tional sentence shall not be imposed if the court, having regard to the nature and circumstances of the crime and to the history and character of the defendant, finds on the record that such additional consecutive sentence would be unduly harsh and that not imposing such sentence would be consistent with the public safety and would not deprecate the seriousness of the crime. Notwithstanding any other provision of law to the contrary, the aggregate of the five year consecutive term imposed pursuant to this subdivision and the minimum term of the [indeterminate] sentence imposed on the underlying [class B violent] felony shall constitute the new aggregate minimum term of imprisonment, and a person subject to such term shall be required to serve the entire aggregate minimum term and shall not be eligible for release on parole or conditional release during such term. This subdivision shall not apply where the defendant's criminal liability for displaying a loaded weapon from which a shot, readily capable of producing death or other serious injury may be discharged, in furtherance of the commission of crime is based on the conduct of another pursuant to section 20.00 of [the penal law] THIS CHAPTER.
