Introduced by Sen. KRUGER -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the state technology law, in relation to the creation of a state privacy task force

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative intent. The legislature hereby finds and
2 declares that personal privacy is an issue of great concern to state
3 policymakers. Over the past decade, public and private entities have
4 increased their use of computers and databases, permitting significant
5 amounts of data about specific individuals to be compiled. During that
6 same period, the internet has grown from a relatively small and little
7 known computer network into a medium of international commerce. While
8 these advances have increased the efficiency and output of the entities
9 utilizing them, they have also resulted in a greater amount of personal
10 information being compiled, retained and disseminated than ever before.
11 The intent of this legislation is to create an entity within the state
12 office for technology that will develop an expertise in issues relating
13 to personal privacy and serve as a resource to state and local policy-
14 makers. The state privacy task force will review and analyze current
15 state and local law and practices with respect to the collection,
16 retention and dissemination of personal information, and provide an
17 annual report to the legislature and the governor that will include its
18 recommendations to protect and enhance the privacy of New Yorkers.
19 S 2. Article 3 and sections 301, 302, 303, 304, 305, 306, 307, 308 and
20 309 of the state technology law, as renumbered by chapter 437 of the
21 laws of 2004, are renumbered article 5 and sections 501, 502, 503, 504,
22 505, 506, 507, 508 and 509, respectively, and a new section 510 is added
23 to read as follows:

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets
[] is old law to be omitted.
