Introduced by M. of A. LANCMAN -- read once and referred to the Committee on Codes

AN ACT to amend the civil practice law and rules, the insurance law, the workers' compensation law, the general municipal law and the court of claims act, in relation to enacting the "adversarial medical examination procedure act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Short title. This act shall be known and may be cited as  
2     the "adversarial medical examination procedure act".  
3     S 2. The legislature hereby finds and declares that the conducting of  
4     physical and mental examinations in the course of civil litigation and  
5     other civil proceedings has evolved in a manner inconsistent with the  
6     civil practice law and rules and fundamental notions of due process.  
7     Indeed, a commonly used term for such examinations, an "independent  
8     medical examination," is itself a misnomer because the physician  
9     conducting such examination is not at all independent, but is in fact  
10    being compensated by a party or insurer whose interests are typically  
11    adverse to those of the party being examined. Further, parties being  
12    examined are frequently required to provide written responses to ques-  
13    tions outside the discovery process prescribed in the civil practice law  
14    and rules or relevant claims process and without the opportunity to  
15    obtain advice of counsel, even though such written responses can and are  
16    being used as admissions and/or to later impeach the examined party in  
17    the course of such proceeding. Accordingly, the name by which such an  
18    examination is called needs to be changed to reflect the true adver-  
19    sarial nature of such examination; the process for obtaining information  
20    from the party to be examined which is necessary to the proper conduct-  
21    ing of the examination needs to be brought within the carefully consid-

ered discovery process which already exists in the civil practice law and rules or claims process.

S 3. Section 3121 of the civil practice law and rules, subdivision (a) as amended by chapter 294 of the laws of 1984, is amended to read as follows:

S 3121. [Physical or mental] ADVERSARIAL MEDICAL examination. (a) Notice of AN ADVERSARIAL MEDICAL examination. After commencement of an action in which the mental or physical condition or the blood relationship of a party, or of an agent, employee or person in the custody or under the legal control of a party, is in controversy, any party may serve notice on another party to submit to a physical, mental or blood [examination] "ADVERSARIAL MEDICAL EXAMINATION" by a designated physician, or to produce for such ADVERSARIAL MEDICAL examination his OR HER agent, employee or the person in his OR HER custody or under his OR HER legal control. The notice may require duly executed and acknowledged written authorizations permitting all parties to obtain, and make copies of, the records of specified hospitals relating to such mental or physical condition or blood relationship; where a party obtains a copy of a hospital record as a result of the authorization of another party, he OR SHE shall deliver a duplicate of the copy to such party. A copy of the notice shall be served on the person SUBJECT to [be examined] THE ADVERSARIAL MEDICAL EXAMINATION. It shall specify the time, which shall be not less than twenty days after service of the notice, and the conditions and scope of the ADVERSARIAL MEDICAL examination, AND IT SHALL INFORM THE PERSON SUBJECT TO THE EXAMINATION THAT HE OR SHE HAS THE RIGHT TO HAVE A REPRESENTATIVE PRESENT DURING SUCH EXAMINATION, AND SHALL HAVE THE RIGHT TO RECORD OR TAPE SUCH EXAMINATION IN A MANNER SUCH AS NOT TO UNREASONABLY IMPEDE SUCH EXAMINATION. THE PERSON SUBJECT TO THE ADVERSARIAL MEDICAL EXAMINATION SHALL NOT BE REQUIRED TO PRODUCE ANY DOCUMENTS OR SUPPLY ANY WRITTEN ANSWERS TO QUESTIONS PUT TO HIM OR HER AT SUCH EXAMINATION EXCEPT AS IN RESPONSE TO PROPERLY SERVED DISCOVERY DEMANDS MADE PURSUANT TO THE CIVIL PRACTICE LAW AND RULES.

(b) Copy of report. A copy of a detailed written report of the examining physician setting out [his] THE findings and conclusions OF THE ADVERSARIAL MEDICAL EXAMINATION shall be delivered by the party seeking the ADVERSARIAL MEDICAL examination to [any] EACH party [requesting to exchange therefor a copy of each report in his control of an examination made with respect to the mental or physical condition in controversy] WITHIN THIRTY DAYS OF SUCH EXAMINATION.

(C) FAILURE TO EXCHANGE. NOTHING CONTAINED IN THIS SECTION SHALL LIMIT THE RIGHTS OF ANY PARTY FROM MOVING TO PRECLUDE OR FOR SEEKING OTHER SANCTIONS PURSUANT TO RULE 3124 OR SECTION 3126 FOR FAILURE TO EXCHANGE A DETAILED WRITTEN REPORT OF AN "ADVERSARIAL MEDICAL EXAMINATION" UPON OTHER PARTIES TO AN ACTION.

