hous-
15 ing units provided by such programs. Such recommendations shall include,

5 ing is designed to serve.

6 S 3. The division of housing and community renewal shall make a report
7 to the governor and the legislature of its findings, conclusions and
8 recommendations no later than one year after the effective date of this
9 act and shall submit with its report such legislative proposals as it
10 deems necessary to implement its recommendations.

11 S 4. To the maximum extent feasible, the division of housing and
12 community renewal shall be entitled to request and receive and shall
13 utilize and be provided with such facilities, resources and data of any

15 state or any political subdivision thereof as it may reasonably request
16 to carry out properly its responsibilities pursuant to this act.

37 and/or repeal of any rule or regulation necessary for the implementation
