AN ACT to amend the executive law, in relation to a veteran speaker education program within the division of veterans' affairs

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-BLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings and intent. The legislature hereby finds that the defining moments of our nation's history came in wartime, especially during the great conflicts of the twentieth century beginning of the twenty-first century. The legislature further maintains that it is imperative that all of society, and particularly young people, be aware of the contributions of those who participated in these conflicts as members of the armed forces.

These men and women established a remarkable record of service sacrifice. They were ordinary men and women who did extraordinary things to preserve and protect our nation and its cherished freedoms. Their personal accounts, which constitute a valuable historical record, are in danger of being lost forever as these individuals pass away. The legislature, therefore, has determined that it is necessary and appropriate to take steps to help encourage greater knowledge and appreciation of veterans, particularly in our schools.

In this regard, many states have already enacted school-based programs honoring those who served in the military. The legislature now finds and declares that New York should make available to students, 19 and administrators in public and private schools a new resource that 20 will encourage greater understanding and appreciation of the contribution of veterans. 21

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [] is old law to be omitted.