S 4. Section 5102 of the insurance law is amended by adding a new subsection (n) to read as follows:

(N) "ADVERSARIAL MEDICAL EXAMINATION" MEANS ANY PHYSICAL EXAMINATION REQUESTED BY AN INSURER MADE IN RESPONSE TO A CLAIM MADE PURSUANT TO BENEFITS UNDER THIS ARTICLE. THE PERSON SUBJECT TO EXAMINATION SHALL HAVE THE RIGHT TO HAVE A REPRESENTATIVE PRESENT DURING SUCH EXAMINATION AND SHALL HAVE THE RIGHT TO RECORD OR TAPE SUCH EXAMINATION IN A MANNER SUCH AS NOT TO UNREASONABLY IMPEDE SUCH EXAMINATION. THE PERSON TO BE EXAMINED SHALL BE INFORMED OF SUCH RIGHTS AT LEAST TWENTY DAYS PRIOR TO SUCH EXAMINATION. IF SUCH EXAMINATION SHALL BE USED TO DENY, IN WHOLE OR IN PART, ANY BENEFITS UNDER THIS SECTION, A COPY OF THE DETAILED WRITTEN REPORT OF SUCH EXAMINATION, WRITTEN BY THE EXAMINING PHYSICIAN

OR HEALTH CARE PROFESSIONAL, SHALL BE PROVIDED TO THE INJURED PARTY AND ANY THIRD-PARTY MEDICAL PROVIDER TO WHOM THE INJURED PARTY MAY HAVE ASSIGNED HIS OR HER CLAIM OR CLAIMS FOR BENEFITS ALONG WITH ANY DENIAL OF BENEFITS. IN THE EVENT SUCH REPORT IS NOT SO PROVIDED BY THE INSURER OR SELF-INSURER ALONG WITH THE DENIAL, THE INSURER SHALL BE PRECLUDED FROM USING SUCH REPORT TO SUPPORT ANY DENIAL OF SUCH CLAIM.

S 5. Subdivision 4 of section 13-a of the workers' compensation law, as amended by chapter 473 of the laws of 2000, is amended to read as follows:

(4) (a) No claim for medical or surgical treatment shall be valid and enforceable, as against such employer, or employee, unless within forty-eight hours following the first treatment the physician giving such treatment furnishes to the employer and directly to the chair a preliminary notice of such injury and treatment, within fifteen days thereafter a more complete report and subsequent thereto progress reports if requested in writing by the chair, board, employer or insurance carrier at intervals of not less than three weeks apart or at less frequent intervals if requested on forms prescribed by the chair. The board may excuse failure to give such notices within the designated periods when it finds it to be in the interest of justice to do so.

(b) Upon receipt of the notice provided for by paragraph (a) of this subdivision, the employer, the carrier, and the claimant each shall be entitled to have the claimant examined by a physician authorized by the chair in accordance with sections thirteen-b and one hundred thirty-seven of this chapter, at a medical facility convenient to the claimant and in the presence of the claimant's physician, and refusal by the claimant to submit to such [independent] ADVERSARIAL medical examination at such time or times as may reasonably be necessary in the opinion of the board, shall bar the claimant from recovering compensation for any period during which he or she has refused to submit to such examination. No hospital shall be required to produce the records of any claimant without receiving its customary fees or charges for reproduction of such records.

(c) Where it would place an unreasonable burden upon the employer or carrier to arrange for, or for the claimant to attend, an [independent] ADVERSARIAL medical examination by an authorized physician, the employer or carrier shall arrange for such examination to be performed by a qualified physician in a medical facility convenient to the claimant.

(d) The [independent] ADVERSARIAL medical examiner shall provide such reports and shall submit to investigation as required by the chair.

(e) In order to qualify as admissible medical evidence, for purposes of adjudicating any claim under this chapter, any report submitted to the board by an [independent] ADVERSARIAL medical examiner licensed by the state of New York shall include the following:

(i) a signed statement certifying that the report is a full and truthful representation of the [independent] ADVERSARIAL medical examiner's professional opinion with respect to the claimant's condition:

(ii) such examiner's board issued authorization number;

(iii) the name of the individual or entity requesting the examination;

(iv) if applicable, the registration number as required by section thirteen-n of this article; and

(v) such other information as the chair may require by regulation.

Any report by an [independent] ADVERSARIAL medical examiner who is not authorized, and who performs an [independent] ADVERSARIAL medical examination in accordance with paragraph (c) of this subdivision, which is

1 to be used as medical evidence under this chapter, shall include in the  
2 report such information as the chair may require by regulation.

3 S 6. Subdivisions 1 and 2 of section 13-b of the workers' compensation  
4 law, as amended by chapter 473 of the laws of 2000, are amended to read  
5 as follows:

6 1. Upon the recommendation of the medical society of the county in  
7 which the physician's office is located or of a board designated by such  
8 county society or of a board representing duly licensed physicians of  
9 any other school of medical practice in such county, the chair may  
10 authorize physicians licensed to practice medicine in the state of New  
11 York to render medical care under this chapter and to perform [independ-  
12 ent] ADVERSARIAL medical examinations in accordance with subdivision  
13 four of section thirteen-a of this article. If, within sixty days after  
14 the chair requests such recommendations the medical society of such  
15 county or board fails to act, or if there is no such society in such  
16 county, the chair shall designate a board of three outstanding physi-  
17 cians, who shall make the requisite recommendations.

18 No such authorization shall be made in the absence of a recommendation  
19 of the appropriate society or board or of a review and recommendation by  
20 the medical appeals unit. No person shall render medical care or conduct  
21 [independent] ADVERSARIAL medical examinations under this chapter with-  
22 out such authorization by the chair, provided, that:

23 (a) Any physician licensed to practice medicine in the state of New  
24 York may render emergency medical care under this chapter without  
25 authorization by the chair under this section; and

26 (b) A licensed physician who is a member of a constituted medical  
27 staff of any hospital may render medical care under this chapter while  
28 an injured employee remains a patient in such hospital; and

29 (c) Under the active and personal supervision of an authorized physi-  
30 cian medical care may be rendered by a registered nurse or other person  
31 trained in laboratory or diagnostic techniques within the scope of such  
32 person's specialized training and qualifications. This supervision shall  
33 be evidenced by signed records of instructions for treatment and signed  
34 records of the patient's condition and progress. Reports of such treat-  
35 ment and supervision shall be made by such physician to the chair on  
36 such forms and at such times as the chair may require.

