15 S 203. Deputies; employees. (a) The superintendent shall appoint a

47 this chapter, and may, from time to time, consolidate or abolish such
48 divisions, bureaus or other units within the department. Notwithstanding
49 any inconsistent provision of law, the superintendent may determine the
50 official functions of each division, bureau, or other unit within the
51 department. There shall be a head of each bureau, division or other unit
52 to be appointed by the superintendent, who shall serve at the pleasure

16 federally chartered institutions to convert to a state charter and

18 advisory board who shall be appointed by the superintendent. The member-
19 ship shall consist of: (a) one representative of credit unions, (b) one
20 representative of consumers, (c) one representative of foreign banks;
21 and (d) representatives of banks which, to the extent practicable,
22 reflect a range of size and geographical location, provided, however,
23 that at least one shall represent institutions of more than three
24 billion dollars in assets; at least two shall represent institutions of
25 less than five hundred million dollars in assets. The superintendent
26 shall make rules to govern the method by which state chartered insti-

36 advisory board shall receive no compensation nor reimbursement for

48 and the amendment or repeal thereof; and

49 (5) report within thirty days after receipt, on any proposed regu-
50 lations, amendments thereto, or repeal thereof, prior to final action
51 thereon by the superintendent.

52 The advisory board shall have no executive, administrative or appoin-
53 tive powers or duties.

54 S 206. Assessments to defray operating expenses of the department.

55 (a) For each fiscal year commencing on or after April first, two thou-
56 sand twelve, assessments to defray operating expenses, including all

1 direct and indirect costs, of the department, except expenses incurred
2 in the liquidation of banking organizations, shall be assessed by the
3 superintendent in accordance with this subsection. Persons regulated
4 under the insurance law shall be assessed by the superintendent for the
5 operating expenses of the department that are solely attributable to
6 regulating persons under the insurance law, which shall include any
7 expenses that were permissible to be assessed in fiscal year two thou-
8 sand nine-hundred twenty, with the assessments allocated pro rata upon
9 all domestic insurers and all licensed United States branches of alien
10 insurers domiciled in this state within the meaning of paragraph four of
11 subsection (b) of section seven thousand four hundred eight of the
12 insurance law, in proportion to the gross direct premiums and other
13 considerations, written or received by them in this state during the
14 calendar year ending December thirty-first immediately preceding the end
15 of the fiscal year for which the assessment is made (less return premi-
16 ums and considerations thereon) for policies or contracts of insurance
17 covering property or risks resident or located in this state the issu-
18 ance of which policies or contracts requires a license from the super-
19 intendent. Persons regulated under the banking law shall be assessed by
20 the superintendent for the operating expenses of the department that are
21 solely attributable to regulating persons under the banking law in such
22 proportions as the superintendent shall deem just and reasonable. Oper-
23 ating expenses of the department not covered by the assessments set
24 forth above shall be assessed by the superintendent in such proportions
25 as the superintendent shall deem just and reasonable upon all domestic
26 insurers and all licensed United States branches of alien insurers domi-
27 ciled in this state within the meaning of paragraph four of subsection
28 (b) of section seven thousand four hundred eight of the insurance law,
29 and upon any regulated person under the banking law, other than mortgage
30 loan originators, except as otherwise provided by sections one hundred
31 fifty-one and two hundred twenty-eight of the workers' compensation law
32 and by section sixty of the volunteer firefighters' benefit law. The
33 provisions of this subsection shall not be applicable to a bank holding
34 company, as that term is defined in article three-A of the banking law.
35 Persons regulated under the banking law will not be assessed for
36 expenses that the superintendent deems to benefit solely persons regu-
37 lated under the insurance law, and persons regulated under the insurance
38 law will not be assessed for expenses that the superintendent deems to
39 benefit solely persons regulated under the banking law.

40 (b) For each fiscal year commencing on or after April first, two thou-
41 sand twelve, a partial payment shall be made by each entity subject to
42 this section in a sum equal to twenty-five per centum, or such other per
43 centum or per centums as the superintendent may prescribe, of the annual
44 expenses assessed upon it for the fiscal year as estimated by the super-
45 intendent. Such payment shall be made on March tenth of the preceding
46 fiscal year and on June tenth, September tenth and December tenth of
47 each year, or at such other dates as the superintendent may prescribe.
48 The balance of assessments for the fiscal year shall be paid upon deter-
49 mination of the actual amount due in accordance with the provisions of
50 this section. Any overpayment of annual assessment resulting from
51 complying with the requirements of this subsection shall be applied
52 against the next estimated quarterly assessment, if less than or equal
53 to such amount, with any excess refunded to the assessed. As an alterna-
54 tive, if the estimated annual assessment for the fiscal year is equal to
55 or less than the annual minimum assessment set by the superintendent,
56 the superintendent may require full payment to be made on or before

1 September thirtieth or such other date of the fiscal year as the super-
2 intendent may determine.

3 (c) The expenses incurred in making examinations of, or for special
4 services performed on account of, any bank holding company, as that term
5 is defined in the banking law, or any regulated person under the banking
6 law, shall be assessed provided, however, that the superintendent, in
7 the superintendent's sole discretion, may determine, with respect to
8 expenses incurred in the making of any specific examination or investi-
9 gation, or the performing of any special services, that any such expense
10 shall be assessed against and paid by the bank holding company or any
11 other regulated person under the banking law for which they were
12 incurred or performed.

13 (d) The expenses incurred in making an examination of any affiliate of
14 a banking organization pursuant to the banking law, and the expenses
15 incurred in making an examination, pursuant to the banking law, of a
16 non-banking subsidiary of a corporation or any other entity that is an
17 affiliate of a banking organization, shall be assessed against and paid
18 by such banking organization if the affiliate cannot be assessed pursu-
19 ant to the provisions of the banking law.

20 (e) The superintendent may, in the superintendent's sole discretion,
21 upon notice, suspend the license, registration, certificate or authority
22 (for purposes of this section, a license) granted to any person pursuant
23 to this chapter, the banking law or insurance law, upon the failure of
24 such person to make any payment required by this section within thirty
25 days after the due date. If the superintendent has suspended any such
26 license, such license may be reinstated if the superintendent determines
27 that such person has made any such payments within ninety days after the
28 date of such notice of suspension. Otherwise, unless the superinten-
29 dent, in the superintendent's sole discretion, has extended such suspen-
30 sion, the license of such person shall be deemed to be automatically
31 terminated by operation of law at the close of business on such nineti-
32 eth day.

33 (f) (1) The expenses of every examination of the affairs of any regu-
34 lated person subject to the insurance law, including an appraisal of
35 such regulated person's real property or of any real property on which
36 such regulated person holds a mortgage, made pursuant to the authority
37 conferred by any provision of this chapter, the insurance law or the
38 banking law, shall be borne and paid by the regulated person so exam-
39 ined, but the superintendent, with the approval of the comptroller, may
40 in the superintendent's discretion for good cause shown remit such
41 charges.

42 (2) (A) For any such examination by the superintendent or a deputy
43 superintendent personally, the charge made shall be only for necessary
44 traveling expenses and other actual expenses. In all other cases, the
45 expenses of examination shall also include reimbursement for the compen-
46 sation paid for the services of persons employed by the superintendent
47 or by the superintendent's authority to make such examination or
48 appraisal.

49 (B) Notwithstanding any provisions of this section to the contrary, in
50 case of an examination or appraisal of a domestic insurer made within
51 this state, the traveling and living expense of the person or persons
52 making the examination shall be considered a cost of operation, as
53 referred to in section three hundred thirty-two of the insurance law and
54 not an expense of examination.

55 (3) All charges, including necessary traveling and other actual
56 expenses, except as hereinabove provided, as audited by the comptroller

1 and paid on the comptroller's warrant in the usual manner by the comp-
2 troller to the person or persons making the examination or appraisal,
3 shall be presented to the insurer, or other person whose duty it is to
4 pay the same, in the form of a copy of the itemized bill therefor as
5 certified and approved by the superintendent or by any deputy super-
6 intendent or authorized employee of the department. Upon receiving such
7 certified copy the insurer or other person whose duty it is to pay such
8 charges shall pay the amount thereof to the superintendent, to be paid
9 by the superintendent into the state treasury.

5 prevention of insurance fraud.

6 S 302. Regulations by superintendent. (a) The superintendent shall
7 have the power to prescribe and from time to time withdraw or amend, in
8 writing, rules and regulations and issue orders and guidance involving
9 financial products and services, not inconsistent with the provisions of
10 this chapter, the banking law, the insurance law and any other law in
11 which the superintendent is given authority:

12 (1) effectuating any power given to the superintendent under the
13 provisions of this chapter, the insurance law, the banking law, or any
14 other law to prescribe forms or make regulations;

15 (2) interpreting the provisions of this chapter, the insurance law,
16 the banking law, or any other applicable law; and

17 (3) governing the procedures to be followed in the practice of the
18 department.

19 (b) The superintendent may promulgate a list of financial products and
20 services excluded from regulation by the superintendent, provided that
21 such exclusion shall not limit in any way the ability of the superinten-
22 dent to take any actions with respect to fraud provided for in this
23 chapter, the insurance law, the banking law or any other applicable law.

24 S 303. Orders of superintendent; when writing required. Whenever by
25 any provision of this chapter, the insurance law, the banking law or any
26 other applicable law the superintendent is authorized to grant any
27 approval, authorization or permission or to make any other order or
28 determination affecting any person subject to the provisions of this
29 chapter, the insurance law, the banking law or any other law, such order
30 or determination shall not be effective unless made in writing and
31 signed by the superintendent or by the superintendent's authority.

32 S 304. Notice; how given. (a) (1) Except when other notice is required
33 by law, whenever the provisions of this chapter, the insurance law, the
34 banking law or any other applicable law require the superintendent to
35 give notice to any person of any authorized action or proposed action,
36 it shall be sufficient to give such notice in writing either by deliver-
37 ing it to such person or by depositing the same in the United States
38 mail, postage prepaid, registered or certified, and addressed to the
39 last known place of business of such person or if no such address is
40 known to the superintendent, then to the residence address of such
41 person.

42 (2) Such notice shall refer to the provisions of this chapter, the
43 insurance law, the banking law or any other applicable law pursuant to
44 which the authorized action was taken or is proposed to be taken and the
45 grounds therefor, but failure to make such reference shall not render
46 the notice ineffective if the person to whom it is addressed is thereby
47 or otherwise reasonably apprised of such grounds.

48 (3) If the person being notified is entitled to a hearing by the
49 provisions of this chapter, the banking law, the insurance law or any
50 other law, the notice of proposed action may specify that such proposed
51 action may be considered, or when authorized, taken on a date specified
52 in the notice unless such person shall notify the superintendent in
53 writing that a hearing is demanded; in such case the superintendent
54 shall give such person a further notice of the time and place of such
55 hearing in the manner stated in this paragraph, and to the address spec-
56 ified by such person if provided.

(b) Whenever the provisions of this chapter, the insurance law, the banking law, or any other law require the superintendent to give to any person a hearing on any proposed action, it shall be sufficient compliance with such requirement if the superintendent gives to such person:

(1) notice of the time and the place at which an opportunity for hearing will be afforded, and

(2) an opportunity for hearing, if the person appears at the time and place specified in the notice or any adjourned date.

(c) Any hearing of which such notice is given may be adjourned from time to time without other notice than the announcement thereof at such hearing.

(d) Whenever any person is entitled to a hearing by the provisions of this chapter, the insurance law, the banking law, or any other law before any proposed action is taken, the notice of such proposed action may, if the superintendent deems it expedient, be in the form of a notice to show cause stating that such proposed action may be taken unless such person shows cause at a hearing to be held at a time and place specified in such notice, why such proposed action should not be taken.

(e) The statement of any regular salaried employee of the department of financial services, subscribed and affirmed by such employee as true under the penalties of perjury, stating facts which show that any notice referred to in this section has been delivered or mailed as hereinbefore provided, shall be presumptive evidence that such notice has been duly delivered or mailed, as the case may be.

