This act shall take effect immediately and shall be deemed to have been in full force and effect on and after September 11, 2001; and provided that applications for performance of duty disability retirement pursuant to this act, made on the basis of injuries sustained prior to the effective date of this act shall be filed not later than two years after such effective date.

FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would allow certain members and retirees of public retirement systems in New York State who are members of the military on active duty who become physically incapacitated for the performance of duties as the result of an injury sustained in a combat theatre or combat zone of operations to receive a performance of duty disability benefit of 75% of their one year final average salary. Affected individuals must file an application within two years of being discontinued from active duty. This bill would be deemed to have been in effect as of September 11,2001.

If this bill is enacted, insofar at it would affect the New York State and Local Employees' Retirement System (NYS&LERS) and the New York State and Local Police and Five Retirement System (NYS&LPFRS), the cost would depend on the age, service, salary and plan of the affected member. It is estimated that there could be per person one-time costs of as much as four (4) times salary. These costs would be borne by the State of New York and all the participating employers in the NYS&LERS and NYS&LPFRS.

This estimate, dated January 21, 2010, and intended for use only during the 2011 Legislative Session, is Fiscal Note No.2011-25, prepared by the Actuary for the NYS&LERS and the NYS&LPFRS.