37 (d) Upon the referral which may be directive as to treatment of an  
38 authorized physician physical therapy care may be rendered by a duly  
39 licensed physical therapist. Where physical therapy care is rendered  
40 records of the patient's condition and progress, together with records  
41 of instruction for treatment, if any, shall be maintained by the phys-  
42 ical therapist and physician. Said records shall be submitted to the  
43 chair on such forms and at such times as the chair may require.

44 (e) Upon the prescription or referral of an authorized physician occu-  
45 pational therapy care may be rendered by a duly licensed occupational  
46 therapist. Where occupational therapy care is rendered records of the  
47 patient's condition and progress, together with records of instruction  
48 for treatment, if any shall be maintained by the occupational therapist  
49 and physician. Said records shall be submitted to the chair on forms and  
50 at such times as the chair may require.

51 (f) Where it would place an unreasonable burden upon the employer or  
52 carrier to arrange for, or for the claimant to attend, an [independent]  
53 ADVERSARIAL medical examination by an authorized physician, the employer  
54 or carrier shall arrange for such examination to be performed by a qual-  
55 ified physician in a medical facility convenient to the claimant.

1 2. A physician licensed to practice medicine in the state of New York  
2 who is desirous of being authorized to render medical care under this  
3 chapter and/or to conduct [independent] ADVERSARIAL medical examinations  
4 in accordance with paragraph (b) of subdivision four of section thir-  
5 teen-a and section one hundred thirty-seven of this chapter shall file  
6 an application for authorization under this chapter with the medical  
7 society in the county in which his or her office is located, or with a  
8 board designated by such society, or with a board designated by the  
9 chair as provided in this section. In such application the applicant  
10 shall state his or her training and qualifications, and shall agree to  
11 limit his or her professional activities under this chapter to such  
12 medical care and [independent] ADVERSARIAL medical examinations, as his  
13 or her experience and training qualify him or her to render. The appli-  
14 cant shall further agree to refrain from subsequently treating for  
15 remuneration, as a private patient, any person seeking medical treat-  
16 ment, or submitting to an [independent] ADVERSARIAL medical examination,  
17 in connection with, or as a result of, any injury compensable under this  
18 chapter, if he or she has been removed from the list of physicians  
19 authorized to render medical care or to conduct [independent] ADVER-  
20 SARIAL medical examinations under this chapter, or if the person seeking  
21 such treatment, or submitting to an [independent] ADVERSARIAL medical  
22 examination, has been transferred from his or her care in accordance  
23 with the provisions of this chapter. This agreement shall run to the  
24 benefit of the injured person so treated or examined, and shall be  
25 available to him or her as a defense in any action by such physician for  
26 payment for treatment rendered by a physician after he or she has been  
27 removed from the list of physicians authorized to render medical care or  
28 to conduct [independent] ADVERSARIAL medical examinations under this  
29 chapter, or after the injured person was transferred from his or her  
30 care in accordance with the provisions of this chapter. The medical  
31 society or the board designated by it, or the board as otherwise  
32 provided under this section, if it deems such licensed physician duly  
33 qualified, shall recommend to the chair that such physician be author-  
34 ized to render medical care and/or conduct [independent] ADVERSARIAL  
35 medical examinations under this chapter, and such recommendation and  
36 authorization shall specify the character of the medical care or [inde-  
37 pendent] ADVERSARIAL medical examination which such physician is quali-  
38 fied and authorized to render under this chapter. Such recommendations  
39 shall be advisory to the chair only and shall not be binding or conclu-  
40 sive upon him or her. The licensed physician may present to the medical  
41 society or board, evidences of additional qualifications at any time  
42 subsequent to his or her original application. If the medical society or  
43 board fails to recommend to the chair that a physician be authorized to  
44 render medical care and/or to conduct [independent] ADVERSARIAL medical  
45 examinations under this chapter, the physician may appeal to the medical  
46 appeals unit. The medical society or the board designated by it, or the  
47 board as otherwise provided under this section, may upon its own initi-  
48 ative, or shall upon request of the chair, review at any time the quali-  
49 fications of any physician as to the character of the medical care or  
50 [independent] ADVERSARIAL medical examinations which such physician has  
51 theretofore been authorized to render under this chapter and may recom-  
52 mend to the chair that such physician be authorized to render medical  
53 care or to conduct [independent] ADVERSARIAL medical examinations there-  
54 after of the character which such physician is then qualified to render.  
55 On such advisory recommendation the chair may review and after reason-  
56 able investigation may revise the authorization of a physician in

1 respect to the character of medical care and/or to conduct [independent]  
2 ADVERSARIAL medical examinations which he or she is authorized to  
3 render. If the medical society or board recommends to the chair that a  
4 physician be authorized to render medical care and/or to conduct [inde-  
5 pendent] ADVERSARIAL medical examinations under this chapter of a char-  
6 acter different from the character of medical care or [independent]  
7 ADVERSARIAL medical examinations he or she has been theretofore author-  
8 ized to render, such physician may appeal from such recommendation to  
9 the medical appeals unit.