S 304-a. Actions of the department subject to the state administrative procedure act. Unless otherwise specifically exempted in this chapter, all rule making and adjudicatory proceedings shall be made in accordance and consistent with the provisions of the state administrative procedure act.

S 305. Hearings; conduct; findings and report. (a) Unless otherwise provided in this chapter, the banking law, the insurance law or any other law, any hearing pursuant to any such law may be held before the superintendent, any deputy superintendent, or any designated salaried employee of the department authorized by the superintendent for such purpose. Any adjudicatory proceeding, including any hearings to assess civil penalties under section four hundred eight of this chapter, held pursuant to the provisions of this chapter, the insurance law or the banking law shall be noticed, conducted and administered in compliance with the state administrative procedure act.

(b) The person conducting such hearing shall have power to administer oaths, examine and cross-examine witnesses and receive documentary evidence, and shall report his or her findings, orally or in writing, to the superintendent with or without recommendation. Such report, if adopted by the superintendent may be the basis of any determination made by the superintendent. One hundred twenty days after the effective date of a determination of liability for a civil penalty pursuant to section four hundred eight of this chapter or four hundred three, one thousand one hundred two, two thousand one hundred two, two thousand one hundred seventeen, two thousand one hundred thirty-three or seven thousand eight hundred sixteen of the insurance law, such determination of liability for a civil penalty may be entered as a judgment and enforced, without court proceedings, in the same manner as the enforcement of a money judgment in civil actions in any court of competent jurisdiction or any other place provided for the entry of civil judgment within this state.

1 (c) Every such hearing, except for hearings under the banking law,
2 shall be open to the public unless the superintendent or the person
3 authorized by the superintendent to conduct such hearing, shall deter-
4 mine that a private hearing would be in the public interest, in which
5 case the hearing shall be private. Hearings under the banking law shall
6 be as provided for in the banking law.

7 (d) Every person affected shall be allowed to be present during the
8 giving of all the testimony, and shall be allowed a reasonable opportu-
9 nity to inspect all adverse documentary proof, to examine and cross-exa-
10 mine witnesses, and to present proof in support of the person's inter-
11 est.

12 (e) Nothing herein contained shall require the observance at any such
13 hearing of formal rules of pleading or evidence.

14 S 306. Attendance of witnesses; production of documents and records.

15 (a) The superintendent or the person authorized by the superintendent to
16 conduct a hearing or investigation shall have power to subpoena
17 witnesses, compel the attendance of witnesses, administer oaths, examine
18 any person under oath, and to compel any person to subscribe to his or
19 her testimony after it has been correctly reduced to writing, and in
20 connection therewith to require the production of any books, papers,
21 records, correspondence or other documents which the superintendent
22 deems relevant to the inquiry. A subpoena issued under this section
23 shall be regulated by the civil practice law and rules.

24 (b) No person subject to the provisions of this chapter, the insurance
25 law or the banking law whose conduct, condition or practices are being
26 investigated, and no officer, director or employee of any such person,
27 shall be entitled to witness or mileage fees.

28 (c) In addition to the liabilities and punishment prescribed by the
29 civil practice law and rules, any person who, without just cause fails
30 or refuses to attend and testify or to answer any lawful inquiry or to
31 produce any books, papers or records in obedience to a subpoena issued
32 by the superintendent shall be guilty of a misdemeanor.

33 (d) Every regulated person under this chapter, the insurance law or
34 the banking law who is given a notice of hearing pursuant to this chap-
35 ter shall upon the service of a notice to produce books and records,
36 when attached to the notice of hearing or mailed subsequently thereto in
37 the same manner as the notice of hearing, pursuant to such notice,
38 produce at the hearing the books, records and documents enumerated ther-
39 ein.

40 S 307. Intentionally omitted.

41 S 308. Judicial review of orders, regulations and decisions of super-
42 intendent. (a) Notwithstanding the specific enumerations of the right to
43 judicial review in this chapter, the insurance law or the banking law,
44 any order, regulation or decision of the superintendent is declared to
45 be subject to judicial review in a proceeding under article seventy-
46 eight of the civil practice law and rules, provided that nothing in this
47 section or article seventy-eight of the civil practice law and rules
48 shall affect the time period provided in the banking law or the insur-
49 ance law for commencing such proceeding.

50 (b) Except as provided in section two thousand one hundred twenty-four
51 of the insurance law, the commencement of such proceeding shall not
52 affect the enforcement or validity of the superintendent's order, regu-
53 lation or decision under review unless the court shall determine, after
54 a preliminary hearing of which the superintendent is notified at least
55 forty-eight hours in advance, that a stay of enforcement pending the
56 proceeding or until further direction of the court will not unduly

1 injure the interests of the people of the state, in which case a stay of
2 execution may be granted.

3 S 309. Injunction to restrain violation of this chapter. (a) In addi-
4 tion to such other remedies as are provided under this chapter, the
5 superintendent may maintain and prosecute an action against any person
6 subject to this chapter, the insurance law or the banking law, or the
7 person's officers, directors, trustees or agents, for the purpose of
8 obtaining an injunction restraining such person or persons from doing
9 any acts in violation of the provisions of this chapter, the insurance
10 law or the banking law.

11 (b) In such action if the court finds that a defendant is threatening
12 or is likely to do any act in violation of this chapter, the insurance
13 law or the banking law and that such violation will cause irreparable
14 injury to the interests of the people of this state, the court may grant
15 an injunction restraining such violation. The court may on motion and
16 affidavits grant a preliminary injunction and interlocutory injunction,
17 upon such terms as may be just; but the superintendent shall not be
18 required to give security before the issuance of any such injunction.

19 S 310. Certificates as evidence; affirmation of documents and testimo-
20 ny. (a) Every certificate, assignment, conveyance or other paper
21 executed by the superintendent or one of the superintendent's deputies
22 pursuant to law and sealed with the official seal of the department
23 shall be received as evidence in any judicial or other proceeding and
24 may be recorded in the proper recording offices.

25 (b) Any charter, or any certificate or other instrument supplemental
26 to or amendatory of the charter, of any regulated person filed in the
27 office of the superintendent and containing statements of fact required
28 or permitted by law to be contained therein, shall be received in all
29 courts, public offices and official bodies as prima facie evidence of
30 such facts and of the execution of such instrument.

31 (c) Whenever by the laws of any jurisdiction other than this state,
32 any certificate by any officer in such jurisdiction or a copy of any
33 instruments certified or exemplified by any such officer, may be
34 received as prima facie evidence of the incorporation, existence or
35 capacity of any corporation incorporated in such jurisdiction, or claim-

40 copy of such instrument shall be so received, without being exemplified,
41 if it is certified by the secretary of state, or official performing the
42 equivalent function as to corporate records of such jurisdiction.

43 (d) Notwithstanding any provision of this chapter, the insurance law
44 or the banking law requiring an oath as to the proof of a document or
45 the truth of testimony, the affiant may, if the affiant's religious
46 beliefs cause the affiant to object to giving an oath, affirm the docu-
47 ment or the affiant's testimony.

11 order to more thoroughly uncover, investigate and eliminate the myriad
12 financial frauds that may be perpetrated in, and may involve the people
13 of, New York state, the legislature finds that it is appropriate that
14 the responsibilities of the insurance frauds bureau and the criminal
15 investigations bureau that were administered by the department of insur-
16 ance and the department of banking, respectively, prior to the enactment
17 of this article, be consolidated into a new financial frauds and consum-
18 er protection unit under the supervision of the superintendent.

19 S 403. Financial frauds and consumer protection unit. (a) The super-
20 intendent shall establish a financial frauds and consumer protection
21 unit in the department of financial services.

22 (b) The financial frauds and consumer protection unit shall be a qual-

31 bureau, made prior to the effective date of this chapter, shall be
32 deemed continued and will remain effective subject to the discretion of

44 and to develop evidence thereon.

45 (b) If the financial frauds and consumer protection unit has a reason-
46 able suspicion that a person or entity has engaged, or is engaging, in
47 fraud or misconduct with respect to the banking law, the insurance law,
48 the provisions of this chapter or other laws pursuant to which the
49 superintendent has investigatory or enforcement powers, then the super-
50 intendent, in the enforcement of relevant statutes and regulations, may
51 undertake an investigation thereon, provided, however, that the scope of
52 authority set forth in this section shall not be deemed to otherwise
53 limit or impair the ability of the superintendent to assist any other
54 entity in an investigation involving a violation of law, and provided
55 further that the responsibility and power to investigate any specific
56 frauds or misconduct enumerated in this chapter, the banking law, the

1 insurance law and other laws pursuant to which the superintendent has

6 responsibilities of the consumer protection division of the department
7 of state.

8 S 405. Immunity. In the absence of fraud or bad faith, no person
9 subject to the provisions of this chapter, the banking law or the insur-

12 information relating to suspected violations of the banking law or the
13 insurance law furnished to law enforcement officials, their agents and
14 employees; (b) information relating to suspected violations of the bank-
15 ing law or the insurance law furnished to other persons subject to the
16 provisions of this chapter; and (c) information furnished in reports to

18 ees or any state agency investigating fraud or misconduct relating to

50 chapter or the regulations issued thereunder, provided that there shall
51 be no civil penalty under this section for violations of article five of
52 this chapter or the regulations issued thereunder; and

53 (3) provided, however, that:

54 (A) penalties for regulated persons under the banking law shall be as
55 provided for in the banking law and penalties for regulated persons

1 under the insurance law shall be as provided for in the insurance law;
2 and

3 (B) the superintendent shall not impose or collect any penalty under
4 this section in addition to any penalty or fine for the same act or
5 omission that is imposed under the insurance law or banking law; and

6 (C) nothing in this section shall affect the construction or interpre-
7 tation of the term "fraud" as it is used in any other provision of the
8 consolidated or unconsolidated law.

9 (b) Civil penalties received by the superintendent pursuant to this
10 section shall be applied on an annual basis as follows: funds shall be

15 of the financial frauds and consumer protection unit not attributable to
16 regulation under the insurance or banking law for the fiscal year in
17 which such penalties are received, such amount shall be applied to any
18 assessment in the following year, and any remaining funds shall be paid
19 to the general fund. The superintendent shall have discretion to deter-

21 lating persons under either the insurance law or the banking law shall
22 be allocated.

23 S 409. Reports. (a) Whenever the superintendent is satisfied that a
24 violation subject to section four hundred eight of this article or fraud
25 or other criminal activity under the insurance law or banking law has
26 been committed or attempted, the superintendent shall report any such
27 violation of law, as the superintendent deems appropriate, to the appro-
28 priate licensing agency, the district attorney of the county in which
29 such acts were committed, to the attorney general, and where appropri-

31 provided by the provisions of this article. Within one hundred twenty
32 days of receipt of the superintendent's report, the attorney general or

7 S 3. Section 401 of the insurance law is amended to read as follows:

8 S 401. Title; legislative declaration and purpose. This article shall
9 be known and may be cited as the "insurance frauds prevention act".

10 (a) The legislature finds and declares that the business of insurance
11 directly and indirectly affects all sectors of the public, business and
12 government. It further finds that the business of insurance, including
13 organization and licensing, the issuance of policies, and the adjustment
14 and payment of claims and losses, involve many transactions which have
15 potential for abuse and illegal activities.

16 (b) [The superintendent and the department have broad authority under
17 this chapter to investigate activities which may be fraudulent and to
18 develop evidence thereon. This article is intended to permit the full
19 utilization of the expertise of the superintendent and the department so
20 that they may more effectively investigate and discover insurance
21 frauds, halt fraudulent activities and assist and receive assistance
22 from federal and state law enforcement agencies in the prosecution of
23 persons who are parties to insurance frauds.

24 (c)] Arson for insurance fraud is a particularly damaging crime
25 against society, destroying lives, property and neighborhoods. Insur-
26 ance losses resulting from arson are reflected in higher premiums
27 charged to residents of this state.

