AN ACT to amend the public authorities law, in relation to enacting the Metropolitan Transportation Authority accountability and transparency act of 2012 and to repeal certain provisions of such law relating thereto

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "Metropolitan Transportation Authority accountability and transpar-  
3 ency act of 2012".

4 S 2. Legislative findings. 1. The legislature finds and declares that  
5 the efficient and adequate transportation of mass transit riders within  
6 the New York metropolitan area is of vital importance to the New York  
7 state economy.

8 2. The legislature further declares that it is the policy of the state  
9 that the preservation, strengthening and improvement of mass transporta-  
10 tion services is an essential public purpose, and that it is in the  
11 public's interest for the state and its political subdivision, in coop-  
12 eration with other levels of government, to take appropriate measures  
13 and assume responsibilities for the preservation of such essential  
14 services.

15 3. The legislature finds that the Metropolitan Transportation Authori-  
16 ty was authorized to incorporate by chapter 324 of the laws of 1965 to  
17 serve as the state's instrument for the carrying out of programs  
18 designed to continue and improve mass transit services.

19 4. The legislature further finds that the Metropolitan Transportation  
20 Authority was additionally authorized under chapter 717 of the laws of  
21 1967 to provide a greater degree of coordination of effort, development  
22 and operation of public-owned mass transportation facilities within the  
23 metropolitan region operated by several agencies by placing such agen-  
24 cies under the control of a single board charged with the additional  
25 responsibility of developing and implementing a unified mass transporta-  
26 tion policy for the region.

1 5. The legislature declares that due to the continued decline in the  
2 Metropolitan Transportation Authority's financial situation there is an  
3 urgent and immediate need for the stabilization, strengthening and  
4 improvement of mass transportation services in the metropolitan area.  
5 Therefore, the legislature declares that in order to ensure a healthy  
6 economy for the state and the New York metropolitan region, the  
7 provision of adequate mass transportation facilities for the transport  
8 of persons must be assured and this necessitates a temporary structural  
9 change in the organization of the Metropolitan Transportation Authority  
10 in the form of a temporary reorganization board which shall exist for a  
11 period of three years.

12 6. The legislature further declares that this temporary reorganization  
13 board shall replace the board authorized by section 1263 of the public  
14 authorities law to ensure the Metropolitan Transportation Authority  
15 works in the best interest of taxpayers and mass transportation riders  
16 alike by managing the metropolitan region mass transportation operations  
17 with transparency, efficiency, and accountability.

18 7. The legislature declares that in no later than one year the tempo-  
19 rary board shall recommend a statutory plan for the prospective govern-  
20 ing structure required to ensure continued transparency, efficiency, and  
21 accountability of metropolitan region mass transportation operations.  
22 The legislature further finds that these statutory changes are consist-  
23 ent with existing authority agreements, necessary, and in the best  
24 interest of the state's citizens in general.

25 S 3. The public authorities law is amended by adding a new section  
26 1269-h to read as follows:
