1 Section 1. Paragraph 1 of subdivision c of section 198-b of the gener-
2 al business law, as amended by chapter 444 of the laws of 1989, is
3 amended to read as follows:
4 1. If the dealer or his agent fails to correct a malfunction or defect
5 as required by the warranty specified in this section which substantial-
6 ly impairs the value of the used motor vehicle to the consumer after a
7 reasonable period of time, the dealer shall accept return of the used
8 motor vehicle from the consumer and refund to the consumer the full
9 purchase price, or in the case of a lease contract all payments made

1 elects to not return any vehicles traded-in by the consumer, the whole-
2 sale value of any such traded-in vehicles as listed in the National Auto
3 Dealers Association Used Car Guide, or such other guide as may be speci-
4 fied in regulations promulgated by the commissioner of motor vehicles,
5 as adjusted for mileage, improvements, and any major physical or mechan-
6 ical defects in the traded-in vehicle at the time of trade-in. The deal-
7 er selling or leasing the used motor vehicle shall deliver to the
8 consumer a written notice including conspicuous language indicating that
9 if the consumer should be entitled to a refund pursuant to this section,
10 the value of any vehicle traded-in by the consumer, if the dealer elects
11 to not return it to the consumer, for purposes of determining the amount
12 of such refund will be determined by reference to the National Auto
13 Dealers Association Used Car Guide wholesale value, or such other guide
14 as may be approved by the commissioner of motor vehicles, as adjusted
15 for mileage, improvements, and any major physical or mechanical defects,
16 rather than the value listed in the sales contract. Refunds shall be
17 made to the consumer and lienholder, if any, as their interests may
18 appear on the records of ownership kept by the department of motor vehi-
19 cles. If the amount to be refunded to the lienholder will be insuffi-
20 cient to discharge the lien, the dealer shall notify the consumer in
21 writing by registered or certified mail that the consumer has thirty
22 days to pay the lienholder the amount which, together with the amount to
23 be refunded by the dealer, will be sufficient to discharge the lien. The
24 notice to the consumer shall contain conspicuous language warning the
25 consumer that failure to pay such funds to the lienholder within thirty
26 days will terminate the dealer's obligation to provide a refund. If the
27 consumer fails to make such payment within thirty days, the dealer shall
28 have no further responsibility to provide a refund under this section.
29 Alternatively, the dealer may elect to offer to replace the used motor
30 vehicle with a comparably priced vehicle, with such adjustment in price
31 as the parties may agree to. The consumer shall not be obligated to
32 accept a replacement vehicle, but may instead elect to receive the
33 refund provided under this section. It shall be an affirmative defense
34 to any claim under this section that:

35 (a) The malfunction or defect does not substantially impair such
36 value; or

37 (b) The malfunction or defect is the result of abuse, neglect or
38 unreasonable modifications or alterations of the used motor vehicle.

39 S 2. Subparagraphs 5 and 6 of paragraph 1 of subdivision f of section
40 198-b of the general business law, as separately amended by chapters 444
41 and 609 of the laws of 1989, are amended to read as follows:

42 5. If the same problem cannot be repaired after three or more
43 attempts, you are entitled to return the car and receive a refund of
44 your purchase price or of all payments made under your lease contract,
45 and of sales tax and fees, minus AN AMOUNT EQUAL TO TWENTY-FIVE CENTS
46 PER MILE FOR EACH MILE IN EXCESS OF THE MILEAGE APPLICABLE TO THE VEHI-
47 CLE CONTAINED ABOVE THAT THE VEHICLE HAS BEEN DRIVEN SINCE THE CONSUMER
48 PURCHASED OR LEASED THE VEHICLE FROM THE DEALER, AND LESS a reasonable
49 allowance for any damage not attributable to normal usage or wear, and,
50 in the case of a lease contract, a cancellation of all further payments
51 you are otherwise required to make under the lease contract.

52 6. If your car is out of service to repair a problem for a total of
53 fifteen days or more during the warranty period you are entitled to
54 return the car and receive a refund of your purchase price or of all
55 payments made under your lease contract, and of sales tax and fees,
56 minus AN AMOUNT EQUAL TO TWENTY-FIVE CENTS PER MILE FOR EACH MILE IN

1 EXCESS OF THE MILEAGE APPLICABLE TO THE VEHICLE CONTAINED ABOVE THAT THE
2 VEHICLE HAS BEEN DRIVEN SINCE THE CONSUMER PURCHASED OR LEASED THE VEHI-
3 CLE FROM THE DEALER, AND LESS a reasonable allowance for any damage not
4 attributable to normal usage or wear, and, in the case of a lease
5 contract, a cancellation of all further payments you are otherwise
6 required to make under the lease contract.

7 S 3. This act shall take effect immediately.
