3 PART A

4 Section 1. Legislative intent. Organized retail theft is a growing
5 problem for retailers in this state and throughout the United States. It
6 is committed by professional theft rings which move across communities
7 and states to pilfer merchandise from supermarkets, chain drugstores,
8 independent pharmacies, mass merchandisers and convenience stores, then
9 resell that merchandise over the internet, at flea markets and to the
10 stores from which it was stolen. Popular items include infant formula,
11 skin care products, heartburn medications and shaving products. Accord-
12 ing to the Federal Bureau of Investigation, organized retail theft loss-
