AN ACT to amend the executive law, in relation to creating and authorizing the presentation of the "civilian medal of valor"; and to amend the state finance law, in relation to establishing the "civilian medal of valor fund"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Legislative intent. The legislature hereby finds that the  
2     terrorist attacks on the World Trade Towers on the morning of September  
3     11, 2001 have forever changed the lives of all residents of New York  
4     state, the United States of America and all other countries of the  
5     world. These cowardly and barbaric acts have deprived thousands upon  
6     thousands of citizens and individuals throughout the world of their  
7     loved ones, and the comfort, support and the security of knowing that  
8     they live in a safe place. Today, thousands of United States military  
9     personnel are risking their lives and personal safety, and are separated  
10    from their family members so that they may protect the citizens of our  
11    great nation and to attempt to bring the masterminds behind the cowardly  
12    events of September eleventh to justice. The laws of this state and  
13    country already provide for various awards, medals and decorations for  
14    military personnel who in the service of our country, or in the service  
15    of the organized militia of this state have displayed conspicuous acts  
16    of valor, heroism, courage or gallantry, either in their military capac-  
17    ities or in a civilian capacity. These medals, decorations and honors  
18    include a conspicuous service cross that is presented in the name of the  
19    legislature of the state by the governor. The events of September elev-  
20    enth brought about untold numbers of heroic acts and deeds by so many of

1 the public servants of the state, including firefighters and police  
2 officers of the city of New York and police officers of the port author-  
3 ity of New York and New Jersey as well as ordinary citizens who risked  
4 their lives and personal safety to aid and assist others during these  
5 events, and the carnage and destruction that immediately followed. In  
6 the months and years ahead, the citizens of this state are likely to  
7 encounter other and further acts of terrorism that will affect their  
8 safety and well being. Events such as the September eleventh terrorist  
9 attacks brought out the true nature of the citizens of this great state.  
10 In a time of extreme crisis and need, hundreds and thousands of New  
11 Yorkers risked life, limb and safety to assist others in similar need  
12 and distress. Countless others toiled tirelessly in food banks, blood  
13 banks and charitable organizations throughout all of New York. It is the  
14 intent of this act to honor the "ordinary citizens" of New York that  
15 perform unselfish, courageous acts of gallantry that are worthy of  
16 special recognition and honor by the legislature, the governor and all  
17 of the citizens of the state. While no action can truly recognize or  
18 repay these civilian heroes for their selfless acts of courage and  
19 heroism, the legislature finds and determines that it is appropriate to  
20 create, pursuant to the terms of this act, the "civilian medal of  
21 valor". The civilian medal of valor shall be awarded, in the name of the  
22 grateful residents of the state of New York, to the residents of this  
23 state that have, either, already displayed a conspicuous act of heroism  
24 or courage in assisting other residents of New York, as well as, the  
25 residents of other countries, or that may do so in the future.
