     FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

     This bill would amend Section 512 of the Education Law to allow any member of the New York State Teachers' Retirement System (NYSTRS)

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [ ] is old law to be omitted.

LBD08931-01-1

subject to Article 14 or 15 of the Retirement and Social Security Law who has permanently ceased teaching to elect to receive a refund of their accumulated member contributions and thereby terminate membership in the NYSTRS provided he or she is a member of another state's retirement system, has at least five years of service credit in such system and is eligible to obtain retirement credit for this service in the other retirement system. All rights to any future benefits from the NYSTRS would be forfeited. Currently, members who cease teaching and have greater than 10 years of service credit do not have the option of electing to receive their accumulated member contributions in lieu of a monthly benefit at retirement. In the vast majority of cases, the present value of the retirement benefit is much greater than the value of the accumulated member contributions.

The annual cost to the employers of members of the New York State Teachers' Retirement System is estimated to be negligible if this bill is enacted.

The source of this estimate is Fiscal Note 2011-3 dated September 24, 2010 prepared by the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2011 Legislative Session.
