FISCAL NOTE.--This bill will allow Suffolk County correction officers to be credited with up to five (5) years of safety and security officer service with the New York State department of mental hygiene between January 1, 1984 and December 31, 1990, under Suffolk County's Section 89-f twenty-five (25) year half-pay retirement plan.

If this bill is enacted, we anticipate that there will be an immediate past service cost of approximately \$1.18 million which will be borne by Suffolk County as a one-time payment. This cost assumes a payment date of February 1, 2012.

These estimated costs are based on 27 affected Suffolk County correction officers having a total estimated annual salary for the fiscal year ending March 31, 2011 of approximately \$3.0 million.

This estimate, dated April 26, 2011, and intended for use only during the 2011 Legislative Session, is Fiscal Note No. 2011-170, prepared by the Actuary for the New York State and Local Employees' Retirement System.
