June 6, 2012

Introduced by Sen. HANNON -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to review of eligible federally qualified health center capital projects

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Section 2807-z of the public health law, as added by
2 section 36 of part D of chapter 56 of the laws of 2012, is amended to
3 read as follows:

4 S 2807-z. [Limited or administrative review] REVIEW OF ELIGIBLE FEDER-
5 ALLY QUALIFIED HEALTH CENTER CAPITAL PROJECTS. 1. Notwithstanding any
6 provision of this chapter or regulations or any other state law or regu-
7 lation, for any eligible capital project as defined in subdivision six
8 of this section, the department shall have thirty days of receipt of the
9 certificate of need application for a limited or administrative review
10 to deem such application complete. If the department determines the
11 application is incomplete or that more information is required, the
12 department shall notify the applicant in writing within thirty days of
13 the date of the application's submission, and the applicant shall have
14 twenty business days to provide additional information or otherwise
15 correct the deficiency in the application.

16 2. For an eligible capital project requiring a limited or administra-
17 tive review, within ninety days of the department deeming the applica-
18 tion complete, the department shall make a decision to approve [(and in
19 the case of limited reviews)] or disapprove the certificate of need
20 application for such project. If the department determines to disapprove
21 the project, the basis for such disapproval shall be provided in writ-
22 ing; however, disapproval shall not be based on the incompleteness of
23 the application. If the department fails to take action to approve or
24 disapprove the application within ninety days of the certificate of need
25 application being deemed complete, the application will be deemed
26 approved.

27 3. For an eligible capital project requiring full review by the
28 [Public Health and Health Planning Council] COUNCIL, the certificate of

1 need application shall be placed on the next [PHHPC] COUNCIL agenda
2 following the department deeming the application complete.

3 4. Where the commissioner or department requires the applicant to
4 submit a contingency submission for an eligible capital project, the
5 commissioner or department shall have thirty days to review and approve
6 or disapprove the contingency submission. If the commissioner or depart-
7 ment determines that the contingency submission is incomplete, it shall
8 so notify the applicant in writing and provide the applicant with ten
9 business days to correct the deficiency or provide additional informa-
10 tion. If the commissioner or department determines to disapprove the
11 contingency [of the] submission, the basis for such disapproval shall be
12 provided in writing; however, disapproval shall not be based on the
13 incompleteness of the application. Within fifteen days of complete
14 contingency satisfaction, the commissioner or department shall transmit
15 the final approval letter to the applicant.

16 5. The department shall develop expedited pre-opening survey processes
17 for eligible capital projects approved under [subdivision one of] this
18 section, but under no circumstances shall pre-opening survey reviews be
19 scheduled later than thirty days after final approval, CONSTRUCTION
20 COMPLETION AND NOTIFICATION OF SUCH COMPLETION OF THE DEPARTMENT.
