1 (2) the sidewings or side windows of which on [either side forward of 2 or adjacent to the operator's seat] ANY PORTION OF THE VEHICLE are 3 composed of, covered by or treated with any material which has a light 4 transmittance of less than seventy percent; or

5 (3) [if it is classified as a station wagon, sedan, hardtop, coupe, 6 hatchback or convertible and any rear side window has a light transmit-7 tance of less than seventy percent; or

8 the rear window of which is composed of, covered by or treated (4)] 9 with any material which has a light transmittance of less than seventy 10 percent. [A rear window may have a light transmittance of less than 11 seventy percent if the vehicle is equipped with side mirrors on both sides of the vehicle so adjusted that the driver thereof shall have a 12 13 clear and full view of the road and condition of traffic behind such 14 vehicle.]

15 (c) Any person required for medical reasons to be shielded from the direct rays of the sun and/or any person operating a motor vehicle 16 17 belonging to such person or in which such person is an habitual passen-18 ger shall be exempt from the provisions of subparagraphs one and two of 19 paragraph (b) of this subdivision provided the commissioner has granted 20 an exemption and notice of such exemption is affixed to the vehicle as 21 directed by the commissioner. The applicant for such exemption must 22 provide a physician's statement with the reason for the exemption, the 23 name of the individual with a medically necessary condition operating or 24 transported in the vehicle, the specific condition involved, and the 25 minimum level of light transmission required. The commissioner shall 26 only authorize exemptions where the medical condition certified by the physician is contained on a list of medical conditions prepared by 27 the 28 commissioner of health pursuant to subdivision sixteen of section two 29 hundred six of the public health law. If such [such] exemption is 30 granted, the commissioner shall make a record thereof and shall distribute a sufficiently noticeable sticker to the applicant to be attached to 31 32 any window so shielded or altered pursuant to such exemption.

(d) The commissioner may test any window for a person who has been charged with violating this subdivision. If such window is found to be conformity with this subdivision, a small label attesting to the conformity shall be affixed to the window tested.

37 (e) On and after January first, nineteen hundred ninety-two, no person 38 shall manufacture, sell, offer for sale, equip or operate a motor vehi-39 cle in this state in violation of the provisions of this subdivision, 40 except that a person may operate a nineteen hundred ninety-one or earlier model year vehicle without violating this subdivision if the windows 41 said vehicle were in conformity with this subdivision as it existed 42 on on December thirty-first, nineteen hundred ninety-one. 43

44 (f) The commissioner shall make such rules and regulations as he shall 45 deem necessary to carry out the provisions of this subdivision.

[(ff)] (GG) Notwithstanding any other provision of this section or any 46 47 other general, special or local law, charter, administrative code, ordi-48 nance, rule or regulation to the contrary, any person operating a motor vehicle in a burial or funeral procession while travelling to or from a 49 50 funeral, interment or cremation may place a funeral sign no larger than 51 eight and one half by fourteen inches in any window of such vehicle, as long as such sign when so placed will not prevent such person from 52 having a clear and full view of the road and the condition of traffic 53 54 behind such vehicle.

55 S 3.
