AN ACT to amend the general obligations law, in relation to the liability of persons involved in equine activities

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative intent. The legislature hereby finds that horseback riding is both a major recreational sport and a major industry within the state of New York. The legislature further finds: (1) that horseback riding, like many other sports, contains inherent risks including, but not limited to, the risks of personal injury, death or property damage, which may be caused by the propensity of equines to behave in ways that are not always controllable by the participant; the unpredictability of an equine's reaction to such things as sounds, sudden movements, and unfamiliar objects, persons or other animals; surface or subsurface conditions; collisions with other equines or objects; and the potential of a participant to act in a negligent manner; (2) that it is appropriate, as well as in the public interest, to establish certain duties and obligations of equine sponsors and equine professionals relative to the safety of the horseback riding public; and (3) that it is also necessary and appropriate that the public become apprised of and understand the risks inherent in the sport of horseback riding so that they may make an informed decision of whether or not to participate in horseback riding notwithstanding the risks. Therefore, the purpose and intent of this act is to establish guidelines for the conduct of the participants, sponsors and professionals involved in the sport of horseback riding; to educate the public as to the inherent risks in the sport of horseback riding so as to minimize the risk of injury to persons engaged in the sport of horseback riding; to promote safety in the horseback riding industry; and to preserve the financial