10 S 7. The section heading and the opening paragraph and paragraphs (b)  
11 and (g) of subdivision 2 of section 13-d of the workers' compensation  
12 law, the section heading, the opening paragraph and paragraph (g) of  
13 subdivision 2, as amended by chapter 473 of the laws of 2000, paragraph  
14 (b) of subdivision 2, as amended by chapter 6 of the laws of 2007, are  
15 amended to read as follows:

16 Removal of physicians from lists of those authorized to render medical  
17 care or to conduct [independent] ADVERSARIAL medical examinations.

18 The chair shall remove from the list of physicians authorized to  
19 render medical care under this chapter, or to conduct [independent]  
20 ADVERSARIAL medical examinations in accordance with paragraph (b) of  
21 subdivision four of section thirteen-a of this article, the name of any  
22 physician who he or she shall find after reasonable investigation is  
23 disqualified because such physician:

24 (b) has exceeded the limits of his or her professional competence in  
25 rendering medical care or in conducting [independent] ADVERSARIAL  
26 medical examinations under the law, or has made materially false state-  
27 ments regarding his or her qualifications in his or her application for  
28 the recommendation of the medical society or board as provided in  
29 section thirteen-b of this article; or

30 (g) has directly or indirectly requested, received or participated in  
31 the division, transference, assignment, rebating, splitting or refunding  
32 of a fee for, or has directly or indirectly requested, received or prof-  
33 ited by means of a credit or other valuable consideration as a commis-  
34 sion, discount or gratuity in connection with the furnishing of medical  
35 or surgical care, an [independent] ADVERSARIAL medical examination,  
36 diagnosis or treatment or service, including X-ray examination and  
37 treatment, or for or in connection with the sale, rental, supplying or  
38 furnishing of clinical laboratory services or supplies, X-ray laboratory  
39 services or supplies, inhalation therapy service or equipment, ambulance  
40 service, hospital or medical supplies, physiotherapy or other therapeu-  
41 tic service or equipment, artificial limbs, teeth or eyes, orthopedic or  
42 surgical appliances or supplies, optical appliances, supplies or equip-  
43 ment, devices for aid of hearing, drugs, medication or medical supplies,  
44 or any other goods, services or supplies prescribed for medical diagno-  
45 sis, care or treatment, under this chapter; except that reasonable  
46 payment, not exceeding the technical component fee permitted in the  
47 medical fee schedule, established under this chapter for X-ray examina-  
48 tions, diagnosis or treatment, may be made by a physician duly author-  
49 ized as a roentgenologist to any hospital furnishing facilities and  
50 equipment for such examination, diagnosis or treatment, provided such  
51 hospital does not also submit a charge for the same services. Nothing  
52 contained in this paragraph shall prohibit such physicians who practice  
53 as partners, in groups or as a professional corporation or as a univer-  
54 sity faculty practice corporation from pooling fees and moneys received,  
55 either by the partnership, professional corporation, university faculty  
56 practice corporation or group by the individual members thereof, for

professional services furnished by any individual professional member, or employee of such partnership, corporation or group, nor shall the professionals constituting the partnerships, corporations, or groups be prohibited from sharing, dividing or apportioning the fees and moneys received by them or by the partnership, corporation or group in accordance with a partnership or other agreement.

S 8. Subdivisions 2 and 3, and the opening paragraph and paragraph (g) of subdivision 10 of section 13-k of the workers' compensation law, as amended by chapter 473 of the laws of 2000, are amended to read as follows:

2. An employee injured under circumstances which make such injury compensable under this article, when care is required for an injury to the foot which injury or resultant condition therefrom may lawfully be treated by a duly registered and licensed podiatrist of the state of New York, may select to treat him or her any podiatrist authorized by the chair to render podiatry care, as hereinafter provided. If the injury or condition is one which is without the limits prescribed by the education law for podiatry care and treatment, or the injuries involved affect other parts of the body in addition to the foot, the said podiatrist must so advise the said injured employee and instruct him or her to consult a physician of said employee's choice for appropriate care and treatment. Such physician shall thenceforth have overall supervision of the treatment of said patient including the future treatment to be administered to the patient by the podiatrist. If for any reason during the period when podiatry treatment and care is required, the employee wishes to transfer his or her treatment and care to another authorized podiatrist he or she may do so, in accordance with rules prescribed by the chair, provided however that the employer shall be liable for the proper fees of the original podiatrist for the care and treatment he or she shall have rendered. A podiatrist licensed and registered to practice podiatry in the state of New York who is desirous of being authorized to render podiatry care under this section and/or to conduct [independent] ADVERSARIAL medical examinations in accordance with paragraph (b) of subdivision three of this section shall file an application for authorization under this section with the podiatry practice committee. In such application he or she shall agree to refrain from subsequently treating for remuneration, as a private patient, any person seeking podiatry treatment, or submitting to an [independent] ADVERSARIAL medical examination, in connection with, or as a result of, any injury compensable under this chapter, if he or she has been removed from the list of podiatrists authorized to render podiatry care or to conduct [independent] ADVERSARIAL medical examinations under this chapter, or if the person seeking such treatment has been transferred from his or her care in accordance with the provisions of this section. This agreement shall run to the benefit of the injured person so treated or examined, and shall be available to him or her as a defense in any action by such podiatrist for payment for treatment rendered by a podiatrist after he or she has been removed from the list of podiatrists authorized to render podiatry care or to conduct [independent] ADVERSARIAL medical examinations under this section, or after the injured person was transferred from his or her care in accordance with the provisions of this section. The podiatry practice committee if it deems such licensed podiatrist duly qualified shall recommend to the chair that such podiatrist be authorized to render podiatry care and/or to conduct [independent] ADVERSARIAL medical examinations under this section. Such recommendation shall be advisory to the chair only and shall not be binding or

