AN ACT to amend the executive law, in relation to enacting the "Veterans Mental Health and Chemical Dependency Act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings and intent. The legislature recognizes that throughout their service, many of the military personnel from New York State experienced trauma during active duty, placing many of them in high risk categories for triggering substance abuse or mental health issues. More often than not, mental illness and substance abuse present themselves simultaneously or as a co-occurring disorder. The consequences of co-occurring disorders, particularly when untreated or poorly treated, are severe. These disorders increase the cost of healthcare due to the frequent use of inpatient treatment, the ability to adhere to such treatment, the risk of suicide, crime victimization, homelessness, and incarceration.

The legislature further finds that the unemployment rate for young veterans of the Iraq and Afghanistan wars was at 21.1 percent, reflecting another tough obstacle that combat veterans face as they make the transition home from war.

The legislature further finds that New York State has recognized its responsibility for care for our veterans and their families, offering an array of economic and health benefits. Now we are called to ensure that the returning combat veterans can obtain the benefits that they are entitled to from the various state agencies which offer help to the