28 [(d)] (C) This article establishes a framework within which the super-
29 intendent and the department can more effectively assist in the elimi-
30 nation of arson for insurance fraud. That increased capacity, together
31 with a more effective monitoring of fire loss claims and payments by the
32 insurance industry through centralized reporting and oversight, is
33 intended to make it more difficult to perpetrate the crime of insurance
34 fraud by arson.

24 because it applies to insurance activities of federally chartered bank-
25 ing institutions and not to those of other entities.

5 separate documents. The expense of insurance premiums may not be
6 included in the primary credit transaction without the express written
7 consent of the customer.

8 (e) State chartered banking institutions and federally chartered bank-
9 ing institutions shall not extend credit, lease or sell property of any
10 kind, or furnish any services, or fix or vary the consideration for any

22 that insurance is required in order to obtain a loan or credit, that
23 loan or credit approval is contingent upon the customer's procurement of
24 acceptable insurance, or that insurance is available from the state
25 chartered banking institution or federally chartered banking institu-
26 tion; provided, however, that the state chartered banking institution or
27 federally chartered banking institution shall also inform the customer
28 in writing that his or her choice of insurance provider shall not affect
29 the state chartered banking institution's or federally chartered banking
30 institution's credit decision or credit terms in any way. Such disclo-

33 selling insurance on the premises thereof solicits the purchase of any
34 insurance from a customer who has applied for a loan or extension of
35 credit.

36 (f) No state chartered banking institution or federally chartered
37 banking institution shall require a debtor, insurer, or insurance agent
38 or broker to pay a separate charge in connection with the handling of
39 insurance that is required in connection with a loan or other extension
40 of credit or the provision of another traditional banking product solely

23 to former sections fourteen-g and fourteen-h of this chapter prior to

PART B

Intentionally omitted.

PART C

Section 1. This act enacts into law major components of legislation which are necessary to implement the state fiscal plan for the 2011-2012 state fiscal year. Each component is wholly contained within a Subpart identified as Subparts A and B. The effective date for each particular provision contained within such Subpart is set forth in the last section of such Subpart. Any provision in any section contained within a Subpart, including the effective date of the Subpart, which makes a reference to a section "of this act", when used in connection with that particular component, shall be deemed to mean and refer to the corresponding section of the Subpart in which it is found. Section three of this act sets forth the general effective date of this act.

SUBPART A

Section 1. Legislative intent. In 1996, the legislature changed the penal law to include as an express purpose of imprisonment, the promotion of inmates' successful and productive reentry into society. Toward this end, many new responsibilities have been placed on both corrections officials and parole officials to ready inmates for their release into the community such as: obtaining their birth certificates and social security cards prior to release, preparing Medicaid applications as warranted, securing identification cards from the department of motor vehicles, and providing them with voter registration forms. In addition, transitional services programs have now become mandatory for all inmates. Transition accountability plans will be developed for each inmate, starting with their time in general confinement and culminating with the inmate's successful reintegration into the community. Furthermore, direct linkages with local agencies have been greatly enhanced with the creation of Re-entry Task Forces throughout the state.

As a result of the evolution of the sentencing structure and focus on reentry the historical separation of the department of correctional services and the division of parole is no longer warranted. In view of the commonality of purpose governing the fundamental missions of both agencies, a single new state agency should be created to oversee the combined responsibilities of both and, in effect, provide for a seamless

1 network for the care, custody, treatment and supervision of a person,
2 from the day a sentence of state imprisonment commences, until the day
3 such person is discharged from supervision in the community. This not
4 only will enhance public safety by achieving better outcomes for the
5 greatest number of individuals being released from prison, but also will
6 allow for greater efficiencies and the elimination of duplicative
7 responsibilities, thus resulting in significant savings for the state.

8 However, it is not the intent of the legislature in enacting this
9 merger, to diminish in any way the significant roles corrections offi-
10 cers and parole officers serve in the criminal justice system, and it is
11 not to imply that they are interchangeable. The purpose of this legis-
12 lation is to recognize where the mission of both entities is similar and
13 that by combining the administrations of each, not only can fiscal effi-
14 ciencies be achieved but also that services can be provided on a contin-
15 uum rather than an abrupt transfer of responsibility.

16 It is fundamental that the board of parole retain its authority to
17 make release decisions based on the board members' independent judgment
18 and application of statutory criteria as well as decisions regarding
19 revocations of release. To this end, the legislation makes clear that
20 the board shall continue to exercise its independence when making such

25 require prior experience as a parole officer. THE BOARD SHALL HAVE THE
26 AUTHORITY TO ESTABLISH PROCEDURES NECESSARY TO IMPLEMENT THIS SECTION.

7 subdivision 3 as amended by section 3 of part E of chapter 56 of the

9 (a) (i) Except as provided in subparagraph (ii) of this paragraph, at

12 or members as determined by the rules of the board shall personally
13 interview such inmate and determine whether he should be paroled in
14 accordance with the guidelines adopted pursuant to subdivision four of
15 section two hundred fifty-nine-c of this article. If parole is not
16 granted upon such review, the inmate shall be informed in writing within
17 two weeks of such appearance of the factors and reasons for such denial
18 of parole. Such reasons shall be given in detail and not in conclusory
19 terms. The board shall specify a date not more than twenty-four months
20 from such determination for reconsideration, and the procedures to be
21 followed upon reconsideration shall be the same. If the inmate is
22 released, he shall be given a copy of the conditions of parole. Such
23 conditions shall where appropriate, include a requirement that the paro-
24 lee comply with any restitution order, mandatory surcharge, sex offender
25 registration fee and DNA databank fee previously imposed by a court of
26 competent jurisdiction that applies to the parolee. The [board of
27 parole] CONDITIONS shall indicate which restitution collection agency
28 established under subdivision eight of section 420.10 of the criminal
29 procedure law, shall be responsible for collection of restitution,
30 mandatory surcharge, sex offender registration fees and DNA databank
31 fees as provided for in section 60.35 of the penal law and section eigh-

33 (ii) Any inmate who is scheduled for presumptive release pursuant to
34 section eight hundred six of the correction law shall not appear before
35 the [parole] board as provided in subparagraph (i) of this paragraph
36 unless such inmate's scheduled presumptive release is forfeited,
37 canceled, or rescinded subsequently as provided in such law. In such
38 event, the inmate shall appear before the [parole] board for release
39 consideration as provided in subparagraph (i) of this paragraph as soon
40 thereafter as is practicable.

41 (b) Persons presumptively released, paroled, conditionally released or
42 released to post-release supervision from an institution under the
43 jurisdiction of the department [of correctional services or], the
44 department of mental hygiene OR THE OFFICE OF CHILDREN AND FAMILY
45 SERVICES shall, while on presumptive release, parole, conditional
46 release or post-release supervision, be in the legal custody of the
47 [division of parole] DEPARTMENT until expiration of the maximum term or
48 period of sentence, or expiration of the period of supervision, includ-
49 ing any period of post-release supervision, or return to IMPRISONMENT IN
50 the custody of the department [of correctional services], as the case
51 may be.

52 (A) Discretionary release on parole shall not be granted merely as a
53 reward for good conduct or efficient performance of duties while
54 confined but after considering if there is a reasonable probability
55 that, if such inmate is released, he will live and remain at liberty
56 without violating the law, and that his release is not incompatible with

1 the welfare of society and will not so deprecate the seriousness of his
2 crime as to undermine respect for law. In making the parole release
3 decision, the [guidelines] PROCEDURES adopted pursuant to subdivision
4 four of section two hundred fifty-nine-c of this article shall require
5 that the following be considered: (i) the institutional record including
6 program goals and accomplishments, academic achievements, vocational
7 education, training or work assignments, therapy and [interpersonal
8 relationships] INTERACTIONS with staff and inmates; (ii) performance, if
9 any, as a participant in a temporary release program; (iii) release
10 plans including community resources, employment, education and training
11 and support services available to the inmate; (iv) any deportation order
12 issued by the federal government against the inmate while in the custody
13 of the department [of correctional services] and any recommendation
14 regarding deportation made by the commissioner of the department [of
15 correctional services] pursuant to section one hundred forty-seven of
16 the correction law; (v) any statement made to the board by the crime
17 victim or the victim's representative, where the crime victim is
18 deceased or is mentally or physically incapacitated; [and] (vi) the
19 length of the determinate sentence to which the inmate would be subject
20 had he or she received a sentence pursuant to section 70.70 or section
21 70.71 of the penal law for a felony defined in article two hundred twen-
22 ty or article two hundred twenty-one of the penal law; (VII) THE SERI-
23 OUSNESS OF THE OFFENSE WITH DUE CONSIDERATION TO THE TYPE OF SENTENCE,
24 LENGTH OF SENTENCE AND RECOMMENDATIONS OF THE SENTENCING COURT, THE
25 DISTRICT ATTORNEY, THE ATTORNEY FOR THE INMATE, THE PRE-SENTENCE
26 PROBATION REPORT AS WELL AS CONSIDERATION OF ANY MITIGATING AND AGGRA-
27 VATING FACTORS, AND ACTIVITIES FOLLOWING ARREST PRIOR TO CONFINEMENT;
28 AND (VIII) PRIOR CRIMINAL RECORD, INCLUDING THE NATURE AND PATTERN OF
29 OFFENSES, ADJUSTMENT TO ANY PREVIOUS PROBATION OR PAROLE SUPERVISION AND
30 INSTITUTIONAL CONFINEMENT. The board shall provide toll free telephone
31 access for crime victims. In the case of an oral statement made in
32 accordance with subdivision one of section 440.50 of the criminal proce-
33 dure law, the parole board member shall present a written report of the
34 statement to the parole board. A crime victim's representative shall
35 mean the crime victim's closest surviving relative, the committee or
36 guardian of such person, or the legal representative of any such person.
37 Such statement submitted by the victim or victim's representative may
38 include information concerning threatening or intimidating conduct
39 toward the victim, the victim's representative, or the victim's family,
40 made by the person sentenced and occurring after the sentencing. Such
41 information may include, but need not be limited to, the threatening or
42 intimidating conduct of any other person who or which is directed by the
43 person sentenced. [Notwithstanding the provisions of this section, in
44 making the parole release decision for persons whose minimum period of
45 imprisonment was not fixed pursuant to the provisions of subdivision one
46 of this section, in addition to the factors listed in this paragraph the
47 board shall consider the factors listed in paragraph (a) of subdivision
48 one of this section.]

49 (d) (i) Notwithstanding the provisions of paragraphs (a), (b) and (c)
50 of this subdivision, after the inmate has served his minimum period of
51 imprisonment imposed by the court, or at any time after the inmate's
52 period of imprisonment has commenced for an inmate serving a determinate
53 or indeterminate term of imprisonment, provided that the inmate has had
54 a final order of deportation issued against him and provided further
55 that the inmate is not convicted of either an A-I felony offense other
56 than an A-I felony offense as defined in article two hundred twenty of

1 the penal law or a violent felony offense as defined in section 70.02 of
2 the penal law, if the inmate is subject to deportation by the United
3 States BUREAU OF Immigration and [Naturalization Service] CUSTOMS
4 ENFORCEMENT, in addition to the criteria set forth in paragraph (c) of
5 this subdivision, the board may consider, as a factor warranting earlier
6 release, the fact that such inmate will be deported, and may grant
7 parole from an indeterminate sentence or release for deportation from a
8 determinate sentence to such inmate conditioned specifically on his
9 prompt deportation. The board may make such conditional grant of early
10 parole from an indeterminate sentence or release for deportation from a
11 determinate sentence only where it has received from the United States
12 BUREAU OF Immigration and [Naturalization Service] CUSTOMS ENFORCEMENT
13 assurance (A) that an order of deportation will be executed or that
14 proceedings will promptly be commenced for the purpose of deportation
15 upon release of the inmate from the custody of the department of correc-
16 tional services, and (B) that the inmate, if granted parole or release
17 for deportation pursuant to this paragraph, will not be released from
18 the custody of the United States BUREAU OF Immigration and [Naturaliza-
19 tion Service] CUSTOMS ENFORCEMENT, unless such release be as a result of
20 deportation without providing the board a reasonable opportunity to
21 arrange for execution of its warrant for the retaking of such person.

