Introduced by Sen. HANNON -- read twice and ordered printed, and when printed to be committed to the Committee on Environmental Conservation

AN ACT to direct the department of environmental conservation to expedite cleanup efforts at the former Grumman Aircraft Engineering Corporation facilities at Bethpage

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. The department of environmental conservation shall expedite the design and construction phases in regard to cleanup efforts at the former Grumman Aircraft Engineering Corporation facilities in Bethpage, Town of Oyster Bay, Nassau County.

S 2. For areas of the site in the design phase, the department of environmental conservation will develop construction quality control, construction quality assurance, and contingency reports. Interim remedial measures will also be developed for both emergency and non-emergency situations that may arise during the cleanup process.

S 3. During the construction phase at the site, the plans described in section two of this act will be followed accurately and in a timely manner to remove potentially harmful chemicals from the site and reduce threats to the public health.

S 4. This act shall take effect immediately.

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [ ] is old law to be omitted.
