AN ACT to amend the public authorities law, in relation to the Nassau county interim finance authority

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings and declaration. The legislature hereby finds and declares that a condition of fiscal difficulties continues 3 exist in the county of Nassau, as evidenced by the declaration of a control period by the Nassau county interim finance authority (NIFA). In 5 accordance with statutory authority, NIFA has approved the county's 6 2012-2015 multi-year financial plan which provides for borrowings by the 7 county to finance the payment of property tax refunds through 2014 to facilitate the county's transition to a structurally-balanced budget in 2015. It is hereby further found and declared that the undertaking of 9 10 such borrowings is in the public interest of the county and the state. 11 is in the public interest and is the policy of this state to assist 12 municipalities such as the county of Nassau in attempting to provide, services essential to their inhabitants while 13 without interruption, 14 meeting their obligations to the holders of their outstanding 15 inability of the county of Nassau to finance the payment of property tax refunds would interrupt the provision of essential services 16 to its inhabitants and is a matter of substantial state concern. Permit-17 ting the county to utilize pre-existing borrowing authorization will 18 19 avoid this undesirable result and will allow the county to continue to fund essential services such as those provided by its youth board. 20 21

S 2. Paragraph (e) of subdivision 2 of section 3669 of the public authorities law, as added by chapter 84 of the laws of 2000, is amended to read as follows:
