7 S 2. Subdivision 3 of section 243 of the military law, as added by
8 chapter 420 of the laws of 1953, is amended to read as follows:

9 3. Substitutes. A position held by a public employee who is absent on
10 military duty shall[, so far as practicable,] be continued in existence,
11 AS PROVIDED IN SUBDIVISION ELEVEN OF THIS SECTION, but shall be deemed
12 temporarily vacant and shall be filled only when the public interest so

20 like manner only when the public interest so requires and any appoint-
21 ment to such position shall also be designated as a substitute appoint-
22 ment and the request for certification, the certification and the indi-
23 cia of appointment shall show that the person is being appointed to such
24 position as a substitute. Every such substitute appointment shall be for
25 a period not exceeding the leave of absence of the former incumbent and
26 shall be made in accordance with the provisions of law applicable to
27 such position, provided, however, that such substitute appointment may
28 be continued for a period in excess of one year, notwithstanding the
29 provisions of section [fifteen] SIXTY-FOUR of the civil service law.
30 Such substitute employee shall acquire no right to permanent appointment
31 or tenure by virtue of his service as a substitute and such service may
32 be terminated at any time in the discretion of the appointing officer or
33 body. His rights, if any, with respect to appointment or tenure, shall
34 not, however, be impaired in any way by his acceptance of an appointment
35 as a substitute and his name shall remain on any eligible or other list
36 and he shall be certified as eligible for any other appointment author-
37 ized by law during the existence of such list.

38 The appointment of a substitute shall terminate (a) upon the return of
39 the former incumbent to his position or (b) upon the death or permanent
40 total disability of the former incumbent or (c) upon failure of the
41 former incumbent to return to said position within ninety days after the
42 termination of his military duty or (d) upon the appointment or
43 promotion of the former incumbent to another position as authorized by
44 subdivision six of this section, and, upon the happening of any of such
45 events, said position may then be filled in the manner provided by law.

46 S 3. Subdivision 7 of section 85 of the civil service law, as amended

52 any suspension, demotion or displacement shall be made in the inverse
53 order of the date of original appointment in the service subject to the
54 following conditions: (1) blind employees shall be granted absolute
55 preference in retention; (2) the date of such original appointment for
56 disabled veterans shall be deemed to be sixty months earlier than the

1 actual date, determined in accordance with section thirty of the general
2 construction law; (3) the date of such original appointment for non-dis-
3 abled veterans shall be deemed to be thirty months earlier than the
4 actual date, determined in accordance with section thirty of the general
5 construction law; (4) no permanent competitive class employee subject to
6 the jurisdiction of the civil service commission of the city of New York
7 who receives an injury in the line of duty, as defined in this para-
8 graph, which requires immediate hospitalization, and which is not
9 compensable through workmen's compensation may be suspended, demoted or
10 displaced pursuant to section eighty of this chapter within three months
11 of the date of his confinement, provided that medical authorities
12 approved by such commission shall certify that the employee is not able
13 to perform the duties of his position; provided further, that such
14 three-month period may be extended by such commission for additional
15 periods not to exceed one year each upon the certification of medical
16 authorities selected by such commission that the employee is, as a
17 result of his injury, still not able to perform the duties of his posi-
18 tion. An injury in the line of duty, as used herein, shall be construed
19 to mean an injury which is incurred as a direct result of the lawful
20 performance of the duties of the position. In determining whether an
21 injury was received in the line of duty, such commission shall require
22 the head of the agency by which the employee is employed to certify that
23 the injury was received as a direct result of the lawful performance of
24 the employee's duties; [and] (5) the spouse of a veteran with one
25 hundred percent service connected disability shall be deemed to be sixty
26 months earlier than the actual date, determined in accordance with
27 section thirty of the general construction law, provided, the spouse is
28 domiciled with the veteran-spouse and is the head of the household; AND
29 (6) EMPLOYEES ENGAGED IN THE PERFORMANCE OF MILITARY DUTY AT THE TIME OF
30 ABOLITION OR ELIMINATION OF THEIR POSITION SHALL BE GRANTED PREFERENCE
31 IN RETENTION, IN THE MANNER PROVIDED FOR IN SUBDIVISION ELEVEN OF
32 SECTION TWO HUNDRED FORTY-THREE OF THE MILITARY LAW. This section shall
33 not be construed as conferring any additional benefit upon such employee
34 other than a preference in retention. Such employee shall be subject to
35 transfer upon the abolition of his function within his agency or depart-
36 ment.

37 S 4. This act shall take effect immediately.