22 (ii) An inmate who has been granted parole from an indeterminate
23 sentence or release for deportation from a determinate sentence pursuant
24 to this paragraph shall be delivered to the custody of the United States
25 BUREAU OF Immigration and [Naturalization Service] CUSTOMS ENFORCEMENT
26 along with the board's warrant for his retaking to be executed in the
27 event of his release from such custody other than by deportation. In the
28 event that such person is not deported, the board shall execute the
29 warrant, effect his return to IMPRISONMENT IN the custody of the depart-
30 ment [of correctional services] and within sixty days after such return,
31 provided that the person is serving an indeterminate sentence and the
32 minimum period of imprisonment has been served, personally interview him
33 to determine whether he should be paroled in accordance with the
34 provisions of paragraphs (a), (b) and (c) of this subdivision. The
35 return of a person granted parole from an indeterminate sentence or
36 release for deportation from a determinate sentence pursuant to this
37 paragraph for the reason set forth herein shall not be deemed to be a
38 parole delinquency and the interruptions specified in subdivision three
39 of section 70.40 of the penal law shall not apply, but the time spent in
40 the custody of the United States BUREAU OF Immigration and [Naturaliza-
41 tion Service] CUSTOMS ENFORCEMENT shall be credited against the term of
42 the sentence in accordance with the rules specified in paragraph (c) of
43 that subdivision. Notwithstanding any other provision of law, any
44 inmate granted parole from an indeterminate sentence or release for
45 deportation from a determinate sentence pursuant to this paragraph who
46 is subsequently committed to IMPRISONMENT IN the custody of the depart-
47 ment [of correctional services] for a felony offense committed after
48 release pursuant to this paragraph shall have his parole eligibility
49 date on the indeterminate sentence for the new felony offense, or his
50 conditional release date on the determinate sentence for the new felony
51 offense, as the case may be, extended by the amount of time between the
52 date on which such inmate was released from IMPRISONMENT IN the custody
53 of the department [of correctional services] pursuant to this paragraph
54 and the date on which such inmate would otherwise have completed service
55 of the minimum period of imprisonment on the prior felony offense.

1 (i) If the parole officer having charge of a presumptively released,
2 paroled or conditionally released person or a person released to post-
3 release supervision or a person received under the uniform act for out-
4 of-state parolee supervision shall have reasonable cause to believe that
5 such person has lapsed into criminal ways or company, or has violated
6 one or more conditions of his presumptive release, parole, conditional
7 release or post-release supervision, such parole officer shall report
8 such fact to a member of the board [of parole], or to any officer of the
9 [division] DEPARTMENT designated by the board, and thereupon a warrant
10 may be issued for the retaking of such person and for his temporary
11 detention in accordance with the rules of the board. The retaking and
12 detention of any such person may be further regulated by rules and regu-
13 lations of the [division] DEPARTMENT not inconsistent with this article.
14 A warrant issued pursuant to this section shall constitute sufficient
15 authority to the superintendent or other person in charge of any jail,
16 penitentiary, lockup or detention pen to whom it is delivered to hold in
17 temporary detention the person named therein; except that a warrant
18 issued with respect to a person who has been released on medical parole
19 pursuant to section two hundred fifty-nine-r of this article and whose
20 parole is being revoked pursuant to paragraph (h) of subdivision four of
21 such section shall constitute authority for the immediate placement of
22 the parolee only into IMPRISONMENT IN the custody of the department [of
23 correctional services] to hold in temporary detention. A warrant issued
24 pursuant to this section shall also constitute sufficient authority to
25 the person in charge of a drug treatment campus, as defined in subdivi-
26 sion twenty of section two of the correction law, to hold the person
27 named therein, in accordance with the procedural requirements of this
28 section, for a period of at least ninety days to complete an intensive
29 drug treatment program mandated by the board [of parole] as an alterna-
30 tive to presumptive release or parole or conditional release revocation,
31 or the revocation of post-release supervision, and shall also constitute
32 sufficient authority for return of the person named therein to local
33 custody to hold in temporary detention for further revocation
34 proceedings in the event said person does not successfully complete the
35 intensive drug treatment program. The board's rules shall provide for
36 cancellation of delinquency and restoration to supervision upon the
37 successful completion of the program.

38 (iii) Where the alleged violator is detained in another state pursuant
39 to such warrant and is not under parole supervision pursuant to the
40 uniform act for out-of-state parolee supervision or where an alleged
41 violator under parole supervision pursuant to the uniform act for out-
42 of-state parolee supervision is detained in a state other than the
43 receiving state, the warrant will not be deemed to be executed until the
44 alleged violator is detained exclusively on the basis of such warrant
45 and the [division of parole] DEPARTMENT has received notification that
46 the alleged violator (A) has formally waived extradition to this state
47 or (B) has been ordered extradited to this state pursuant to a judicial
48 determination. The alleged violator will not be considered to be within
49 the convenience and practical control of the [division of parole]
50 DEPARTMENT until the warrant is deemed to be executed.

51 (x) If the presiding officer is satisfied that there is a preponder-
52 ance of evidence that the alleged violator violated one or more condi-
53 tions of release in an important respect, he or she shall so find. For
54 each violation so found, the presiding officer may (A) direct that the
55 presumptive releasee, parolee, conditional releasee or person serving a
56 period of post-release supervision be restored to supervision; (B) as an

1 alternative to reincarceration, direct the presumptive releasee, paro-
2 lee, conditional releasee or person serving a period of post-release
3 supervision be placed in a parole transition facility for a period not
4 to exceed one hundred eighty days and subsequent restoration to super-
5 vision; (C) in the case of presumptive releasees, parolees or condi-
6 tional releasees, direct the violator's reincarceration and fix a date
7 for consideration by the board for re-release on presumptive release, or
8 parole or conditional release, as the case may be; or (D) in the case of
9 persons released to a period of post-release supervision, direct the
10 violator's reincarceration up to the balance of the remaining period of
11 post-release supervision, not to exceed five years; provided, however,
12 that a defendant serving a term of post-release supervision for a
13 conviction of a felony sex offense defined in section 70.80 of the penal
14 law may be subject to a further period of imprisonment up to the balance
15 of the remaining period of post-release supervision. [Where a date has
16 been fixed for the violator's re-release on presumptive release, parole
17 or conditional release, as the case may be, the board or board member
18 may waive the personal interview between a member or members of the
19 board and the violator to determine the suitability for re-release;
20 provided, however, that the board shall retain the authority to suspend
21 the date fixed for re-release and to require a personal interview based
22 on the violator's institutional record or on such other basis as is
23 authorized by the rules and regulations of the board. If an interview is
24 required, the board shall notify the violator of the time of such inter-
25 view in accordance with the rules and regulations of the board. If the
26 violator is placed in a parole transition facility or restored to super-
27 vision, the presiding officer may impose such other conditions of
28 presumptive release, parole, conditional release, or post-release super-
29 vision as he or she may deem appropriate, as authorized by rules of the
30 board] FOR THE VIOLATOR SERVING AN INDETERMINATE SENTENCE WHO WHILE
31 RE-INCARCERATED HAS NOT BEEN FOUND BY THE DEPARTMENT TO HAVE COMMITTED A
32 SERIOUS DISCIPLINARY INFRACTION, SUCH VIOLATOR SHALL BE RE-RELEASED ON
33 THE DATE FIXED AT THE REVOCATION HEARING. FOR THE VIOLATOR SERVING AN
34 INDETERMINATE SENTENCE WHO HAS BEEN FOUND BY THE DEPARTMENT TO HAVE
35 COMMITTED A SERIOUS DISCIPLINARY INFRACTION WHILE RE-INCARCERATED, THE
36 DEPARTMENT SHALL REFER THE VIOLATOR TO THE BOARD FOR CONSIDERATION FOR
37 RE-RELEASE TO COMMUNITY SUPERVISION. UPON SUCH REFERRAL THE BOARD MAY
38 WAIVE THE PERSONAL INTERVIEW BETWEEN A MEMBER OR MEMBERS OF THE BOARD
39 AND THE VIOLATOR TO DETERMINE THE SUITABILITY FOR RE-RELEASE WHEN THE
40 BOARD DIRECTS THAT THE VIOLATOR BE RE-RELEASED UPON EXPIRATION OF THE
41 TIME ASSESSMENT. THE BOARD SHALL RETAIN THE AUTHORITY TO SUSPEND THE
42 DATE FIXED FOR RE-RELEASE BASED ON THE VIOLATOR'S COMMISSION OF A SERI-
43 OUS DISCIPLINARY INFRACTION AND SHALL IN SUCH CASE REQUIRE A PERSONAL
44 INTERVIEW BE CONDUCTED WITHIN A REASONABLE TIME BETWEEN A PANEL OF
45 MEMBERS OF THE BOARD AND THE VIOLATOR TO DETERMINE SUITABILITY FOR
46 RE-RELEASE. IF AN INTERVIEW IS REQUIRED, THE BOARD SHALL NOTIFY THE
47 VIOLATOR IN ADVANCE OF THE DATE AND TIME OF SUCH INTERVIEW IN ACCORDANCE
48 WITH THE RULES AND REGULATIONS OF THE BOARD.

49 (i) Where there is reasonable cause to believe that a presumptive
50 releasee, parolee, conditional releasee or person under post-release
51 supervision has absconded from supervision the board may declare such
52 person to be delinquent. This paragraph shall not be construed to deny
53 such person a preliminary revocation hearing upon his retaking, nor to
54 relieve the [division of parole] DEPARTMENT of any obligation it may
55 have to exercise due diligence to retake the alleged absconder, nor to

1 relieve the parolee or releasee of any obligation he may have to comply
2 with the conditions of his release.

3 S 38-f-2. Paragraph (a) of subdivision 2 of section 259-i of the execu-
4 tive law, as amended by chapter 396 of the laws of 1987, is amended to
5 read as follows:

6 (a) At least one month prior to the expiration of the minimum period
7 or periods of imprisonment fixed by the court or board, a member or
8 members as determined by the rules of the board shall personally inter-
9 view an inmate serving an indeterminate sentence and determine whether
10 he should be paroled at the expiration of the minimum period or periods
11 in accordance with the [guidelines] PROCEDURES adopted pursuant to
12 subdivision four of section two hundred fifty-nine-c. If parole is not
13 granted upon such review, the inmate shall be informed in writing within
14 two weeks of such appearance of the factors and reasons for such denial
15 of parole. Such reasons shall be given in detail and not in conclusory
16 terms. The board shall specify a date not more than twenty-four months
17 from such determination for reconsideration, and the procedures to be
18 followed upon reconsideration shall be the same. If the inmate is
19 released, he shall be given a copy of the conditions of parole. Such
20 conditions shall where appropriate, include a requirement that the paro-
21 lee comply with any restitution order and mandatory surcharge previously
22 imposed by a court of competent jurisdiction that applies to the paro-
23 lee. The [board of parole] CONDITIONS shall indicate which restitution
24 collection agency established under subdivision eight of section 420.10
25 of the criminal procedure law, shall be responsible for collection of
26 restitution and mandatory surcharge as provided for in section 60.35 of
27 the penal law and section eighteen hundred nine of the vehicle and traf-
28 fic law.

