2011-2012 Regular Sessions

I N   A S S E M B L Y

(PREFILED)

January 5, 2011

---

Introduced by M. of A. LANCMAN, JAFFEE, COLTON -- Multi-Sponsored by --  
M. of A. DINOWITZ -- read once and referred to the Committee on Cities

AN ACT to amend the administrative code of the city of New York, in  
relation to enacting the "New York city teleworking expansion act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. Short title. This act shall be known and may be cited as  
2     the "New York city teleworking expansion act".  
3     S 2. Legislative findings. The legislature hereby finds and declares  
4     that the health and safety of the population living in and around the  
5     densely populated New York city metropolitan region is a matter of state  
6     concern, as is the economic vitality and the effectiveness of mass tran-  
7     sit in that region, all of which are threatened by the amount of traffic  
8     congestion inside of, and into, New York city, and the overcrowded  
9     buses, subways and railroads within the region. Traffic congestion is  
10    particularly harmful to the mass transit bus systems run by the Metro-  
11    politan Transportation Authority, creating delays and hindering the  
12    growth of essential surface mass transportation systems, and the entire  
13    mass transit system suffers from severe overcrowding. The negative  
14    impact of traffic congestion in New York city on the health, economy and  
15    mass transit systems of the downstate region, as well as the overcrowd-  
16    ing of the region's mass transit systems, were established at legisla-  
17    tive hearings in the spring of 2007, as well as during the hearings and  
18    reports of the legislatively created New York City Traffic Mitigation  
19    Commission. During these hearings, it was established that a very large  
20    number of New York city employees drive to work both from points within  
21    New York city and without, that New York city lacks a working and  
22    adequate telecommuting program for its employees, and that an effective  
23    telecommuting program would significantly reduce the number of such  
24    employees driving to work. Likewise, a telecommuting program for New

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets  
[ ] is old law to be omitted.

LBD03808-01-1

1 York city employees would also allow employees who use mass transit to  
2 work from home, thereby alleviating the current overcrowding in the  
3 region's mass transit systems. Such a program as established by this  
4 legislation would accomplish the state's concern that the health, safe-  
5 ty, economic vitality and mass transit operations of the downstate  
6 region be preserved and protected.

7 S 3. The administrative code of the city of New York is amended by  
8 adding a new section 12-140 to read as follows:

9 S 12-140 TELEWORKING PROGRAMS. A. EACH AGENCY SHALL ESTABLISH A POLICY  
10 AND PROGRAM TO ALLOW EMPLOYEES TO PERFORM ALL OR A PORTION OF THEIR  
11 DUTIES THROUGH TELEWORKING TO THE MAXIMUM EXTENT POSSIBLE WITHOUT DIMIN-  
12 IShed EMPLOYEE PERFORMANCE. EACH AGENCY SHALL DESIGNATE A "TELEWORK  
13 COORDINATOR" TO BE RESPONSIBLE FOR OVERSEEING THE IMPLEMENTATION OF  
14 TELEWORKING PROGRAMS.

15 B. FOR THE PURPOSES OF THIS SECTION, THE TERM "TELEWORK" SHALL MEAN TO  
16 PERFORM NORMAL AND REGULAR WORK FUNCTIONS ON A WORKDAY THAT ORDINARILY  
17 WOULD BE PERFORMED AT THE AGENCY'S PRINCIPAL LOCATION AT A DIFFERENT  
18 LOCATION, THEREBY ELIMINATING OR SUBSTANTIALLY REDUCING THE PHYSICAL  
19 COMMUTE TO AND FROM SUCH AGENCY'S PRINCIPAL LOCATION.

20 S 4. This act shall take effect on the ninetieth day after it shall  
21 have become a law.
