Introduced by Sen. HASSELL-THOMPSON -- read twice and ordered printed, and when printed to be committed to the Committee on Finance

AN ACT to amend the education law, in relation to authorizing enrollment grants to increase the participation and retention in medical education programs of New York state residents from groups historically underrepresented and making an appropriation therefor

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings and purpose. The legislature hereby finds and declares that individuals from certain minority groups, primarily Blacks, Hispanics and Native Americans, have been historically underrepresented in medical education programs and, as a consequence, in the medical profession. A vast human resource remains largely untapped at a time when medical services in urban areas are inadequate and the urban poor continue to be underserved.

The medical schools of the state have not been successful in attracting the available qualified minority candidates, and in some instances have fallen below national averages and comparable states in enrollment of minorities. Medical schools have repeatedly cited the lack of adequate resources as being a major obstacle in their attempts to attract and retain larger numbers of qualified minority students.

The legislature therefore declares that a modified program of capitation assistance is needed for the purpose of expanding opportunities to underrepresented minority students to participate in medical education programs leading to licensure and a career in the medical profession.

S 2. The education law is amended by adding a new section 6402-a to read as follows:

S 6402-A. MINORITY ENROLLMENT GRANTS TO MEDICAL SCHOOLS. 1. THE COMMISSIONER SHALL ANNUALLY APPORTION TO EACH NON-PUBLIC INSTITUTION OF HIGHER EDUCATION OFFERING AN APPROVED PROGRAM IN MEDICINE AN ADDITIONAL ENROLLMENT GRANT FOR THE PURPOSE OF EXPANDING EDUCATIONAL OPPORTUNITIES

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [ ] is old law to be omitted.
