Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Finance

AN ACT to amend the state finance law and the judiciary law, in relation to the retention of qualified public service attorneys through assistance in repaying student loans

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. This act shall be known and may be cited as the "public
2 interest legal services loan assistance act."
3 S 2. Declaration of policy and legislative intent. The legislature
4 reaffirms that the efficient and effective provision of high-quality
5 legal services on behalf of the state, its political subdivisions and
6 the populations therein depends on competent, dedicated attorneys making
7 a long-term commitment to public-service work, whether as prosecutors,
8 public defenders or other indigent defense attorneys, civil legal
9 services attorneys, or the equivalent. The legislature finds, however,
10 that because these attorneys often carry significant and increasing
11 student loan debt burdens and have grave difficulty in repaying such
12 debts on the relatively low salaries paid by most public interest posi-
13 tions, many of these attorneys are being forced to leave public service.
14 The loss of so many capable public interest attorneys, often at the very
15 time they have achieved sufficient training and experience to handle the
16 most complex matters of public concern, has had an adverse impact on
17 government generally and reduced the capacity of the criminal and civil
18 justice systems to provide the consistently high-quality legal services
19 the people of New York state deserve. The legislature finds that the
20 difficulty of attracting and retaining well-trained public interest
21 lawyers due to student loan debt frustrates the achievement of important
22 constitutional and statutory policy objectives, increases the cost of
23 state and local government, and diminishes public confidence in the
24 criminal and civil justice systems. The legislature therefore recognizes
25 the value of retaining these seasoned public servants in public interest
26 positions and finds that it is in the public interest to provide finan-
27 cial assistance to help these attorneys repay their student loans.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
[] is old law to be omitted.
