CONCURRENT RESOLUTION OF THE SENATE AND ASSEMBLY

proposing amendments to sections 2 and 4 of article 3 of the constitu-
tion, in relation to the number of senators and the apportionment of
senate districts

1 Section 1. Resolved (if the Senate concur), That sections 2 and 4 of
2 article 3 of the constitution be amended to read as follows:
3 S 2. The senate shall consist of [fifty] SIXTY-TWO members[, except as
4 hereinafter provided]. The senators [elected in the year one thousand
5 eight hundred and ninety-five shall hold their offices for three years,
6 and their successors] shall be [chosen] ELECTED for two years. The
7 assembly shall consist of one hundred and fifty members. The assembly
8 members [elected in the year one thousand nine hundred and thirty-eight,
9 and their successors,] shall be [chosen] ELECTED for two years.
10 S 4. Except as herein otherwise provided, the federal census taken in
11 the year nineteen hundred thirty and each federal census taken decenni-
12 ally thereafter shall be controlling as to the number of inhabitants in
13 the state or any part thereof for the purposes of the apportionment of
14 members of assembly and readjustment or alteration of [senate and]
15 assembly districts next occurring, in so far as such census and the
16 tabulation thereof purport to give the information necessary therefor.
17 The legislature, by law, shall provide for the making and tabulation by
18 state authorities of an enumeration of the inhabitants of the entire
19 state to be used for such purposes, instead of a federal census, if the
20 taking of a federal census in any tenth year from the year nineteen
21 hundred thirty be omitted or if the federal census fails to show the
22 number of aliens or Indians not taxed. If a federal census, though
23 giving the requisite information as to the state at large, fails to give
24 the information as to any civil or territorial divisions which is
25 required to be known for such purposes, the legislature, by law, shall

1 provide for such an enumeration of the inhabitants of such parts of the
2 state only as may be necessary, which shall supersede in part the feder-
3 al census and be used in connection therewith for such purposes. The
4 legislature, by law, may provide in its discretion for an enumeration by
5 state authorities of the inhabitants of the state, to be used for such
6 purposes, in place of a federal census, when the return of a decennial
7 federal census is delayed so that it is not available at the beginning
8 of the regular session of the legislature in the second year after the
9 year nineteen hundred thirty or after any tenth year therefrom, or if an
10 apportionment of members of assembly [and readjustment or alteration of
11 senate districts] is not made at or before such a session. [At the regu-
12 lar session in the year nineteen hundred thirty-two, and at the first
13 regular session after the year nineteen hundred forty and after each
14 tenth year therefrom the senate districts shall be readjusted or
15 altered, but if, in any decade, counting from and including that which
16 begins with the year nineteen hundred thirty-one, such a readjustment or
17 alteration is not made at the time above prescribed, it shall be made at
18 a subsequent session occurring not later than the sixth year of such
19 decade, meaning not later than nineteen hundred thirty-six, nineteen
20 hundred forty-six, nineteen hundred fifty-six, and so on; provided,
21 however, that if such districts shall have been readjusted or altered by
22 law in either of the years nineteen hundred thirty or nineteen hundred
23 thirty-one, they shall remain unaltered until the first regular session
24 after the year nineteen hundred forty. Such districts shall be so read-
25 justed or altered that each senate district shall contain as nearly as
26 may be an equal number of inhabitants, excluding aliens, and be in as
27 compact form as practicable, and shall remain unaltered until the first
28 year of the next decade as above defined, and shall at all times consist
29 of contiguous territory, and no county shall be divided in the formation
30 of a senate district except to make two or more senate districts wholly
31 in such county. No town, except a town having more than a full ratio of
32 apportionment, and no block in a city inclosed by streets or public
33 ways, shall be divided in the formation of senate districts; nor shall
34 any district contain a greater excess in population over an adjoining
35 district in the same county, than the population of a town or block
36 therein adjoining such district. Counties, towns or blocks which, from
37 their location, may be included in either of two districts, shall be so
38 placed as to make said districts most nearly equal in number of inhabit-
39 ants, excluding aliens.

40 No county shall have four or more senators unless it shall have a full
41 ratio for each senator. No county shall have more than one-third of all
42 the senators; and no two counties or the territory thereof as now organ-
43 ized, which are adjoining counties, or which are separated only by
44 public waters, shall have more than one-half of all the senators.

45 The ratio for apportioning senators shall always be obtained by divid-
46 ing the number of inhabitants, excluding aliens, by fifty, and the
47 senate shall always be composed of fifty members, except that if any
48 county having three or more senators at the time of any apportionment
49 shall be entitled on such ratio to an additional senator or senators,
50 such additional senator or senators shall be given to such county in
51 addition to the fifty senators, and the whole number of senators shall
52 be increased to that extent.

53 The senate districts, including the present ones, as existing imme-
54 diately before the enactment of a law readjusting or altering the senate
55 districts, shall continue to be the senate districts of the state until
56 the expirations of the terms of the senators then in office, except for

1 the purpose of an election of senators for full terms beginning at such
2 expirations, and for the formation of assembly districts] EACH COUNTY
3 HERETOFORE ESTABLISHED AND SEPARATELY ORGANIZED SHALL BE REPRESENTED BY
4 A SINGLE MEMBER OF THE SENATE, AND EVERY SENATE DISTRICT SHALL BE
5 CONTIGUOUS WITH THE BOUNDARIES OF A COUNTY OF THE STATE.
6 S 2. Resolved (if the Senate concur), That the foregoing be referred
7 to the first regular legislative session convening after the next
8 succeeding general election of members of the assembly, and, in conform-
9 ity with section 1 of article 19 of the constitution, be published for 3
10 months previous to the time of such election.
