S 20-371 Licensing of sight-seeing buses[, horse drawn cabs and horse drawn cab drivers]. Legislative findings. The legislative findings heretofore made in relation to the business of sight-seeing buses [and horse drawn cabs] in the city of New York and set forth in local law number ten of nineteen hundred sixty-four continue to be valid; such businesses are vested with a public interest and their regulation and control

continue to be necessary and essential in order to cope with certain evils and hazards which existed in the absence of governmental supervision. The supervision formerly was reposed in the police commissioner, but recent experience and study indicate that jurisdiction over such businesses should be transferred to the commissioner. [It is further found that the present number of horse drawn cabs licensed in the city of New York is adequate to meet the public need and demand and should be preserved, unless the commissioner finds that additional licenses are necessary and advisable.]

S 12. Subdivisions 1 and 3 of section 20-372 of the administrative code of the city of New York, as amended by local law number 31 of the city of New York for the year 1995, are amended to read as follows:

3. "Inspection card" shall designate the card issued by the commissioner for the sight-seeing bus licensed [or horse drawn cab licensed], which card shall display the license number and capacity of such vehicle.

It shall be unlawful to operate or permit another to operate for hire a sight-seeing bus [or horse-drawn cab] within the city unless the owner shall have first obtained a license therefor from the commissioner. [An applicant for a horse-drawn cab license shall be at least eighteen years of age.]

b. Fees. The original and renewal license fee for each sight-seeing bus shall be fifty dollars [and for each horse-drawn cab shall be fifty dollars].

Upon voluntary sale or transfer of a licensed horse-drawn cab by the holder of a license or his or her legal representative, the licensee shall immediately notify the commissioner of his or her intention to replace such horse-drawn cab, or shall surrender his or her license. If the license is surrendered, the vendee or transferee may make application to the commissioner for the licensing of the horse-drawn cab so purchased. A new license shall then be issued by the commissioner in place of the license so surrendered, provided the applicant has demonstrated to the satisfaction of the commissioner that he or she is qualified to assume the duties and obligations of a horse-drawn cab license].

S 17. Subdivision c of section 20-374 of the administrative code of the city of New York is REPEALED.

S 18. Section 20-375 of the administrative code of the city of New York, as amended by local law number 2 of the city of New York for the year 1994, is amended to read as follows:

The commissioner upon renewal of the license hereunder, may continue the use of the license plate for as many additional license years as he or she in his or her discretion may determine, in which event he or she shall issue and deliver to the licensee a replaceable date tag as evidence of renewal of the license, which shall be attached or affixed in such manner as he or she may prescribe by rule. The failure to affix or display such date tag in a manner prescribed by the commissioner shall constitute a violation of this section. In the event of the loss, mutilation or destruction of any license plate or date tag issued hereunder, the owner may file such statement and proof of facts as the commissioner shall require, with a fee of twenty-five dollars, at the department, and the department shall issue a duplicate or substitute license plate or date tag.

S 19. Sections 20-377 and 20-377.1 of the administrative code of the city of New York are REPEALED.

S 20. Section 20-378 of the administrative code of the city of New York is amended to read as follows:
