AN ACT directing the New York State Energy Research and Development Authority to undertake a statewide study of consumer behaviors with respect to energy efficiency and clean energy technology programs

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. 1. In preparing pre-installation and post-installation
2 audits of residential properties that have received energy efficiency
3 services provided by the New York State Energy Research and Development
4 Authority or its contractors, the authority shall collect and examine
5 information that will contribute to an understanding of consumer behav-
6 iors and energy usage. Such information shall include, but not be limit-
7 ed to, the duration of any behavioral changes with respect to energy
8 efficiency and clean energy practices and services including a compar-
9 ative examination of consumers who maintain energy efficiency practices
10 after participation in energy efficiency and other clean energy programs
11 and consumers who do not maintain such practices. This report shall also
12 include an analysis of the impact of behavior-based programs on the
13 consumer's decision to participate in other state-sponsored energy effi-
14 ciency and clean energy programs, including but not limited to the use
15 of coupons and rebates offered by non-utility vendors. After such exam-
16 ination, the authority may apply social science theories and other
17 applicable methods and mechanisms to better understand and thus have
18 energy efficiency and clean energy programs replicate program strategies
19 that result in sustainable behaviors.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.
