AN ACT to amend the education law, in relation to requiring schools to provide instruction in cardiopulmonary resuscitation

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Section 804-c of the education law, as added by chapter 269
2 of the laws of 1999, is amended to read as follows:
3 S 804-c. Cardiopulmonary resuscitation instruction. 1. Instructions
4 regarding cardiopulmonary resuscitation [may] SHALL be [offered for
5 voluntary admission as] a part of the health education curriculum in all
6 senior high schools. In addition to the requirement that all teachers of
7 health education shall be certified to teach health, persons instructing
8 pupils in cardiopulmonary resuscitation shall possess valid certification by an agency offering such certification in the performance of
9 cardiopulmonary resuscitation [and in its instruction].
10
11 2. The commissioner [may] SHALL prescribe regulations governing such
12 health education courses which shall include instruction in cardiopulmonary resuscitation. Such regulations shall in no event prescribe a
13 course of study in cardiopulmonary resuscitation which sets forth standards for PSYCHOMOTOR SKILL instruction of a lesser quality than the
14 requirements of the programs adopted by the American Heart Association
15 or the American Red Cross.
16
17 3. School authorities [that choose to offer such course] shall provide
18 the needed facilities, time and place for the instruction set forth
19 herein and shall provide learning aids and curriculum resource materials
20 to support such course of study.

1 S 2. Section 804-d of the education law, as added by chapter 315 of
2 the laws of 2005, is amended to read as follows:

3 S 804-d. Automated external defibrillator instruction. Instructions
4 regarding the correct use of an automated external defibrillator shall
5 be included as a part of the health education curriculum in all senior
6 high schools when cardiopulmonary resuscitation instruction is being
7 provided as authorized by section eight hundred four-c of this article.
8 In addition to the requirement that all teachers of health education
9 shall be certified to teach health, persons instructing pupils in the
10 correct use of automated external defibrillators shall possess valid
11 certification by a nationally recognized organization or the state emer-
12 gency medical services council offering certification in the operation
13 of an automated external defibrillator [and in its instruction].

14 S 3. This act shall take effect immediately.