29 S 38-g. Section 259-j of the executive law, as separately amended by
30 section 10 of part F and section 1 of part N of chapter 62 of the laws
31 of 2003, the section heading, subdivisions 1, 3 and 4 as amended by
32 section 13 of part AAA of chapter 56 of the laws of 2009, subdivision
33 3-a as amended by chapter 486 of the laws of 2008 and subdivision 6 as
34 added by chapter 7 of the laws of 2007, is amended to read as follows:

35 S 259-j. [Merit termination of sentence and discharge from presumptive
36 release, parole, conditional release and release to post-release super-
37 vision. 1. The division of parole may grant to any person a merit termi-
38 nation of sentence from presumptive release, parole, conditional release
39 or release to post-release supervision prior to the expiration of the
40 full term or maximum term, provided it is determined by the division of
41 parole that such merit termination is in the best interests of society,
42 such person is not required to register as a sex offender pursuant to
43 article six-C of the correction law, and such person is not on presump-
44 tive release, parole, conditional release or release to post-release
45 supervision from a term of imprisonment imposed for any of the following
46 offenses, or for an attempt to commit any of the following offenses:

47 (a) a violent felony offense as defined in section 70.02 of the penal
48 law;

49 (b) murder in the first degree or murder in the second degree;

50 (c) an offense defined in article one hundred thirty of the penal law;

51 (d) unlawful imprisonment in the first degree, kidnapping in the first
52 degree, or kidnapping in the second degree, in which the victim is less
53 than seventeen years old and the offender is not the parent of the
54 victim;

55 (e) an offense defined in article two hundred thirty of the penal law
56 involving the prostitution of a person less than nineteen years old;

1 (f) disseminating indecent material to minors in the first degree or
2 disseminating indecent material to minors in the second degree;

3 (g) incest;

4 (h) an offense defined in article two hundred sixty-three of the penal
5 law;

6 (i) a hate crime as defined in section 485.05 of the penal law; or

7 (j) an offense defined in article four hundred ninety of the penal
8 law.

9 2. A merit termination granted by the division of parole under this
10 section shall constitute a termination of the sentence with respect to
11 which it was granted. No such merit termination shall be granted unless
12 the division of parole is satisfied that termination of sentence from
13 presumptive release, parole or from conditional release is in the best
14 interest of society, and that the parolee or releasee, otherwise finan-
15 cially able to comply with an order of restitution and the payment of
16 any mandatory surcharge previously imposed by a court of competent
17 jurisdiction, has made a good faith effort to comply therewith.

18 3. A merit termination of sentence may be granted after two years of
19 presumptive release, parole, conditional release or release to post-re-
20 lease supervision to a person serving a sentence for a class A felony
21 offense as defined in article two hundred twenty of the penal law. A
22 merit termination of sentence may be granted to all other eligible
23 persons after one year of presumptive release, parole, conditional
24 release or release to post-release supervision.

25 3-a. The division of parole must grant termination of sentence after
26 three years of unrevoked presumptive release or parole to a person serv-
27 ing an indeterminate sentence for a class A felony offense defined in
28 article two hundred twenty of the penal law, and must grant termination
29 of sentence after two years of unrevoked presumptive release or parole
30 to a person serving an indeterminate sentence for any other felony
31 offense defined in article two hundred twenty or two hundred twenty-one
32 of the penal law.

33 4] DISCHARGE OF SENTENCE. 1. Except where a determinate sentence was
34 imposed for a felony other than a felony defined in article two hundred
35 twenty or article two hundred twenty-one of the penal law, if the board
36 of parole is satisfied that an absolute discharge from presumptive
37 release, parole, conditional release or release to a period of post-re-
38 lease supervision is in the best interests of society, the board may
39 grant such a discharge prior to the expiration of the full term or maxi-
40 mum term to any person who has been on unrevoked [presumptive release,
41 parole, conditional release or release to post-release] COMMUNITY super-
42 vision for at least three consecutive years. A discharge granted under
43 this section shall constitute a termination of the sentence with respect
44 to which it was granted. No such discharge shall be granted unless the
45 board [of parole] is satisfied that the parolee or releasee, otherwise
46 financially able to comply with an order of restitution and the payment
47 of any mandatory surcharge, sex offender registration fee or DNA data-
48 bank fee previously imposed by a court of competent jurisdiction, has
49 made a good faith effort to comply therewith.

50 [5] 2. The chairman of the board of parole shall promulgate rules and
51 regulations governing the issuance of [merit terminations of sentence
52 and] discharges from [presumptive release, parole and conditional
53 release] COMMUNITY SUPERVISION PURSUANT TO THIS SECTION to assure that
54 such [terminations and] discharges are consistent with public safety.

55 [6.] 3. Notwithstanding any other provision of this section to the
56 contrary, where a term of post-release supervision in excess of five

1 years has been imposed on a person convicted of a crime defined in arti-
2 cle one hundred thirty of the penal law, including a sexually motivated
3 felony, the [division] BOARD of parole may grant a discharge from post-
4 release supervision prior to the expiration of the maximum term of post-
5 release supervision. Such a discharge may be granted only after the
6 person has served at least five years of post-release supervision, and
7 only to a person who has been on unrevoked post-release supervision for
8 at least three consecutive years. No such discharge shall be granted
9 unless the [division] BOARD of parole[: (a)] OR THE DEPARTMENT ACTING
10 PURSUANT TO ITS RESPONSIBILITY UNDER SUBDIVISION ONE OF SECTION TWO
11 HUNDRED ONE OF THE CORRECTION LAW consults with any licensed psychol-
12 ogist, qualified psychiatrist, or other mental health professional who
13 is providing care or treatment to the supervisee; [(b)] AND THE BOARD:
14 (A) determines that a discharge from post-release supervision is in the
15 best interests of society; and [(c)] (B) is satisfied that the supervi-
16 see, otherwise financially able to comply with an order of restitution
17 and the payment of any mandatory surcharge, sex offender registration
18 fee, or DNA data bank fee previously imposed by a court of competent
19 jurisdiction, has made a good faith effort to comply therewith. Before
20 making a determination to discharge a person from a period of post-re-
21 lease supervision, the [division] BOARD of parole may request that the
22 commissioner of the office of mental health arrange a psychiatric evalu-
23 ation of the supervisee. A discharge granted under this section shall
24 constitute a termination of the sentence with respect to which it was
25 granted.

27 S 38-i. Section 259-k of the executive law, as added by chapter 904 of

46 correctional services], THE OFFICE OF CHILDREN AND FAMILY SERVICES and
47 the department of mental hygiene in order to enable them to perform
48 their functions, provided, however, that the department of mental
49 hygiene may temporarily restrict such access where it determines, for
50 significant clinical reasons, that such access would interfere with its
51 care and treatment of the mentally ill inmate. If under the provisions
52 of this subdivision an inmate is not accessible for release consider-
53 ation by the board, that inmate shall be scheduled to see the board in
54 the month immediately subsequent to the month within which he was not
55 available.

1 4. Upon a determination by the [division] DEPARTMENT and board of
2 parole that [its] records regarding an individual presently under the
3 supervision of the [division and board] DEPARTMENT are relevant to an

28 3 as amended by chapter 503 of the laws of 1994, is amended to read as
29 follows:

30 S 259-r. Release on medical parole for terminally ill inmates. 1. (a)
31 The board shall have the power to release on medical parole any inmate
32 serving an indeterminate or determinate sentence of imprisonment who,
33 pursuant to subdivision two of this section, has been certified to be
34 suffering from a terminal condition, disease or syndrome and to be so
35 debilitated or incapacitated as to create a reasonable probability that
36 he or she is physically or cognitively incapable of presenting any
37 danger to society, provided, however, that no inmate serving a sentence
38 imposed upon a conviction for murder in the first degree or an attempt
39 or conspiracy to commit murder in the first degree shall be eligible for
40 such release, and provided further that no inmate serving a sentence
41 imposed upon a conviction for any of the following offenses shall be
42 eligible for such release unless in the case of an indeterminate
43 sentence he or she has served at least one-half of the minimum period of
44 the sentence and in the case of a determinate sentence he or she has
45 served at least one-half of the term of his or her determinate sentence:
46 murder in the second degree, manslaughter in the first degree, any
47 offense defined in article one hundred thirty of the penal law or an
48 attempt to commit any of these offenses. Solely for the purpose of
49 determining medical parole eligibility pursuant to this section, such
50 one-half of the minimum period of the indeterminate sentence and one-
51 half of the term of the determinate sentence shall not be credited with
52 any time served under the jurisdiction of the [state] department [of
53 correctional services] prior to the commencement of such sentence pursu-
54 ant to the opening paragraph of subdivision one of section 70.30 of the
55 penal law or subdivision two-a of section 70.30 of the penal law, except

1 to the extent authorized by subdivision three of section 70.30 of the
2 penal law.

3 (b) Such release shall be granted only after the board considers
4 whether, in light of the inmate's medical condition, there is a reason-
5 able probability that the inmate, if released, will live and remain at
6 liberty without violating the law, and that such release is not incom-
7 patible with the welfare of society and will not so deprecate the seri-
8 ousness of the crime as to undermine respect for the law, and shall be
9 subject to the limits and conditions specified in subdivision four of
10 this section. Except as set forth in paragraph (a) of this subdivision,
11 such release may be granted at any time during the term of an inmate's
12 sentence, notwithstanding any other provision of law.

13 (c) The board shall afford notice to the sentencing court, the
14 district attorney and the attorney for the inmate that the inmate is
15 being considered for release pursuant to this section and the parties
16 receiving notice shall have fifteen days to comment on the release of
17 the inmate. Release on medical parole shall not be granted until the
18 expiration of the comment period provided for in this paragraph.

19 2. (a) The commissioner [of correctional services], on the commission-
20 er's own initiative or at the request of an inmate, or an inmate's
21 spouse, relative or attorney, may, in the exercise of the commissioner's
22 discretion, direct that an investigation be undertaken to determine
23 whether a diagnosis should be made of an inmate who appears to be
24 suffering from a terminal condition, disease or syndrome. Any such
25 medical diagnosis shall be made by a physician licensed to practice
26 medicine in this state pursuant to section sixty-five hundred twenty-
27 four of the education law. Such physician shall either be employed by
28 the department [of correctional services], shall render professional
29 services at the request of the department [of correctional services], or
30 shall be employed by a hospital or medical facility used by the depart-
31 ment [of correctional services] for the medical treatment of inmates.
32 The diagnosis shall be reported to the commissioner [of correctional
33 services] and shall include but shall not be limited to a description of
34 the terminal condition, disease or syndrome suffered by the inmate, a
35 prognosis concerning the likelihood that the inmate will not recover
36 from such terminal condition, disease or syndrome, a description of the
37 inmate's physical or cognitive incapacity which shall include a predic-
38 tion respecting the likely duration of the incapacity, and a statement
39 by the physician of whether the inmate is so debilitated or incapaciti-
40 ated as to be severely restricted in his or her ability to self-ambu-
41 late or to perform significant normal activities of daily living. This
42 report also shall include a recommendation of the type and level of
43 services and treatment the inmate would require if granted medical
44 parole and a recommendation for the types of settings in which the
45 services and treatment should be given.

46 (b) The commissioner, or the commissioner's designee, shall review the
47 diagnosis and may certify that the inmate is suffering from such termi-
48 nal condition, disease or syndrome and that the inmate is so debilitated
49 or incapacitated as to create a reasonable probability that he or she is
50 physically or cognitively incapable of presenting any danger to society.
51 If the commissioner does not so certify then the inmate shall not be
52 referred to the board [of parole] for consideration for release on
53 medical parole. If the commissioner does so certify, then the commis-
54 sioner shall, within seven working days of receipt of such diagnosis,
55 refer the inmate to the board [of parole] for consideration for release
56 on medical parole. However, no such referral of an inmate to the board

1 [of parole] shall be made unless the inmate has been examined by a
2 physician and diagnosed as having a terminal condition, disease or
3 syndrome as previously described herein at some time subsequent to such
4 inmate's admission to a facility operated by the department of correc-
5 tional services.

6 (c) When the commissioner refers an inmate to the board, the commis-
7 sioner shall provide an appropriate medical discharge plan [jointly]
8 established by the department [of correctional services and the division
9 of parole]. The department [of correctional services and the division of
10 parole are] IS authorized to request assistance from the department of
11 health and from the county in which the inmate resided and committed his
12 or her crime, which shall provide assistance with respect to the devel-
13 opment and implementation of a discharge plan, including potential
14 placements of a releasee. The department [of correctional services, the
15 division of parole] and the department of health shall jointly develop
16 standards for the medical discharge plan that are appropriately adapted
17 to the criminal justice setting, based on standards established by the
18 department of health for hospital medical discharge planning. The board
19 may postpone its decision pending completion of an adequate discharge
20 plan, or may deny release based on inadequacy of the discharge plan.

21 3. Any certification by the commissioner or the commissioner's desig-
22 nee pursuant to this section shall be deemed a judicial function and
23 shall not be reviewable if done in accordance with law.

24 4. (a) Medical parole granted pursuant to this section shall be for a
25 period of six months.

26 (b) The board shall require as a condition of release on medical
27 parole that the releasee agree to remain under the care of a physician
28 while on medical parole and in a hospital established pursuant to arti-
29 cle twenty-eight of the public health law, a hospice established pursu-
30 ant to article forty of the public health law or any other placement
31 that can provide appropriate medical care as specified in the medical
32 discharge plan required by subdivision two of this section. The medical
33 discharge plan shall state that the availability of the placement has
34 been confirmed, and by whom. Notwithstanding any other provision of law,
35 when an inmate who qualifies for release under this section is cogni-
36 tively incapable of signing the requisite documentation to effectuate
37 the medical discharge plan and, after a diligent search no person has
38 been identified who could otherwise be appointed as the inmate's guardi-
39 an by a court of competent jurisdiction, then, solely for the purpose of
40 implementing the medical discharge plan, the facility health services
41 director at the facility where the inmate is currently incarcerated
42 shall be lawfully empowered to act as the inmate's guardian for the
43 purpose of effectuating the medical discharge.

44 (c) Where appropriate, the board shall require as a condition of
45 release that medical parolees be supervised on intensive caseloads at
46 reduced supervision ratios.

47 (d) The board shall require as a condition of release on medical
48 parole that the releasee undergo periodic medical examinations and a
49 medical examination at least one month prior to the expiration of the
50 period of medical parole and, for the purposes of making a decision
51 pursuant to paragraph (e) of this subdivision, that the releasee provide
52 the board with a report, prepared by the treating physician, of the
53 results of such examination. Such report shall specifically state wheth-
54 er or not the parolee continues to suffer from a terminal condition,
55 disease, or syndrome, and to be so debilitated or incapacitated as to be

1 severely restricted in his or her ability to self-ambulate or to perform
2 significant normal activities of daily living.

3 (e) Prior to the expiration of the period of medical parole the board
4 shall review the medical examination report required by paragraph (d) of
5 this subdivision and may again grant medical parole pursuant to this
6 section; provided, however, that the provisions of paragraph (c) of
7 subdivision one and subdivision two of this section shall not apply.

8 (f) If the updated medical report presented to the board states that a
9 parolee released pursuant to this section is no longer so debilitated or
10 incapacitated as to create a reasonable probability that he or she is
11 physically or cognitively incapable of presenting any danger to society
12 or if the releasee fails to submit the updated medical report then the
13 board may not make a new grant of medical parole pursuant to paragraph
14 (e) of this subdivision. Where the board has not granted medical parole
15 pursuant to such paragraph (e) the board shall promptly conduct through
16 one of its members, or cause to be conducted by a hearing officer desig-
17 nated by the board, a hearing to determine whether the releasee is
18 suffering from a terminal condition, disease or syndrome and is so
19 debilitated or incapacitated as to create a reasonable probability that
20 he or she is physically or cognitively incapable of presenting any
21 danger to society and does not present a danger to society. If the board
22 makes such a determination then it may make a new grant of medical
23 parole pursuant to the standards of paragraph (b) of subdivision one of
24 this section. At the hearing, the releasee shall have the right to
25 representation by counsel, including the right, if the releasee is
26 financially unable to retain counsel, to have the appropriate court
27 assign counsel in accordance with the county or city plan for represen-
28 tation placed in operation pursuant to article eighteen-B of the county
29 law.

30 (g) The hearing and determination provided for by paragraph (f) of
31 this subdivision shall be concluded within the six month period of
32 medical parole. If the board does not renew the grant of medical parole,
33 it shall order that the releasee be returned immediately to the custody
34 of the department [of correctional services].

35 (h) In addition to the procedures set forth in paragraph (f) of this
36 subdivision, medical parole may be revoked at any time upon any of the
37 grounds specified in paragraph (a) of subdivision three of section two
38 hundred fifty-nine-i of this article, and in accordance with the proce-
39 dures specified in subdivision three of section two hundred fifty-nine-i
40 of this article.

41 (i) A releasee who is on medical parole and who becomes eligible for
42 parole pursuant to the provisions of subdivision two of section two
43 hundred fifty-nine-i of this article shall be eligible for parole
44 consideration pursuant to such subdivision.

45 5. A denial of release on medical parole or expiration of medical
46 parole in accordance with the provisions of paragraph (f) of subdivision
47 four of this section shall not preclude the inmate from reapplying for
48 medical parole or otherwise affect an inmate's eligibility for any other
49 form of release provided for by law.

50 6. To the extent that any provision of this section requires disclo-
51 sure of medical information for the purpose of processing an application
52 or making a decision, regarding release on medical parole or renewal of
53 medical parole, or for the purpose of appropriately supervising a person
54 released on medical parole, and that such disclosure would otherwise be
55 prohibited by article twenty-seven-F of the public health law, the
56 provisions of this section shall be controlling.

1 7. The commissioner [of correctional services] and the chairman of the
2 board [of parole] shall be authorized to promulgate rules and regu-
3 lations for their respective agencies to implement the provisions of
4 this section.

5 8. Any decision made by the board pursuant to this section may be
6 appealed pursuant to subdivision four of section two hundred
7 fifty-nine-i of this article.

8 9. The chairman shall report annually to the governor, the temporary
9 president of the senate and the speaker of the assembly, the chair-
10 persons of the assembly and senate codes committees, the chairperson of
11 the senate crime and corrections committee, and the chairperson of the
12 assembly corrections committee the number of inmates who have applied
13 for medical parole; the number who have been granted medical parole; the
14 nature of the illness of the applicants, the counties to which they have
15 been released and the nature of the placement pursuant to the medical
16 discharge plan; the categories of reasons for denial for those who have
17 been denied; the number of releasees who have been granted an additional
18 period or periods of medical parole and the number of such grants; the
19 number of releasees on medical parole who have been returned to IMPRI-
20 SONMENT IN the custody of the department [of correctional services] and
21 the reasons for return.

22 S 38-l-1. Paragraph (a) of subdivision 1 of section 259-r of the exec-
23 utive law, as amended by section 4 of chapter 495 of the laws of 2009,
24 is amended to read as follows:

25 (a) The board shall have the power to release on medical parole any
26 inmate serving an indeterminate or determinate sentence of imprisonment
27 who, pursuant to subdivision two of this section, has been certified to
28 be suffering from a terminal condition, disease or syndrome and to be so
29 debilitated or incapacitated as to create a reasonable probability that
30 he or she is physically or cognitively incapable of presenting any
31 danger to society, provided, however, that no inmate serving a sentence
32 imposed upon a conviction for murder in the first degree or an attempt
33 or conspiracy to commit murder in the first degree shall be eligible for
34 such release, and provided further that no inmate serving a sentence
35 imposed upon a conviction for any of the following offenses shall be
36 eligible for such release unless in the case of an indeterminate
37 sentence he or she has served at least one-half of the minimum period of
38 the sentence and in the case of a determinate sentence he or she has
39 served at least one-half of the term of his or her determinate sentence:
40 murder in the second degree, manslaughter in the first degree, any
41 offense defined in article one hundred thirty of the penal law or an
42 attempt to commit any of these offenses. Solely for the purpose of
43 determining medical parole eligibility pursuant to this section, such
44 one-half of the minimum period of the indeterminate sentence and one-
45 half of the term of the determinate sentence shall not be credited with
46 any time served under the jurisdiction of the [state] department [of
47 correctional services] prior to the commencement of such sentence pursu-
48 ant to the opening paragraph of subdivision one of section 70.30 of the
49 penal law or subdivision two-a of section 70.30 of the penal law, except
50 to the extent authorized by subdivision three of section 70.30 of the
51 penal law.

52 S 38-m. Section 259-s of the executive law, as added by section 6 of
53 part J of chapter 56 of the laws of 2009, paragraph (a) of subdivision 1
54 as amended by chapter 495 of the laws of 2009, is amended to read as
55 follows:

1 S 259-s. Release on medical parole for inmates suffering significant
2 debilitating illnesses. 1. (a) The board shall have the power to release
3 on medical parole any inmate serving an indeterminate or determinate
4 sentence of imprisonment who, pursuant to subdivision two of this
5 section, has been certified to be suffering from a significant and
6 permanent non-terminal condition, disease or syndrome that has rendered
7 the inmate so physically or cognitively debilitated or incapacitated as
8 to create a reasonable probability that he or she does not present any
9 danger to society, provided, however, that no inmate serving a sentence
10 imposed upon a conviction for murder in the first degree or an attempt
11 or conspiracy to commit murder in the first degree shall be eligible for
12 such release, and provided further that no inmate serving a sentence
13 imposed upon a conviction for any of the following offenses shall be
14 eligible for such release unless in the case of an indeterminate
15 sentence he or she has served at least one-half of the minimum period of
16 the sentence and in the case of a determinate sentence he or she has
17 served at least one-half of the term of his or her determinate sentence:
18 murder in the second degree, manslaughter in the first degree, any
19 offense defined in article one hundred thirty of the penal law or an
20 attempt to commit any of these offenses. Solely for the purpose of
21 determining medical parole eligibility pursuant to this section, such
22 one-half of the minimum period of the indeterminate sentence and one-
23 half of the term of the determinate sentence shall not be credited with
24 any time served under the jurisdiction of the [state] department [of
25 correctional services] prior to the commencement of such sentence pursu-
26 ant to the opening paragraph of subdivision one of section 70.30 of the
27 penal law or subdivision two-a of section 70.30 of the penal law, except
28 to the extent authorized by subdivision three of section 70.30 of the
29 penal law.

30 (b) Such release shall be granted only after the board considers
31 whether, in light of the inmate's medical condition, there is a reason-
32 able probability that the inmate, if released, will live and remain at
33 liberty without violating the law, and that such release is not incom-
34 patible with the welfare of society and will not so deprecate the seri-
35 ousness of the crime as to undermine respect for the law, and shall be
36 subject to the limits and conditions specified in subdivision four of
37 this section. In making this determination, the board shall consider:
38 (i) the nature and seriousness of the inmate's crime; (ii) the inmate's
39 prior criminal record; (iii) the inmate's disciplinary, behavioral and
40 rehabilitative record during the term of his or her incarceration; (iv)
41 the amount of time the inmate must serve before becoming eligible for
42 release pursuant to section two hundred fifty-nine-i of this article;
43 (v) the current age of the inmate and his or her age at the time of the
44 crime; (vi) the recommendations of the sentencing court, the district
45 attorney and the victim or the victim's representative; (vii) the nature
46 of the inmate's medical condition, disease or syndrome and the extent of
47 medical treatment or care that the inmate will require as a result of
48 that condition, disease or syndrome; and (viii) any other relevant
49 factor. Except as set forth in paragraph (a) of this subdivision, such
50 release may be granted at any time during the term of an inmate's
51 sentence, notwithstanding any other provision of law.

52 (c) The board shall afford notice to the sentencing court, the
53 district attorney, the attorney for the inmate and, where necessary
54 pursuant to subdivision two of section two hundred fifty-nine-i of this
55 article, the crime victim, that the inmate is being considered for
56 release pursuant to this section and the parties receiving notice shall

1 have thirty days to comment on the release of the inmate. Release on
2 medical parole shall not be granted until the expiration of the comment
3 period provided for in this paragraph.

