IN ASSEMBLY -- Introduced by M. of A. THIELE -- read once and referred to the Committee on Aging

AN ACT to amend the real property law, in relation to planned retirement communities in Suffolk county

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. The legislature hereby finds a need to
2 provide adequate housing for senior citizens in Suffolk county wishing
3 to retire and locate in a planned retirement community.
4 The legislature also finds that developers in Suffolk county have
5 begun selling factory manufactured homes in so-called "retirement commu-
6 nities" in which a large parcel of land is subdivided into many smaller
7 plots. In these communities, the home purchaser buys and owns only the
8 home, and rents the plot on which the home is installed from the devel-
9 oper. The developer retains ownership and control of the roads, side-
10 walks, and common areas in the community.
11 This legislature further finds that the nature of this type of enter-
12 prise, that is, the purchaser buying only the home and the developer
13 retaining ownership of the land on which the home is installed, tends to
14 lend itself to abuse and possibly illegal acts to the prejudice and
15 detriment of the purchaser.
16 This legislature determines that adults of retirement age are a disad-
17 vantaged group, and as such, require special protection.
18 Therefore, the purpose of this act is to extend to the owners or occu-
19 pants of homes in planned retirement communities at the minimum, (a) the
20 right to sell their homes including the incidental right to use any and
21 all methods common to sales of residential property, and (b) a long term
22 lease for no less than ninety-nine years with the sole option to cancel

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
[] is old law to be omitted.
