- S 2. Notwithstanding the defects described in section one of this act, the bond anticipation notes issued by the village pursuant to each of the bond resolutions identified in section one of this act, and all resolutions, acts and proceedings adopted or taken by the board of trustees and the village treasurer of such village in relation thereto, are hereby validated, ratified and confirmed. The village is hereby authorized to issue bonds or bond anticipation renewal notes to continue financing the objects and purposes authorized pursuant to the aforesaid bond resolutions over the period of probable usefulness thereof as set forth in section 11.00 of the local finance law.

- S 4. If any clause, sentence, subdivision, paragraph, section or part of this act be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, subdivision, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.
  - S 5. This act shall take effect immediately.