4 2. (a) The commissioner [of correctional services], on the commission-
5 er's own initiative or at the request of an inmate, or an inmate's
6 spouse, relative or attorney, may, in the exercise of the commissioner's
7 discretion, direct that an investigation be undertaken to determine
8 whether a diagnosis should be made of an inmate who appears to be
9 suffering from a significant and permanent non-terminal and incapacitat-
10 ing condition, disease or syndrome. Any such medical diagnosis shall be
11 made by a physician licensed to practice medicine in this state pursuant
12 to section sixty-five hundred twenty-four of the education law. Such
13 physician shall either be employed by the department [of correctional
14 services], shall render professional services at the request of the
15 department [of correctional services], or shall be employed by a hospi-
16 tal or medical facility used by the department [of correctional
17 services] for the medical treatment of inmates. The diagnosis shall be
18 reported to the commissioner [of correctional services] and shall
19 include but shall not be limited to a description of the condition,
20 disease or syndrome suffered by the inmate, a prognosis concerning the
21 likelihood that the inmate will not recover from such condition, disease
22 or syndrome, a description of the inmate's physical or cognitive inca-
23 pacity which shall include a prediction respecting the likely duration
24 of the incapacity, and a statement by the physician of whether the
25 inmate is so debilitated or incapacitated as to be severely restricted
26 in his or her ability to self-ambulate or to perform significant normal
27 activities of daily living. This report also shall include a recommenda-
28 tion of the type and level of services and treatment the inmate would
29 require if granted medical parole and a recommendation for the types of
30 settings in which the services and treatment should be given.

31 (b) The commissioner, or the commissioner's designee, shall review the
32 diagnosis and may certify that the inmate is suffering from such condi-
33 tion, disease or syndrome and that the inmate is so debilitated or inca-
34 pacitated as to create a reasonable probability that he or she is phys-
35 ically or cognitively incapable of presenting any danger to society. If
36 the commissioner does not so certify then the inmate shall not be
37 referred to the board [of parole] for consideration for release on
38 medical parole. If the commissioner does so certify, then the commis-
39 sioner shall, within seven working days of receipt of such diagnosis,
40 refer the inmate to the board [of parole] for consideration for release
41 on medical parole. However, no such referral of an inmate to the board
42 of parole shall be made unless the inmate has been examined by a physi-
43 cian and diagnosed as having a condition, disease or syndrome as previ-
44 ously described herein at some time subsequent to such inmate's admis-
45 sion to a facility operated by the department [of correctional
46 services].

47 (c) When the commissioner refers an inmate to the board, the commis-
48 sioner shall provide an appropriate medical discharge plan [jointly]
49 established by the department [of correctional services and the division
50 of parole]. The department [of correctional services and the division of
51 parole are] IS authorized to request assistance from the department of
52 health and from the county in which the inmate resided and committed his
53 or her crime, which shall provide assistance with respect to the devel-
54 opment and implementation of a discharge plan, including potential
55 placements of a releasee. The department [of correctional services, the
56 division of parole] and the department of health shall jointly develop

standards for the medical discharge plan that are appropriately adapted to the criminal justice setting, based on standards established by the department of health for hospital medical discharge planning. The board may postpone its decision pending completion of an adequate discharge plan, or may deny release based on inadequacy of the discharge plan.

3. Any certification by the commissioner or the commissioner's designee pursuant to this section shall be deemed a judicial function and shall not be reviewable if done in accordance with law.

4. (a) Medical parole granted pursuant to this section shall be for a period of six months.

(b) The board shall require as a condition of release on medical parole that the releasee agree to remain under the care of a physician while on medical parole and in a hospital established pursuant to article twenty-eight of the public health law, a hospice established pursuant to article forty of the public health law or any other placement, including a residence with family or others, that can provide appropriate medical care as specified in the medical discharge plan required by subdivision two of this section. The medical discharge plan shall state that the availability of the placement has been confirmed, and by whom. Notwithstanding any other provision of law, when an inmate who qualifies for release under this section is cognitively incapable of signing the requisite documentation to effectuate the medical discharge plan and, after a diligent search no person has been identified who could otherwise be appointed as the inmate's guardian by a court of competent jurisdiction, then, solely for the purpose of implementing the medical discharge plan, the facility health services director at the facility where the inmate is currently incarcerated shall be lawfully empowered to act as the inmate's guardian for the purpose of effectuating the medical discharge.

(c) Where appropriate, the board shall require as a condition of release that medical parolees be supervised on intensive caseloads at reduced supervision ratios.

(d) The board shall require as a condition of release on medical parole that the releasee undergo periodic medical examinations and a medical examination at least one month prior to the expiration of the period of medical parole and, for the purposes of making a decision pursuant to paragraph (e) of this subdivision, that the releasee provide the board with a report, prepared by the treating physician, of the results of such examination. Such report shall specifically state whether or not the parolee continues to suffer from a significant and permanent non-terminal and debilitating condition, disease, or syndrome, and to be so debilitated or incapacitated as to be severely restricted in his or her ability to self-ambulate or to perform significant normal activities of daily living.

(e) Prior to the expiration of the period of medical parole the board shall review the medical examination report required by paragraph (d) of this subdivision and may again grant medical parole pursuant to this section; provided, however, that the provisions of paragraph (c) of subdivision one and subdivision two of this section shall not apply.

(f) If the updated medical report presented to the board states that a parolee released pursuant to this section is no longer so debilitated or incapacitated as to create a reasonable probability that he or she is physically or cognitively incapable of presenting any danger to society or if the releasee fails to submit the updated medical report then the board may not make a new grant of medical parole pursuant to paragraph (e) of this subdivision. Where the board has not granted medical parole

1 pursuant to such paragraph (e) the board shall promptly conduct through
2 one of its members, or cause to be conducted by a hearing officer desig-
3 nated by the board, a hearing to determine whether the releasee is
4 suffering from a significant and permanent non-terminal and incapacitat-
5 ing condition, disease or syndrome and is so debilitated or incapaci-
6 tated as to create a reasonable probability that he or she is physically
7 or cognitively incapable of presenting any danger to society and does
8 not present a danger to society. If the board makes such a determination
9 then it may make a new grant of medical parole pursuant to the standards
10 of paragraph (b) of subdivision one of this section. At the hearing, the
11 releasee shall have the right to representation by counsel, including
12 the right, if the releasee is financially unable to retain counsel, to
13 have the appropriate court assign counsel in accordance with the county
14 or city plan for representation placed in operation pursuant to article
15 eighteen-B of the county law.

16 (g) The hearing and determination provided for by paragraph (f) of
17 this subdivision shall be concluded within the six month period of
18 medical parole. If the board does not renew the grant of medical parole,
19 it shall order that the releasee be returned immediately to the custody
20 of the department of correctional services.

21 (h) In addition to the procedures set forth in paragraph (f) of this
22 subdivision, medical parole may be revoked at any time upon any of the
23 grounds specified in paragraph (a) of subdivision three of section two
24 hundred fifty-nine-i of this article, and in accordance with the proce-
25 dures specified in subdivision three of section two hundred fifty-nine-i
26 of this article.

27 (i) A releasee who is on medical parole and who becomes eligible for
28 parole pursuant to the provisions of subdivision two of section two
29 hundred fifty-nine-i of this article shall be eligible for parole
30 consideration pursuant to such subdivision.

31 5. A denial of release on medical parole or expiration of medical
32 parole in accordance with the provisions of paragraph (f) of subdivision
33 four of this section shall not preclude the inmate from reapplying for
34 medical parole or otherwise affect an inmate's eligibility for any other
35 form of release provided for by law.

36 6. To the extent that any provision of this section requires disclo-
37 sure of medical information for the purpose of processing an application
38 or making a decision, regarding release on medical parole or renewal of
39 medical parole, or for the purpose of appropriately supervising a person
40 released on medical parole, and that such disclosure would otherwise be
41 prohibited by article twenty-seven-F of the public health law, the
42 provisions of this section shall be controlling.

43 7. The commissioner [of correctional services] and the chair of the
44 board [of parole] shall be authorized to promulgate rules and regu-
45 lations for their respective agencies to implement the provisions of
46 this section.

47 8. Any decision made by the board pursuant to this section may be
48 appealed pursuant to subdivision four of section two hundred
49 fifty-nine-i of this article.

50 9. The chair of the board shall report annually to the governor, the
51 temporary president of the senate and the speaker of the assembly, the
52 chairpersons of the assembly and senate codes committees, the chair-
53 person of the senate crime and corrections committee, and the chair-
54 person of the assembly corrections committee the number of inmates who
55 have applied for medical parole under this section; the number who have
56 been granted medical parole; the nature of the illness of the appli-

1 cants, the counties to which they have been released and the nature of
2 the placement pursuant to the medical discharge plan; the categories of
3 reasons for denial for those who have been denied; the number of releas-
4 ees who have been granted an additional period or periods of medical
5 parole and the number of such grants; the number of releasees on medical
6 parole who have been returned to IMPRISONMENT IN the custody of the
7 department [of correctional services] and the reasons for return.

11 the state board of parole pursuant to this act, all employees of the
12 department of correctional services, the division of parole and the

14 corrections and community supervision. Employees transferred pursuant to
15 this section shall be transferred without further examination or quali-
16 fication and shall retain their respective civil service classifica-
17 tions, status and collective bargaining unit designations and collective
18 bargaining agreements.

19 S 40. Transfer of records. All books, papers, and property of the
20 department of correctional services, the division of parole and the
21 state board of parole shall be deemed to be in the possession of the

28 functions, powers, duties and obligations transferred and assigned to,
29 devolved upon and assumed by it pursuant to this act, the department of
30 corrections and community supervision shall be deemed and held to
31 constitute the continuation of the department of correctional services,
32 the division of parole and the state board of parole.

33 S 42. Completion of unfinished business. Any business or other matter
34 undertaken or commenced by the department of correctional services, the
35 division of parole or the state board of parole pertaining to or
36 connected with the functions, powers, obligations and duties hereby
37 transferred and assigned to the department of corrections and community
38 supervision and pending on the effective date of this act, may be
39 conducted and completed by the department of corrections and community
40 supervision or the board of parole in the same manner and under the same
41 terms and conditions and with the same effect as if conducted and
42 completed by the department of corrections, the division of parole or
43 the state board of parole.

6 sentence to a residential treatment facility and such person may be

40 part UU of chapter 56 of the laws of 2009, is amended to read as
41 follows:

42 S 140-a. Pilot project for filing medical assistance applications for
43 inmates prior to their release. 1. Subject to the availability of an
44 appropriation of no less than two hundred thousand dollars, the commis-
45 sioner, after consultation with the chairman of the [division] STATE
46 BOARD of parole, the commissioner of the department of health, and the
47 commissioner of the office of temporary and disability assistance, shall
48 establish a pilot program at a designated correctional facility for the
49 purpose of filing applications for enrollment in the medical assistance
50 program established under title eleven of article five of the social
51 services law for eligible inmates prior to their release to the communi-
52 ty; provided, however, that the commissioner shall not establish such
53 pilot program at the Orleans correctional facility. For purposes of this
54 pilot program, eligible inmates shall not include any inmates who were
55 receiving such medical assistance immediately prior to their commitment
56 to the department and whose medical assistance was thereafter suspended

1 pursuant to the provisions of subdivision one-a of section three hundred
2 sixty-six of the social services law.

3 2. In determining the facility where the pilot program shall be estab-
4 lished, the commissioner shall give due consideration to the following
5 factors, which shall include, but not be limited to: (i) the degree to
6 which pre-release services and re-entry services are either already
7 available at such facility or can be made readily available at such
8 facility; (ii) the proximity of the facility to the communities to which
9 the eligible inmates will be released; (iii) the availability of commu-
10 nity linkages which would facilitate the preparation and submission of
11 such medical assistance applications for eligible inmates; and (iv) the
12 recommendations of the commissioner of the office of temporary and disa-
13 bility assistance, the commissioner of the department of health and the
14 chairman of the [division] STATE BOARD of parole.

