S 5. The parcels defined in sections two, three and four of this act shall be used for park purposes, shall not be used for transportation purposes and shall not be sold, leased, exchanged, donated, or otherwise disposed of or used for other than public park purposes without the express authority of an act of the legislature, which shall provide for the substitution of other lands of equal environmental value and fair market value and reasonably equivalent usefulness and location to those to be discontinued, sold or disposed of, and such other requirements as shall be approved by the commissioner of parks and recreation of the city of New York and the commissioner of environmental conservation.

- S 6. There shall be set aside a sum of money equal to the cost of constructing the parkways that are de-mapped pursuant to this act, to be used for highway and road improvement or transit purposes in the borough of Staten Island, on application of the city of New York, the department of transportation, the metropolitan transportation authority or the Port Authority of New York and New Jersey, as the case may be. The projects may include, but shall not be limited to: the construction of turning lanes and intersection improvements at the intersection of Ocean Terrace and Todt Hill Road; the extension of the eastbound service road of the Staten Island Expressway from Manor Road to Renwick Avenue; or the construction of a connector from the Korean War Veterans Parkway to Richmond Avenue.
- S 7. Nothing in this act shall prevent the city of New York from making application to the legislature for approval of an exchange of adjacent property owned by the city of New York of equivalent size and value on Rockland Avenue between Brielle Avenue and Richmond Road, for such improvement of Rockland Avenue as the city of New York may authorize consistent with any and all land use review and applicable state law.
- 30 S 8. This act shall take effect immediately.
