- 2. Real property which includes a solar or wind energy system or farm waste energy system approved in accordance with the provisions of this section shall be exempt from taxation to the extent of any increase in the value thereof by reason of the inclusion of such solar or wind energy system or farm waste energy system [for a period of fifteen years]. When a solar or wind energy system or components thereof or farm waste energy system also serve as part of the building structure, the increase in value which shall be exempt from taxation shall be equal to the assessed value attributable to such system or components multiplied by the ratio of the incremental cost of such system or components to the total cost of such system or components
- 5. The exemption granted pursuant to this section shall only be applicable to solar or wind energy systems or farm waste energy systems which are (a) existing or constructed prior to July first, nineteen hundred eighty-eight [or], (b) constructed subsequent to January first, nineteen hundred ninety-one and prior to January first, two thousand fifteen OR (C) SOLAR ENERGY SYSTEMS CONSTRUCTED ON ONE, TWO, THREE OR FOUR FAMILY HOMES ON OR AFTER JANUARY FIRST, TWO THOUSAND FOURTEEN.

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [] is old law to be omitted.

S. 3409

[8. Notwithstanding the provisions of subdivision two of this section, a county, city, town or village may by local law or a school district, other than a school district to which article fifty-two of the education law applies, may by resolution provide that no exemption under this section shall be applicable within its jurisdiction with respect to any solar or wind energy system or farm waste energy system constructed subsequent to January first, nineteen hundred ninety-one or the effective date of such local law, ordinance or resolution, whichever is later. A copy of any such local law or resolution shall be filed with the commissioner and with the president of the authority.

- 9. (a) A county, city, town, village or school district, except a school district under article fifty-two of the education law, that has not acted to remove the exemption under this section may require the owner of a property which includes a solar or wind energy system which meets the requirements of subdivision four of this section, to enter into a contract for payments in lieu of taxes. Such contract may require annual payments in an amount not to exceed the amounts which would otherwise be payable but for the exemption under this section.
- 19 (b) The payment in lieu of a tax agreement shall not operate for a 20 period of more than fifteen years, commencing in each instance from the 21 date on which the benefits of such exemption first become available and 22 effective.]
 - S 2. This act shall take effect immediately.
