section 57-0107 of the environmental conservation law. Such payments may only be made to districts where more than twenty-five percent of the assessed value of such district is wholly exempt from real taxation pursuant to the real property tax law because it is owned by 5 the state or a municipal corporation. Not more than ten percent of the 6 fund may be used for said purpose in any calendar year. School districts 7 shall also be eligible for such payments, provided (1) that real property within such school district has been made wholly exempt from real property taxation pursuant to the real property tax law to effectuate 9 10 the purposes of the fund, and (2) such school district is determined to 11 be a high need or average need school district pursuant to the need resource capacity index established by the state education department. Such payments from the fund shall not exceed the actual tax liability 12 13 14 that would have been due if such lands of the state or of a municipal 15 corporation had been subject to real property taxation. Where more than 16 one district is eligible for such a payment under this provision, and such payment is less than the actual tax liability that would have been 17 18 lands of the state or a municipal corporation had been if such 19 subject to real property taxation, the town shall apportion such annual payment on the basis of the total tax levied by each district within the 20 21 town for the year such payment is made. Such payment made by the town 22 shall be used solely to reduce the property tax liability of the remain-23 ing taxpayers of the district within said town]. If the implementation the community preservation project plan, adopted by a town board, as 24 25 provided in subdivision six of this section, has been completed, 26 funds are no longer needed for the purposes outlined in this subdivision, then any remaining monies in the fund shall be applied to reduce 27 28 any bonded indebtedness or obligations incurred to effectuate the 29 purposes of this section. 30

S 2. Notwithstanding any provision of law to the contrary, the town of Southampton may make annual payments from its community preservation fund to certain high-tax school, fire, fire protection, and ambulance districts, as specified in this section, located either partially within the central Pine Barrens area as defined in subdivision of section 57-0107 of the environmental conservation law. payments may be made to mitigate the impact of the lost tax revenues from lands made wholly exempt as a result of their acquisition by the federal, state, or local government for the preservation of community character as defined in subdivision 4 of section 64-e of the town law. The following districts shall be eligible: Riverhead central district, Hampton Bays union free school district, Eastport-South Manor central school district, Riverhead fire district, Flanders district, Flanders - Northampton ambulance district, and the North End Quoque fire protection district.

S 3. Such payments made by the town of Southampton pursuant to this act shall only be made for lands within such districts which are wholly exempt from real property taxation pursuant to the real property tax law that have been acquired by the federal government, state government, or a municipal corporation for community preservation purposes pursuant to section 64-e of the town law, whether or not said lands were actually acquired with community preservation funds. For the purposes of determining the payment to each eligible district, each eligible parcel shall be assessed as provided for in the real property tax law. Such assessments shall be approved by commissioner of taxation and finance in the same manner as state lands, as provided for in subdivision 3 of section 542 of the real property tax law. Such eligible parcels shall be reas-

sessed annually. The town shall apply each eligible district's tax rate to determine the maximum payment for each eligible parcel in that district for each year.
