May 30, 2012

Introduced by Sen. NOZZOLIO -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT granting retroactive tier IV membership in the New York state and local employees' retirement system to Tamara Hemminger

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Notwithstanding any other provision of law, Tamara Hemming-
2 er, a member of the New York state and local employees' retirement
3 system, who was employed on December 7, 2009, by the department of labor
4 as a labor services representative, who filed a membership application
5 in such system on December 17, 2009, which should have given her Tier IV
6 status but for reasons not ascribable to her own negligence and due to
7 an administrative error, the application was not processed in the usual
8 manner and therefore not processed, may be deemed to have become a
9 member of the New York state and local employees' retirement system on
10 December 17, 2009.

11 S 2. Any past service costs incurred in implementing the provisions of
12 this act shall be borne by the state.

13 S 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50: This bill will deem Tamara Hemminger, currently an employee of the Canandaigua City School District and formerly an employee of the New York State Department of Labor, to have become a member of the New York State and Local Employees' Retirement System on December 17, 2009, thereby granting her Tier 4 status.

If this legislation is enacted during the 2012 legislative session, we anticipate that there will be an increase of approximately \$1,500 in the annual contributions of the Canandaigua City School District for the fiscal year ending March 31, 2013.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$2,280, which would be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment would be made on March 1, 2013.
