LBD00834-30-4

1 a. The education of the children of this state is one of the founda-
2 tions of a strong society that requires an academically robust and
3 financially sound school system, both public and non-public;

4 b. At a time when the state is considering ways of reducing the tax
5 burden for New York state residents and educators are seeking an expan-
6 sion of financial resources, charitable giving for educational purposes
7 should be encouraged;

8 c. Permitting public education entities such as school districts and
9 individual public schools to accept and receive voluntary cash contrib-
10 utions will be beneficial to taxpayers and educators;

11 d. Encouraging voluntary support for education, without prejudice for
12 or against any state-sanctioned educational enterprise, promotes the
13 state's interest in providing the highest quality education to all chil-
14 dren in the state;

15 e. The tax credit provided in this act is merely one of many credits
16 available to New York taxpayers;

17 f. The intended beneficiaries of the tax credits provided in this act
18 are the students who attend public schools, students who further their
19 educations using tuition scholarships from educational scholarship
20 organizations, and teachers who purchase with personal funds to supply
21 their students and classrooms, and who seek charitable donations for
22 classroom projects and initiatives;

23 g. Permitting educators to claim a credit for the purchase of class-
24 room instructional materials and supplies will insure a wider availabil-
25 ity of such materials and supplies for all students.