15 3. The commissioner may use the appropriation for this pilot program
16 to establish one or more department positions to perform any responsi-
17 bilities [which] THAT may arise in connection with the preparation and
18 submission of such medical assistance applications. The commissioner may
19 also use the appropriation to enter into any contract with one or more
20 outside individuals or entities to provide any services that may be
21 needed in connection with this pilot program. Further, all or a portion
22 of the funds appropriated for the pilot program may be transferred to
23 another state agency in order to establish positions to perform any
24 responsibilities which may be necessary to operate the pilot program.

25 4. Applications for medical assistance shall be submitted to the
26 statewide enrollment center established by contract with the department
27 of health pursuant to subdivision twenty-four of section two hundred six

31 inmate's release from the custody; provided, however, that where the
32 eligible inmate will be released to the same county where the pilot

36 centralized statewide enrollment center shall determine the eligibility
37 of such inmate for enrollment in the medical assistance program estab-
38 lished under title eleven of article five of the social services law.
39 Such determination shall be based on whether the inmate, except for his
40 or her status as an inmate, would be eligible to receive medical assist-
41 ance. Notwithstanding any inconsistent provision of law, enrollment in
42 the medical assistance program shall be effective on the date an eligi-

47 the medical assistance identification card so that the applicant will
48 receive appropriate documentation of [his/her] HIS OR HER eligibility of
49 medical assistance either upon release or as soon thereafter as practi-
50 cable.

51 6. After the pilot program becomes operational, the commissioner shall
52 periodically monitor all indicators related to the preparation and proc-
53 essing of inmate applications which shall include, but not be limited
54 to: (i) the degree to which all of the requisite information for an
55 application can be obtained while the inmate is incarcerated by the

1 applications; (iii) the most effective manner for the transmittal of a
2 completed application for an eligibility determination; (iv) the average

5 provided to the eligible individual; and (v) the identification of
6 issues and factors which may prevent, impede, or delay the preparation
7 and submission of applications, which could be ameliorated by modifica-
8 tions to existing laws, rules and regulations, or policies and proce-
9 dures.

10 7. After the pilot program has been operational for a period of twelve
11 months, or sooner if determined to be appropriate by the commissioner, a
12 report shall be prepared by the commissioner and submitted to the gover-
13 nor, the temporary president of the senate and the speaker of the assem-
14 bly on the factors listed in subdivision six of this section. Such
15 report shall also include any recommendations for additional legislative
16 enactments that may be needed, or new appropriations that may be
17 required, to improve, enhance and subsequently expand the program to
18 other correctional facilities as determined to be appropriate by the
19 commissioner, with the ultimate goal to assist as many inmates as feasi-
20 ble to submit applications for medical assistance prior to their release
21 to the community.

22 8. The [division] STATE BOARD of parole shall assist the department in
23 any manner necessary to assure that the purposes and objective of this
24 section are effectively accomplished.

25 9. The commissioner and the commissioner of the department of health

19 section, which was required by law to include a term of post-release
20 supervision:

21 2. Whenever it shall appear to the satisfaction of the department that

23 parole] that a releasee under its supervision, is a designated person,
24 [such agency] THE DEPARTMENT shall make notification of that fact to the
25 court that sentenced such person, and to the inmate or releasee.

26 3. If a sentencing court that has received such notice, after review-
27 ing the sentencing minutes, if available, is or becomes aware that a
28 term of post-release supervision was in fact pronounced at the prior
29 sentencing of such person, it shall issue a superseding commitment order
30 reflecting that fact, accompanied by a written explanation of the basis
31 for that conclusion, and send such order and explanation to the [agency
32 that provided the notice] DEPARTMENT, to the defendant, and to the

41 pursuant to section seven hundred twenty-two of the county law, provide
42 a copy of the notice pursuant to subdivision two of this section to such
43 counsel, and calendar such person for a court appearance which shall

(e) The designated person may, with counsel, knowingly consent to extend the time periods specified in paragraphs (c) and (d) of this subdivision. The people may apply to the court for an extension of ten days on the basis of extraordinary circumstances that preclude final resolution within such period of the question of whether the defendant will be resentenced. The department [or the division of parole] shall be notified by the court of any such extension.

6. In any case in which the department [or division of parole] notifies the court of a designated person, and has not been informed that the court has made a determination in accordance with paragraph (d) of subdivision four of this section (unless extended pursuant to paragraph (e) of such subdivision), [then such agency] THE DEPARTMENT may notify the court that it has not received a determination and, in any event, shall adjust its records with respect to post-release supervision noting that the court has not, in accordance with subdivision four of this section, imposed a sentence of post-release supervision.

1. Any court of this state may, in its discretion, issue a certificate of relief from disabilities to an eligible offender for a conviction that occurred in such court, if the court either (a) imposed a [revokable] REVOCABLE sentence or (b) imposed a sentence other than one executed by commitment to an institution under the jurisdiction of the state department of [correctional services] CORRECTIONS AND COMMUNITY SUPERVISION. Such certificate may be issued (i) at the time sentence is pronounced, in which case it may grant relief from forfeitures, as well as from disabilities, or (ii) at any time thereafter, in which case it shall apply only to disabilities.

23 be in the interest of justice. The action of the court excepting infor-

25 in its discretion, may hold a conference in open court or in chambers to
26 afford an applicant an opportunity to controvert or to comment upon any

33 plan and assure compliance with the conditions of the regimen of strict
34 and intensive supervision and treatment. A regimen of strict and inten-
35 sive supervision does not toll the running of any form of supervision in
36 criminal cases, including but not limited to post-release supervision
37 and parole.

38 (1) Persons ordered into a regimen of strict and intensive supervision
39 and treatment pursuant to this article shall be subject to a minimum of
40 six face-to-face supervision contacts and six collateral contacts per
41 month. Such minimum contact requirements shall continue unless subse-
42 quently modified by the court or the [division of parole] DEPARTMENT OF
43 CORRECTIONS AND COMMUNITY SUPERVISION.

44 (c) An order for a regimen of strict and intensive supervision and
45 treatment places the person in the custody and control of the [state
46 division of parole] DEPARTMENT OF CORRECTIONS AND COMMUNITY SUPERVISION.
47 A person ordered to undergo a regimen of strict and intensive super-
48 vision and treatment pursuant to this article is subject to lawful
49 conditions set by the court and the [division of parole] DEPARTMENT OF
50 CORRECTIONS AND COMMUNITY SUPERVISION.

51 (1) A person's regimen of strict and intensive supervision and treat-
52 ment may be revoked if such a person violates a condition of strict and
53 intensive supervision. If a parole officer has reasonable cause to
54 believe that the person has violated a condition of the regimen of
55 strict and intensive supervision and treatment or, if there is an oral
56 or written evaluation or report by a treating professional indicating

1 that the person may be a dangerous sex offender requiring confinement, a
2 parole officer authorized in the same manner as provided in subparagraph
3 (i) of paragraph (a) of subdivision three of section two hundred fifty-
4 nine-i of the executive law may take the person into custody and trans-

6 correctional facility for an evaluation by a psychiatric examiner, which
7 evaluation shall be conducted within five days. A parole officer may
8 take the person, under custody, to a psychiatric center for prompt eval-

10 place of lodging. A parole officer, as authorized by this paragraph, may
11 direct a peace officer, acting pursuant to his or her special duties, or
12 a police officer who is a member of an authorized police department or
13 force or of a sheriff's department, to take the person into custody and
14 transport the person as provided in this paragraph. It shall be the duty
15 of such peace officer or police officer to take into custody and trans-
16 port any such person upon receiving such direction. The [division of
17 parole] DEPARTMENT OF CORRECTIONS AND COMMUNITY SUPERVISION shall
18 promptly notify the attorney general and the mental hygiene legal
19 service, when a person is taken into custody pursuant to this paragraph.
20 No provision of this section shall preclude the [division] BOARD of
21 parole from proceeding with a revocation hearing as authorized by subdi-
22 vision three of section two hundred fifty-nine-i of the executive law.

23 (f) The court may modify or terminate the conditions of the regimen of
24 strict and intensive supervision and treatment on the petition of the
25 supervising parole officer, the commissioner or the attorney general.
26 Such petition shall be served on the respondent and the respondent's
27 counsel. A person subject to a regimen of strict and intensive super-
28 vision and treatment pursuant to this article may petition every two
29 years for modification or termination, commencing no sooner than two
30 years after the regimen of strict and intensive supervision and treat-
31 ment commenced, with service of such petition on the attorney general,
32 the [division of parole] DEPARTMENT OF CORRECTIONS AND COMMUNITY SUPER-
33 VISION, and the commissioner. Upon receipt of a petition for modifica-
34 tion or termination pursuant to this section, the court may require the
35 [division of parole] DEPARTMENT OF CORRECTIONS AND COMMUNITY SUPERVISION
36 and the commissioner to provide a report concerning the person's conduct
37 while subject to a regimen of strict and intensive supervision and
38 treatment. If more than one petition is filed, the petitions may be
39 considered in a single hearing.

3 period of post-release supervision or the person's return to the custody
4 of the [department of correctional services] DEPARTMENT OF CORRECTIONS
5 AND COMMUNITY SUPERVISION, whichever occurs first.

6 (b) Upon the completion of the period of post-release supervision, the
7 running of such sentence or sentences of imprisonment shall resume and
8 only then shall the remaining portion of any maximum or aggregate maxi-
9 mum term previously held in abeyance be credited with and diminished by
10 such period of post-release supervision. The person shall then be under
11 the jurisdiction of the [division of parole] DEPARTMENT OF CORRECTIONS
12 AND COMMUNITY SUPERVISION for the remaining portion of such maximum or
13 aggregate maximum term.

14 (c) When a person is subject to two or more periods of post-release
15 supervision, such periods shall merge with and be satisfied by discharge

21 (d) When a person is alleged to have violated a condition of post-re-

30 restoration to post-release supervision shall first be credited to the
31 maximum or aggregate maximum term of the sentence or sentences of impri-
32 sonment, but only to the extent authorized by subdivision three of
33 section 70.40 of this article. Any time spent in custody solely pursuant
34 to such delinquency after completion of the maximum or aggregate maximum
35 term of the sentence or sentences of imprisonment shall be credited to
36 the period of post-release supervision, if any; and (iv) if the person
37 is ordered returned to the department of [correctional services]
38 CORRECTIONS AND COMMUNITY SUPERVISION, the person shall be required to
39 serve the time assessment before being re-released to post-release
40 supervision. In the event the balance of the remaining period of post-
41 release supervision is six months or less, such time assessment may be
42 up to six months unless a longer period is authorized pursuant to subdi-

44 issuance of a determination after a final hearing that the person has
45 violated one or more conditions of supervision. While serving such

50 VISION shall first be credited to the maximum or aggregate maximum term
51 of the sentence or sentences of imprisonment, but only to the extent
52 authorized by subdivision three of section 70.40 of this article. The
53 maximum or aggregate maximum term of the sentence or sentences of impri-
54 sonment shall run while the person is serving such time assessment in
55 the custody of the department of [correctional services] CORRECTIONS AND
56 COMMUNITY SUPERVISION. Any time spent in custody solely pursuant to

1 such delinquency after completion of the maximum or aggregate maximum
2 term of the sentence or sentences of imprisonment shall be credited to
3 the period of post-release supervision, if any.

4 (e) Notwithstanding paragraph (d) of this subdivision, in the event a
5 person is sentenced to one or more additional indeterminate or determi-
6 nate term or terms of imprisonment prior to the completion of the period
7 of post-release supervision, such period of post-release supervision
8 shall be held in abeyance and the person shall be committed to the
9 custody of the department of [correctional services] CORRECTIONS AND
10 COMMUNITY SUPERVISION in accordance with the requirements of the prior

16 post-release supervision shall be held in abeyance while the person is
