Introduced by Sens. ALESI, OPPENHEIMER, PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Education -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the education law and the state finance law, in relation to the procurement and use of environmentally sensitive commodities and services

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. The legislature finds and declares that
2 it shall be the policy of the state of New York to provide every child
3 with an environmentally safe and healthy learning environment in which
4 to grow, learn and mature into productive and healthy adults. The legis-
5 lature further finds that schools are major consumers and disposers of
6 supplies and materials, and that schools should serve as role models for
7 environmentally responsible behavior with regard to energy conservation,
8 reduced consumption and disposal of toxic and hazardous materials. Chil-
9 dren are uniquely vulnerable to and may be severely affected by exposure
10 to chemicals, hazardous wastes and other environmental hazards, which
11 affect their learning abilities as well as create chemical-based
12 responses and sensitivities. When health threats are caused by the pres-
13 ence of toxic materials, the cost to individual school districts and the
14 state are enormous in terms of staff time and effort, cleanup costs,
15 school closing and liability. Therefore, to provide a safe and healthy
16 environment for our children in school, the legislature finds that
17 school districts should be informed of and consider the purchase of
18 environmentally sensitive products and services. It is the purpose of
19 this legislation to reduce as much as possible toxic exposures for chil-
20 dren and school staff.

21 S 2. Subdivision 1 of section 409 of the education law, as amended by
22 section 4 of part L of chapter 405 of the laws of 1999, is amended to
23 read as follows:

24 1. All school buildings of common, union free, central, central high
25 school and city school districts other than city school districts of
