FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would permit any investigator employed by the department of law who is engaged directly in criminal law enforcement activities to retire upon completion of twenty-five (25) years of creditable service, regardless of age. The benefit upon retirement would be an allowance of one-half of final average salary for 25 years of service.

If this bill is enacted, we anticipate that there will be an increase of approximately \$89,700 in the annual contributions of the State of New York for the fiscal year ending March 31, 2013.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$507,000, which would be borne by the State of New York as a one-time payment. This estimate is based on the assumption that payment will be made on March 1, 2013.

These estimated costs are based on 73 known affected members having a total estimated salary for the fiscal year ending March 31, 2012 of approximately \$5.4 million.
