AN ACT to amend the education law, in relation to establishing the  
"Access to Postsecondary Education Act" to provide in-state tuition  
rates at New York state universities and colleges to qualified immi-  
grant students

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-  
BLY, DO ENACT AS FOLLOWS:

1     Section 1. Short title. This act shall be known and may be cited as  
2     the "Access to Postsecondary Education Act."  
3     S 2. Legislative findings and purpose. The legislature hereby finds  
4     and declares that many immigrant high school students have lived in the  
5     state of New York most of their lives, and are likely to remain resi-  
6     dents. These students are nevertheless precluded from obtaining an  
7     affordable college education because they do not qualify for in-state  
8     tuition rates. Without in-state tuition, many of these students are not  
9     able to attend college. These students have already proven their academ-  
10    ic eligibility and merit by being accepted into the state college and  
11    university system. Making it possible for these students to attend  
12    college will increase the state's college-educated workforce and stimu-  
13    late economic growth. This act does not confer postsecondary education  
14    benefits on the basis of residence within the meaning of section 1623 of  
15    title 8 of the United States Code.  
16    The legislature hereby finds that the purpose of this act is to  
17    provide educational opportunity to children who are long-time residents  
18    of the state of New York, thusly improving the overall economic condi-  
19    tion of the state.  
20    S 3. The education law is amended by adding a new section 6305-a to  
21    read as follows:

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets  
[ ] is old law to be omitted.
