AN ACT to amend the town law, the village law, and the general city law, in relation to authorizing the enactment of zoning laws and ordinances to regulate formula retail uses

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative Findings. The state legislature has delegated
2 to its local governments the authority to enact zoning and land use
3 regulations pursuant to a duly adopted comprehensive plan. It is well
4 established that such regulations may be enacted to promote such valid
5 public purposes as the protection of historic character, community
6 aesthetics, distinctive community character, and the maintenance of
7 diverse and vibrant commercial areas.
8 The legislature finds that these valid public purposes are being
9 threatened in communities across the state by the phenomenon of formula
10 retail businesses which may serve to erode such resources as historic
11 character, aesthetics, unique community character, and commercial diversity that create a sameness that destroys community identity.
12 Many communities across the nation have enacted laws to regulate
13 formula retail uses in order to mitigate these adverse impacts. However,
14 in New York, the statutes which delegate zoning and land use authority
15 to local governments are silent with regard to this new threat to community character. As a result, local governments have been reluctant to
16 enact regulations, fearing the uncertainty and potential litigation that
17 such laws may engender because of the lack of specific authority in the
18 state enabling acts.
19 It is the purpose of this act to clarify that local governments have
20 the authority to adopt comprehensive plans and local laws and ordinances

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.
