26 license may provide for reasonable rights of access, utilities and park-
27 ing located within the boundaries of the respective park or historic
28 site. Such extended term shall be for the purpose of assuring a lessee
29 or licensee adequate protection against loss of investments in develop-
30 ing, renovating, improving, furnishing and equipping such properties,
31 and the length of the term of any such lease or license shall have a
32 direct relationship to the period required to amortize the investment.
33 Any such lease or license shall be entered into only after a finding by
34 the commissioner that such action is compatible with public enjoyment
35 and participation in adjacent park facilities, and in the case of struc-
36 tures listed on or eligible for the state register of historic places,
37 that such lease or license will encourage investment by the private
38 sector in restoring, preserving and maintaining such properties. In
39 addition, such lease or license shall contain terms and conditions as
40 the commissioner shall deem necessary to address environmental concerns,
41 including any historic and recreational resources of such property; the
42 compatible uses of adjacent park lands and facilities; and otherwise to
43 protect the public interest. The bid prospectus submitted to prospective
44 bidders shall contain specific information concerning the nature of the
45 capital improvements or equipment to be provided by the successful
46 bidder. Revenues from the lease or license of property pursuant to this
47 section shall be deposited into the state park infrastructure fund
48 established pursuant to section ninety-seven-mm of the state finance
49 law.

50 S 2. This act shall take effect immediately.
