5 tion in a civil division in a specific title to which there is a direct
6 line of promotion, OR AN INCUMBENT IN A TITLE IN THE LABOR CLASS THAT

1 to subdivisions one and two of this section who is serving in a position
2 in the title in which the displacing incumbent last served [on a perma-
3 nent basis] prior to service in one or more positions in the title from
4 which he is suspended or displaced, if: (1) the service of the displac-
5 ing incumbent while in such former title was satisfactory and (2) the
6 position of the junior incumbent is in (a) the competitive OR LABOR
7 class, (b) the layoff unit from which the displacing incumbent was
8 suspended or displaced, and (c) a lower salary grade than the position
9 from which the displacing incumbent is suspended or displaced; provided,
10 however, that no incumbent shall displace any other incumbent having
11 greater retention standing. Refusal of appointment to a position
12 afforded by this subdivision constitutes waiver of rights under this
13 subdivision with respect to the suspension or displacement on account of
14 which the refused appointment is afforded. The municipal civil service
15 commission shall promulgate rules to implement this subdivision includ-
16 ing rules which may provide adjunctive opportunities for displacement
17 either to positions in direct line of promotion or to formerly held
18 positions; provided, however, that no such rule shall permit an incum-
19 bent to displace any other incumbent having greater retention standing.
20 For the purpose of acquiring preferred list rights, displacement pursu-
21 ant to this subdivision is the equivalent of suspension or demotion
22 pursuant to subdivision one of this section.
23 S 2. This act shall take effect immediately.