1 conclusive upon him or her. The chair shall prepare and establish a  
2 schedule for the state, or schedules limited to defined localities, of  
3 charges and fees for podiatry treatment and care, to be determined in  
4 accordance with and to be subject to change pursuant to rules promulgat-  
5 ed by the chair. Before preparing such schedule for the state or sched-  
6 ules for limited localities the chair shall request the podiatry prac-  
7 tice committee to submit to him or her a report on the amount of  
8 remuneration deemed by such committee to be fair and adequate for the  
9 types of podiatry care to be rendered under this chapter, but consider-  
10 ation shall be given to the view of other interested parties. The  
11 amounts payable by the employer for such treatment and services shall be  
12 the fees and charges established by such schedule.

13 3. (a) No claim for podiatry care or treatment shall be valid and  
14 enforceable as against the employer or employee unless within forty-  
15 eight hours following the first treatment the podiatrist giving such  
16 care or treatment furnish to the employer and directly to the chair a  
17 preliminary notice of such injury and treatment, within fifteen days  
18 thereafter a more complete report and subsequent thereto progress  
19 reports as requested in writing by the chair, board, employer or insur-  
20 ance carrier, at intervals of not less than three weeks apart or at less  
21 frequent intervals if requested on forms prescribed by the chair. The  
22 board may excuse the failure to give such notices within the designated  
23 periods when it finds it to be in the interest of justice to do so.

24 (b) Upon receipt of the notice provided for by paragraph (a) of this  
25 subdivision, the employer, the carrier and the claimant each shall be  
26 entitled to have the claimant examined by a qualified podiatrist author-  
27 ized by the chair in accordance with subdivision two of this section and  
28 section one hundred thirty-seven of this chapter, at a medical facility  
29 convenient to the claimant and in the presence of the claimant's podia-  
30 trist, and refusal by the claimant to submit to such [independent]  
31 ADVERSARIAL medical examination at such time or times as may reasonably  
32 be necessary in the opinion of the board shall bar the claimant from  
33 recovering compensation for any period during which he or she has  
34 refused to submit to such examination.

35 (c) Where it would place an unreasonable burden upon the employer or  
36 carrier to arrange for, or for the claimant to attend, an [independent]  
37 ADVERSARIAL medical examination by an authorized podiatrist, the employ-  
38 er or carrier shall arrange for such examination to be performed by a  
39 qualified podiatrist in a medical facility convenient to the claimant.

40 (d) The [independent] ADVERSARIAL podiatric examiner shall provide  
41 such reports and shall submit to investigation as required by the chair.

42 (e) In order to qualify as admissible medical evidence, for purposes  
43 of adjudicating any claim under this chapter, any report submitted to  
44 the board by an [independent] ADVERSARIAL podiatric examiner licensed by  
45 the state of New York shall include the following:

46 (i) a signed statement certifying that the report is a full and truth-  
47 ful representation of the [independent] ADVERSARIAL podiatric examiner's  
48 professional opinion with respect to the claimant's condition,

49 (ii) such examiner's board issued authorization number,

50 (iii) the name of the individual or entity requesting the examination,

51 (iv) if applicable, the registration number as required by section  
52 thirteen-n of this article, and

53 (v) such other information as the chair may require by regulation.

54 The podiatry practice committee shall investigate, hear and make find-  
55 ings with respect to all charges as to professional or other misconduct  
56 of any authorized podiatrist as herein provided under rules and proce-

1 dures to be prescribed by the chair and shall report evidence of such  
2 misconduct, with their findings and recommendation with respect thereto,  
3 to the chair. The findings, decision and recommendation of such podiatry  
4 practice committee shall be advisory to the chair only, and shall not be  
5 binding or conclusive upon him or her. The chair shall remove from the  
6 list of podiatrists authorized to render podiatry care under this chap-  
7 ter or to conduct [independent] ADVERSARIAL medical examinations in  
8 accordance with paragraph (b) of subdivision three of this section the  
9 name of any podiatrist who he or she shall find after reasonable inves-  
10 tigation is disqualified because such podiatrist

11 (g) has directly or indirectly requested, received or participated in  
12 the division, transference, assignment, rebating, splitting or refunding  
13 of a fee for, or has directly or indirectly requested, received or prof-  
14 ited by means of a credit or other valuable consideration as a commis-  
15 sion, discount or gratuity in connection with the treatment, or [inde-  
16 pendent] ADVERSARIAL medical examination, of a workers' compensation  
17 claimant. Nothing contained in this paragraph shall prohibit such  
18 podiatrists who practice as partners, in groups or as a professional  
19 corporation from pooling fees and moneys received, either by the part-  
20 nership, professional corporation or group by the individual members  
21 thereof, for professional services furnished by any individual profes-  
22 sional member, or employee of such partnership, corporation or group,  
23 nor shall the professionals constituting the partnership, corporation,  
24 or group be prohibited from sharing, dividing or apportioning the fees  
25 and moneys received by them or by the partnership, corporation or group  
26 in accordance with a partnership or other agreement.

27 S 9. Subdivisions 2 and 3, and the opening paragraph and paragraph (g)  
28 of subdivision 10 of section 13-1 of the workers' compensation law, as  
29 amended by chapter 473 of the laws of 2000, are amended to read as  
30 follows:

31 2. An employee injured under circumstances which make such injury  
32 compensable under this article, when care is required for an injury  
33 which consists solely of a condition which may lawfully be treated by a  
34 chiropractor as defined in section sixty-five hundred fifty-one of the  
35 education law may select to treat him or her, any duly registered and  
36 licensed chiropractor of the state of New York, authorized by the chair

38 condition is one which is outside the limits prescribed by the education  
39 law for chiropractic care and treatment, the said chiropractor must so  
40 advise the said injured employee and instruct him or her to consult a  
41 physician of said employee's choice for appropriate care and treatment.  
42 Such physician shall thenceforth have supervision of the treatment of  
43 said condition including the future treatment to be administered to the  
44 patient by the chiropractor. A chiropractor licensed and registered to  
45 practice chiropractic in the state of New York, who is desirous of being  
46 authorized to render chiropractic care under this section and/or to  
47 conduct [independent] ADVERSARIAL medical examinations in accordance  
48 with paragraph (b) of subdivision three of this section shall file an  
49 application for authorization under this section with the chiropractic  
50 practice committee. In such application he or she shall agree to refrain  
51 from subsequently treating for remuneration, as a private patient, any  
52 person seeking chiropractic treatment, or submitting to an [independent]  
53 ADVERSARIAL medical examination, in connection with, or as a result of,  
54 any injury compensable under this chapter, if he or she has been removed  
55 from the list of chiropractors authorized to render chiropractic care or  
56 to conduct [independent] ADVERSARIAL medical examinations under this

1 chapter, or if the person seeking such treatment has been transferred  
2 from his or her care in accordance with the provisions of this section.  
3 This agreement shall run to the benefit of the injured person so treat-  
4 ed, or examined, and shall be available to him or her as a defense in  
5 any action by such chiropractor for payment rendered by a chiropractor  
6 after he or she has been removed from the list of chiropractors author-  
7 ized to render chiropractic care or to conduct [independent] ADVERSARIAL  
8 medical examinations under this section, or after the injured person was  
9 transferred from his or her care in accordance with the provisions of  
10 this section. The chiropractic practice committee if it deems such  
11 licensed chiropractor duly qualified shall recommend to the chair that  
12 such be authorized to render chiropractic care and/or to conduct [inde-  
13 pendent] ADVERSARIAL medical examinations under this section. Such  
14 recommendations shall be advisory to the chair only and shall not be  
15 binding or conclusive upon him or her. The chair shall prepare and  
16 establish a schedule for the state, or schedules limited to defined  
17 localities of charges and fees for chiropractic treatment and care, to  
18 be determined in accordance with and to be subject to change pursuant to  
19 rules promulgated by the chair. Before preparing such schedule for the  
20 state or schedules for limited localities the chair shall request the  
21 chiropractic practice committee to submit to him or her a report on the  
22 amount of remuneration deemed by such committee to be fair and adequate  
23 for the types of chiropractic care to be rendered under this chapter,  
24 but consideration shall be given to the view of other interested  
25 parties, the amounts payable by the employer for such treatment and  
26 services shall be the fees and charges established by such schedule.

27 3. (a) No claim for chiropractic care or treatment shall be valid and  
28 enforceable as against the employer or employees unless within forty-  
29 eight hours following the first treatment the chiropractor giving such  
30 care or treatment furnishes to the employer and directly to the chair a  
31 preliminary notice of such injury and treatment, and within fifteen days  
32 thereafter a more complete report and subsequent thereto progress  
33 reports as requested in writing by the chair, board, employer or insur-  
34 ance carrier, at intervals of not less than three weeks apart or at less  
35 frequent intervals if requested on forms prescribed by the chair. The  
36 board may excuse the failure to give such notices within the designated  
37 periods when it finds it to be in the interest of justice to do so.

38 (b) Upon receipt of the notice provided for by paragraph (a) of this  
39 subdivision, the employer, the carrier, and the claimant each shall be  
40 entitled to have the claimant examined by a qualified chiropractor  
41 authorized by the chair in accordance with subdivision two of this  
42 section and section one hundred thirty-seven of this chapter at a  
43 medical facility convenient to the claimant and in the presence of the  
44 claimant's chiropractor, and refusal by the claimant to submit to such  
45 [independent] ADVERSARIAL medical examination at such time or times as  
46 may reasonably be necessary in the opinion of the board shall bar the  
47 claimant from recovering compensation, for any period during which he or  
48 she has refused to submit to such examination.

49 (c) Where it would place an unreasonable burden upon the employer or  
50 carrier to arrange for, or for the claimant to attend, an [independent]  
51 ADVERSARIAL medical examination by an authorized chiropractor, the  
52 employer or carrier shall arrange for such examination to be performed  
53 by a qualified chiropractor in a medical facility convenient to the  
54 claimant.

