FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill will allow Tompkins County to elect to provide a special
twenty (20) year retirement plan to members who are engaged directly in
criminal law enforcement activities and who are employed in the office
of the district attorney of Tompkins County as a chief criminal
investigator/detective, deputy chief criminal investigator, criminal
investigator, senior criminal investigator, confidential criminal inves-
tigator, assistant criminal investigator, criminal investigator-elec-
tronics, criminal investigator-child abuse, confidential investigator,
or criminal investigator/arson. Such plan will provide a benefit of
one-half of final average salary upon retirement plus an additional
benefit of one sixtieth of final average salary for each year of service
in excess of twenty (20) years, not to exceed fifteen (15) such years.

Presently, there are no investigators employed by Tompkins County. However, this legislation will establish a series of job titles in their district attorney's office to enable such future investigators to become covered under this special retirement plan.

If this bill is enacted, for the fiscal year ending March 31, 2012, the additional annual cost will be 6.2% of the salaries of affected Tiers 3 and 4 investigators, and 7.4% of the salaries of affected Tier 5 investigators.

In addition to the annual contributions discussed above, in future years when Tompkins County appoints any investigator with previous creditable service into one of these investigator titles, there will be an immediate past service cost which will depend on the salary, plan, age and length of past service of the investigators as of the date they become covered under such plan. These costs will be borne by Tompkins County and amortized over a period of ten (10) years.

This estimate, dated June 16, 2011, and intended for use only during the 2011 Legislative Session, is Fiscal Note No. 2011-204, prepared by the Actuary for the New York State and Local Employees' Retirement System.