55 (d) The [independent] ADVERSARIAL chiropractic examiner shall provide  
56 such reports and shall submit to investigation as required by the chair.

(e) In order to qualify as admissible chiropractic evidence, for purposes of adjudicating any claim under this chapter, any report submitted to the board by an [independent] ADVERSARIAL medical examiner licensed by the state of New York shall include the following:

(iii) the name of the individual or entity requesting the examination,

(iv) if applicable, the registration number as required by section thirteen-n of this article, and

(v) such other information as the chair may require by regulation.

The chiropractic practice committee shall investigate, hear and make findings with respect to all charges as to professional or other misconduct of any authorized chiropractor as herein provided under rules and procedure to be prescribed by the chair and shall report evidence of such misconduct, with their findings and recommendations with respect thereto, to the chair. The findings, decision and recommendation of such chiropractic practice committee shall be advisory to the chair only, and shall not be binding or conclusive upon him or her. The chair shall remove from the list of chiropractors authorized to render chiropractic care under this chapter or to conduct [independent] ADVERSARIAL medical examinations in accordance with paragraph (b) of subdivision three of this section the name of any chiropractor who he or she shall find after reasonable investigation is disqualified because such chiropractor,

Nothing contained in this paragraph shall prohibit such chiropractors who practice as partners, in groups or as a professional corporation, or as a university faculty practice corporation from pooling fees and moneys received, either by the partnership, professional corporation, university faculty practice corporation or group by the individual members thereof, for professional services furnished by any individual professional member, or employee of such partnership, corporation or group, nor shall the professionals constituting the partnership, corporation, or group be prohibited from sharing, dividing or apportioning the fees and moneys received by them or by the partnership, corporation or group in accordance with a partnership or other agreement.

2 authorized to render psychological care under this chapter. This agree-  
3 ment shall run to the benefit of the injured person so treated, and

5 payment for treatment rendered by such psychologist after being removed  
6 from the list of psychologists authorized to render psychological care  
7 or to conduct [independent] ADVERSARIAL medical examinations under this  
8 section. The psychology practice committee if it deems such licensed  
9 psychologist duly qualified shall recommend to the chair that such  
10 person be authorized to render psychological care and/or to conduct

20 deemed by such committee to be fair and adequate for the types of  
21 psychological care to be rendered under this chapter, but consideration

23 payable by the employer for such treatment and services shall be the  
24 fees and charges established by such schedule.

26 enforceable as against the employer or employees unless within forty-  
27 eight hours following the first treatment the psychologist giving such  
28 care or treatment furnishes to the employer and directly to the chair a  
29 preliminary notice of such injury and treatment, and within fifteen days

43 [independent] ADVERSARIAL medical examination at such time or times as  
44 may reasonably be necessary in the opinion of the board shall bar the  
45 claimant from recovering compensation, for any period during which he or  
46 she has refused to submit to such examination.

49 ADVERSARIAL medical examination by an authorized psychologist, the  
50 employer or carrier shall arrange for such examination to be performed  
51 by a qualified psychologist in a medical facility convenient to the  
52 claimant.

S 13-n. Mandatory registration of entities which derive income from [independent] ADVERSARIAL medical examinations. 1. Any entity which derives income from [independent] ADVERSARIAL medical examinations performed in accordance with subdivision four of section thirteen-a, subdivision three of section thirteen-k, subdivision three of section thirteen-l and subdivision four of section thirteen-m of this article, whether by employing or contracting with [independent] ADVERSARIAL examiners to conduct such [independent] ADVERSARIAL medical examinations or by acting as a referral service or otherwise facilitating such examinations, shall register with the chair by filing a statement of registration containing such information prescribed by the chair in regulation. A fee may be imposed in accordance with regulations promulgated by the chair. Any such fees collected shall be used for the purpose of administering this section.

2. The chair shall assign a registration number to the entity upon registration. If an entity operates under more than one name, or in more than one location, the chair may assign a series of registration numbers which would differentiate each such sub-entity. In order to qualify as admissible medical evidence, for purposes of adjudicating any claim under this chapter, any report submitted to the board by an [independent] ADVERSARIAL medical examiner who is employed by, or has contracted with, an entity as described in subdivision one of this section for the purpose of performing [independent] ADVERSARIAL medical examinations, must include the registration number of such entity.

3. (a) Only a New York state licensed and board certified physician, surgeon, podiatrist or any other person authorized to examine or evaluate injury or illness by the board shall perform such [independent] ADVERSARIAL medical examination. 1 employer may cause, direct or encourage a report to be submitted as  
2 evidence in workers' compensation claim adjudication which differs  
3 substantially from the professional opinion of the examining practition-  
4 er. Such an action shall be considered within the jurisdiction of the  
5 workers' compensation fraud inspector general and may be referred as a  
6 fraudulent practice.

7 7. The claimant shall receive notice by mail of the scheduled [inde-  
8 pendent] ADVERSARIAL medical examination at least seven business days  
9 prior to such examination. Such notice shall advise the claimant if the  
10 practitioner intends to record or video tape the examination, and shall  
11 advise the claimant of their right to video tape or otherwise record the

21 or examined the claimant for the condition for which the [independent]  
22 ADVERSARIAL medical examination is being requested or if another member  
23 of a preferred provider organization or managed care provider to which  
24 the practitioner belongs has treated or examined the claimant for the  
25 condition for which the [independent] ADVERSARIAL medical examination is  
26 being requested.

27 10. The ability of a claimant to appear for an exam or hearing shall  
28 not be dispositive in the determination of disability, extent of disa-  
29 bility or eligibility for benefits.

30 11. At the time of the [independent] ADVERSARIAL medical examination  
31 the claimant shall receive a notice from the entity performing the  
32 [independent] ADVERSARIAL medical examination, on a form which shall be  
33 approved and promulgated by the chair, stating the rights and obli-  
34 gations of the claimant and the practitioner with respect to such exam,  
35 and such notice shall include but not be limited to a statement that the

46 village, fire district, ambulance district [or], school district OR  
47 PUBLIC AUTHORITY the city, county, town, village, fire district, ambu-  
48 lance district [or], school district OR PUBLIC AUTHORITY shall have the  
49 right to demand an examination of the claimant relative to the occur-  
50 rence and extent of the injuries or damages for which claim is made,  
51 which examination shall be upon oral questions unless the parties other-  
52 wise stipulate and may include [a physical] AN ADVERSARIAL MEDICAL exam-  
53 ination of the claimant by a duly qualified physician. If the party to  
54 be examined desires, he or she is entitled to have such examination in  
55 the presence of his or her own personal physician and such relative or  
56 other person as he or she may elect. THE PERSON SUBJECT TO THE ADVER-

1 SARIAL MEDICAL EXAMINATION SHALL NOT BE REQUIRED TO PRODUCE ANY DOCU-  
2 MENTS OR SUPPLY ANY WRITTEN ANSWERS TO QUESTIONS PUT TO HIM OR HER AT  
3 SUCH ADVERSARIAL MEDICAL EXAMINATION. Exercise of the right to demand a  
4 physical examination of the claimant as provided in this section shall  
5 in no way affect the right of a city, county, town, village, fire  
6 district, ambulance district [or], school district OR PUBLIC AUTHORITY  
7 in a subsequent action brought upon the claim to demand [a physical] AN  
8 ADVERSARIAL MEDICAL examination of the plaintiff pursuant to statute or  
9 court rule.

10 2. The demand for examination as provided in subdivision one of this  
11 section shall be made by the chief executive officer or, where there is  
12 no such officer, by the chairman of the governing body of the city,  
13 county, town, village, fire district [or], school district OR PUBLIC  
14 AUTHORITY or by such officer, agent or employee as may be designated by  
15 him OR HER for that purpose. The demand shall be in writing and shall  
16 be served personally or by registered or certified mail upon the claim-  
17 ant unless the claimant is represented by an attorney, when it shall be  
18 served personally or by mail upon his OR HER attorney. The demand shall  
19 give reasonable notice of the examination. It shall state the person  
20 before whom the examination is to be held, the time, place and subject  
21 matter thereof and, if [a physical] AN ADVERSARIAL MEDICAL examination  
22 is to be required, it shall so state. If the place of examination is  
23 located outside the municipality against which the claim is made, the

26 be determined by the municipality. If [a physical] AN ADVERSARIAL  
27 MEDICAL examination is to be required and there is no appropriate place  
28 for such an examination within the municipality, such examination shall  
29 be given at a location as close to such municipality as practicable. No  
30 demand for examination shall be effective against the claimant for any  
31 purpose unless it shall be served as provided in this subdivision within  
32 ninety days from the date of filing of the notice of claim.

35 The examination shall be conducted upon oath or affirmation. The officer  
36 or person before whom the examination is had shall take down or cause to

38 only the substance of the testimony be inserted. The testimony so taken,  
39 together with the report of the examining physician where [a physical]  
40 AN ADVERSARIAL MEDICAL examination is required, shall constitute the  
41 record of the examination. The transcript of the record of an examina-  
42 tion shall not be subject to or available for public inspection, except  
43 upon court order upon good cause shown, but shall be furnished to the  
44 claimant or his OR HER attorney upon request.

45 S 14. Subdivisions 1, 2 and 3 of section 17-a of the court of claims  
46 act, as added by chapter 189 of the laws of 1990, are amended to read as  
47 follows:

6 statute or court rule.

7 2. The demand for examination as provided in subdivision one of this  
8 section shall be made by the attorney for the defendant or by such offi-

11 tered or certified mail upon the claimant unless the claimant is repres-  
12 ented by an attorney, when it shall be served personally or by mail upon  
13 his or her attorney. The demand shall give reasonable notice of the  
14 examination. It shall state the person before whom the examination is to  
15 be held, the time, place and subject matter thereof and, if [a physical]  
16 AN ADVERSARIAL MEDICAL examination is to be required, it shall so state.  
17 No demand for examination shall be effective against the claimant for  
18 any purpose unless it shall be served as provided in this subdivision

22 section the claimant shall have the right to be represented by counsel.

24 or person before whom the examination is held shall take down or cause

27 taken, together with the report of the examining physician where [a  
28 physical] AN ADVERSARIAL MEDICAL examination is required, shall consti-  
29 tute the record of the examination. The transcript of the record of an  
30 examination, including a copy of the report of the examining physician  
31 shall not be subject to or available for public inspection, except upon  
32 court order upon good cause shown, but shall be furnished to the claim-  
33 ant or his or her attorney upon request.

35 currently pending actions and proceedings, and to proceedings commenced  
36 subsequent to such date.
